

FARE'S IMPACT

**OVER
\$100,000
GIVEN**

FARE was founded in 2019. In less than five years this grassroots organization has given over \$100K in "normalcy grants" for foster/adoptive/kinship kids across NH. Kids enjoy all the benefits and joy of activities like music lessons, sports, camp, drivers education, and more!

**"WE ARE NOT
EQUIPPED TO
GO THROUGH
THIS WORLD
ALONE."**

-Adrian, former foster youth who aged out of the system

Who will help pay for them to take karate?

Who will help pay for me to obtain additional training to better support the kids in my home?

Who is going to have time to gather the Foster Care community together to make memories?

Who is going to be by my side and support me as I pour myself out and make necessary sacrifices to love these children?

FARE is the answer to these questions.
