

# AIRAssist SMS Authorization Form

(To be completed by User)

I, \_\_\_\_\_ give consent to receive text messages (e.g. communication from the AIRAssist chatbot) through the Twilio gateway.

## By signing this form, I understand that:

- Consent is not a condition of purchase.
- Msg & data rates may apply.
- Msg frequency varies.
- Any internet-based communication is not 100% guaranteed to be secure/confidential. I agree that NLI Systems LLC will be held responsible if any outside party gains access to my personal or confidential information by bypassing **NLI Systems Village** security measures.
- I agree to the Privacy policy found in Addendum #1 of this document and also found at: <https://nlisystems.com/privacy>

User Printed Name: \_\_\_\_\_

User Signature: \_\_\_\_\_

## Privacy Policy

This Privacy Policy explains how NLI Systems LLC collects, uses, and discloses personal information about our customers, prospective customers, and visitors to our website at [nlisystems.com](http://nlisystems.com).

### **COLLECTION OF PERSONAL INFORMATION**

**Information collected directly from you:** We may collect personal information directly from you, for example through a web form, during registration, while setting up an account with us, when you contact us for customer support, or at checkout. Personal information we collect directly from you may include first and last name, address, email address, and phone number.

**Information collected from your device:** Our website may use technologies such as cookies, web beacons, pixels, and other similar technologies to automatically collect certain information from your device including, for example, your IP address, date and time of your visit, browser and operating system information, referring website address, and other information about how you interact with the website. Our website may also use cookies and similar technologies to enhance your user experience and enable certain features such as keeping track of items you put in your shopping cart. Our email campaigns may also use tracking technologies such as web beacons, pixels and other similar technologies to automatically collect certain information such as your IP address, browser type and version, and email engagement statistics.

**Information collected from our partners:** We may collect personal information about you from our third- party partners and combine it with other information that we collect. Personal information we collect from our partners may include, for example, your demographic information, shopping history, and geographic location.
