

Middle School Grade 7 School Supplies 2017-2018

In order to be able to achieve success each day in grade 7, students need to have a few supplies. Some of these will need to be replaced or re-stocked during the course of the year. Please check periodically with your child to make sure they are prepared with the required materials. It is our expectation that students will have these items with them by **Friday, September 15, 2017**. Thank you for your support!

Please consider donating the following items! We truly appreciate your generosity!

Collected by Math teachers: One package of new AAA batteries; Collected by Homeroom Teachers: Tissues & hand sanitizer

Note: White-out and "Marks-A-Lot" (or any with strong fumes) permanent markers are NOT permitted.

Physical Education: Students will have PE every day. Students are expected to have a CMS PE uniform and tennis shoes to wear in class each day. Each child will be given a locker with a built in combination lock to secure these items. During the first week of school, we use class time to allow students to purchase their uniforms. **Uniforms cost \$20** and there is a space on both the t-shirt and shorts for your child to write their name. We expect that everyone will have their **uniform by Monday, September 11**. A uniform can be worn for more than one year as long as it continues to fit your child properly.

Art Class Supply Lists: Please check student schedule, since not all grade 7 students take art.
