

EDITORIAL POLICY

The PHAVISMINDA Journal is published once a year by the Philosophical Association of the Visayas and Mindanao (PHAVISMINDA). It uses double-blind peer review in publishing researches and scholarly articles in the field of philosophy. Thus, the PHAVISMINDA Journal welcomes contributions from all scholars of philosophy, especially from the members of the association.

Manuscripts for consideration must be submitted preferably in electronic file format (.docx, .rtf file format, or open office), double-spaced, and be electronically sent to the editor. For purposes of anonymous review, manuscripts must not contain the information of the authors and must not be under consideration for publication in another journal. The authors' information must be in a file separate from the manuscripts. Manuscripts submitted in hard copies must be accompanied by an electronic file. Manuscripts that are accepted for publication must be revised by the authors according to the documentation format of the journal. Manuscripts not accepted for publication are not returned to the authors.

All views and opinions in this journal are solely that of the authors' and do not necessarily reflect the views and opinions of the editorial board and publishers. For any copyright issue in the author's work, the author must be responsible for copyright permissions, if necessary in the publication of his/her work.
