

Middle School: 2017-2018 Eighth Grade Supply List

The grade 8 team is eager for our students to enjoy a positive start for the school year. We have compiled this list of supplies that each student will need for classes this year. This is a preliminary list of supplies, and students may have to obtain some additional materials once school starts. We ask that your child have these supplies by **Friday, September 8, 2017** for optimum success. **Please Note: Neither white-out nor permanent markers are permitted.**

Physical Education and Health: ALL eighth graders will have PE every day. Students will rotate out of PE to have an 8 week health unit which will be taught by Mrs. Stem, our health teacher. Students are expected to have a CMS PE uniform and appropriate shoes to wear in class each day. Each child will be issued their own locker with a built in combination lock to secure these items in the PE locker room. **Uniforms cost \$20** and there is a space on both the t-shirt and shorts for your child to write their name. Uniforms should not be brought to school until PE lockers have been assigned. We expect to begin class activities **by Monday, September 11th** so everyone will need to have their uniform by this time.
