No one has ever stolen keys from the Drop Box Vault!
Service / Bodyshop Department Key Control
Convenient Safe After-Hours Key Depository Box
Ensuring peace of mind for your customers and security for your business.

NOW \$1100.00

PLUS REBATE

The Drop Box offers you incredible protection for your customers' keys! No one has ever stolen a set of keys from the Drop Box. Constructed using 1/4" plate steel, the Drop Box's rugged body will withstand thousands of pounds of abuse. Our unique gated security system inside the Drop Box ensures that once a set of keys, contracts, etc. has been deposited, it is no longer accessible from outside.

1. Open up the Drop Box
2. Remove an envelope from the envelope compartment.
3. Use lid as a writing surface.
4. Insert keys into the envelope and drop into the slot.

DBS Drop Box - Standalone ~~\$1,150.00~~ ea.

A Secure and Simple Solution to Dispense Keys After Hours

Rugged plate steel construction for durability and security

Easy to use, easy and safe for your customers to use

Laminated steel doors are designed to resist theft

Keys accessed through combination lock, which you reset after each use

Available in multiple door formats to fit your needs

Available in various formats — Wall Mounted, Free Standing or Integrated onto your existing freestanding Standalone Drop Box.

KeyCrib offers a secure, simple and cost effective method of dispensing keys. KeyCrib can be wall mounted in both interior and exterior applications or integrated into your existing freestanding Standalone Drop Box. Easy to install, KeyCrib requires no electricity. Your customer opens their access door using the combination code which you supply them.

After keys have been retrieved always change the combination quickly and easily for the next use. KeyCrib increases customer satisfaction and convenience by allowing your customers to do business with you at times that fit their needs contactless.
