
NIGHT OF
ROCK
STARS
2026

Welcome!

As we begin our evening, the RE/MAX Alliance Community Team would like to send a huge thank you to each of you for seeing the benefit and reason for this event…and for being here and caring!

It's an honor to bring our 7th event to you, and to celebrate these amazing children. We continue to grow with each passing event; due to the tremendous support of this community we all call home.

We've poured countless hours into planning every element of this extraordinary evening—fine-tuning the details, coordinating with passionate service partners, and crafting a program designed to honor and inspire. Every moment you'll experience tonight is the result of a labor of love from an incredible community that believes deeply in this cause.

Tonight, twelve remarkable children will take the stage to share their favorite songs and showcase their shining personalities. We invite you to join us in celebrating their courage, joy, and talent as they create memories that will last a lifetime.

Thank you for being here and for helping us make this night truly unforgettable for these amazing kids. Now—let's celebrate our Rock Stars!

Master of Ceremonies

Annie Frey

We're excited to welcome Annie Frey back as our "Master of Ceremonies" for the 2026 "Night of Rock Stars" event.

Annie hosts St. Louis' most entertaining, welcoming, and informative conservative mid-day talk radio show on Fox News Radio station, 97.1 FM Talk.

As a broadcaster, Annie brings her depth of knowledge of current events and news headlines in focus with her roles as a wife, mother of four, and Christian conservative. While understanding that her life experience leads to her own perspectives on issues and headlines, Annie knows that her listeners come from a diverse set of experiences and circumstances.

For Annie, it's not about persuading others to eventually come to her conclusion. It's about opening an inviting conversation to a diverse community to explain her perspective in a way others will take time to hear and maybe even understand. It's about listening as much, if not more than, talking.

Entertainment

We welcome and send a heartfelt thank you to this evening's band. They've dedicated countless hours practicing and learning new songs for our Rock Stars. Now, sit back and enjoy the music!

Band Members:

Vocals- Jim Clark, Jeanna Clark, Reiley Clark and Mike Bellovich
Lead Guitar, Piano and Vocals- Greg Briskovich
Bass Guitar- Brian Greeling
Drums- Colin Briskovich

About the Team

Caring…It's in Our DNA

The RE/MAX Alliance Community Team is a group of REALTORS® that go above and beyond their professional duties to make a positive impact in the local community. With every real estate transaction participating agents close, a portion of their earnings is allocated to fund special causes and projects within the community. This philanthropic approach has allowed us to channel success in the real estate industry towards the betterment of our local neighborhoods.

We actively engage and collaborate with various charitable organizations and community groups to ensure our donations are directed where they will have the greatest impact.

"Night of Rock Stars" is the teams' premier event and our biggest fundraiser, but the acts of giving back and kindness continue throughout the year. You'll find us running food and toy drives, supporting Partners 4 Pets, Kellsie's Hope, Shriner's Hospitals, our local schools, our first responders, to name just a few. We consider ourselves honored and blessed to be able to make a difference in the lives of so many.

Thank you once again for being here and helping us continue our mission…

Hadley Bilyeu was diagnosed with spastic quadriplegic cerebral palsy at age one. Hadley has faced challenges many will never face but never let them define her. Instead, she meets challenges with determination, courage, and a smile that lights up every room. In 2025, Hadley underwent Selective Dorsal Rhizotomy (SDR) surgery, opening possibilities for her future. Through physical therapy, hard work, and perseverance, she has achieved milestones. She learned to crawl independently and is now walking with minimal assistance. Every step is a testament to her strength. Hadley's smile, laughter, and kind heart brighten everyone. She has participated in fundraisers supporting the Pony Bird Foundation and inspired the Edwardsville High School Robotics Club to build her a custom car, giving her freedom to explore. Hadley enjoys painting, Play-Doh, and creativity. She will begin All Abilities Lacrosse camps this year and looks forward to throwing. Her journey reminds everyone that courage can turn challenges into possibilities.

Hadley will be performing "Pink Pony Club" by Chappell Roan.

Bryson is 5 years old and the son of Karen Stein and Gregg Brumm of Collinsville, IL. Born 4–6 weeks early, he spent first five days in the NICU, where he was diagnosed with Neutropenia, a blood disorder that causes a low white blood cell count. Thankfully, by age two, he had outgrown the condition. At age two, Bryson was diagnosed with autism and was nonverbal. Through in-home therapies and support, he has worked hard and is becoming more verbal. Every word, skill, and milestone is a victory worth celebrating. In March, Bryson was diagnosed with bilateral proximal radioulnar synostosis, a congenital condition causing the bones in his forearms to fuse together. He underwent surgery on his right arm at Wash U and receives ongoing care from Shriners Hospital. Bryson's courage, resilience, and curiosity amaze everyone. He loves swimming, playing, and exploring. Most of all, his smile lights up every room.

Bryson will perform "Let It Roll" by Keith Urban and Snoop Dogg.

Josephine is a joyful, determined 5-year-old living with Turner syndrome, a genetic condition that occurs when an X chromosome is partially or completely missing. This condition can affect growth and development, requiring ongoing medical care and specialist visits. Josephine has faced countless appointments, tests, procedures, daily medication, and nightly injections to help her grow and reach her full potential. Despite these challenges, she approaches each day with courage, resilience, and a smile that brightens every room. She loves singing, dancing, swimming, and making memories with her family. Whether splashing in the pool or laughing with her siblings, Josephine finds happiness in everyday moments and spreads joy to everyone around her. This year, Josephine begins kindergarten, ready to make friends, learn new things, and embrace exciting adventures. Turner syndrome is part of her journey, but it does not define her. Her strength, enthusiasm, and loving spirit remind everyone that hope and happiness can shine through any challenge.

Josephine will perform “Your Way’s Better” by Forrest Frank.

Just after her third birthday in June 2023, Lyncoln was diagnosed with B-Cell Acute Lymphoblastic Leukemia. After facing countless challenges with incredible courage and determination, she rang the bell in December 2025, marking an incredible milestone in her journey. Today, Lyncoln is 6 years old and a first grader who loves all animals, believes unicorns are her spirit animal, and would happily live at Disney World if they let her! She never meets a stranger and has a special way of making everyone feel like a friend. Lyncoln is kind, compassionate, and deeply empathetic, always caring for others with her whole heart. Her strength shines far beyond what she has endured. Her joy, love, and magical spirit remind everyone around her just how special she truly is. She continues to inspire those who know her with her beautiful heart and infectious happiness.

Jackson Deaton's story began on June 8, 2018, when he arrived with a strong will of his own. In 2025, Jackson faced a life-threatening illness that left him on life support, ECMO, dialysis, ventilators, and EEG monitoring. Doctors eventually diagnosed secondary HLH, triggered by parvovirus. After weeks of uncertainty, Jackson stabilized and began the difficult journey back to health. Recovery included steroids, pain, and extensive physical and occupational therapy. He had to relearn walking, talking, and eating while his brain worked to reconnect. Despite challenges shown on MRI scans, Jackson chose to keep moving forward. He even returned to school that same year, brighter and stronger than before. At eight years old, Jackson has endured more than many people experience in a lifetime. Through fear, needles, tests, and uncertainty, he has shown incredible courage and resilience. His family, friends, nurses, and doctors surrounded him with love and support throughout his journey.

Jackson will be performing "Ordinary" by Alex Warren.

Throughout his journey, David has worked hard to make others laugh and brighten their days. David loves performing magic tricks, especially for the nurses and doctors at the clinic, but he'll perform for anyone willing to participate. He also has a huge collection of dad jokes that he proudly shares whenever he gets the chance! David has an enormous heart and loves caring for others. If he hears another child crying in clinic, he'll ask if they need someone to sing a song or offer some advice. He loves playing chess, Uno, Roblox, Mario Party, and Ticket to Ride, as well as almost any game he can convince his sister to play. David knows how to make the most of every day and leaves everyone smiling. He inspires everyone around him with kindness.

Georgia is a resilient, loving, and adventurous 9-year-old whose life as a military child has taken her from New Jersey to Illinois, Florida, and back to the Metro East. At age 5, Georgia began experiencing neuropsychiatric symptoms. After years of misdiagnoses, she was diagnosed in 2025 with immune deficiency, epilepsy, and PANS, a form of autoimmune encephalitis. Despite challenges, she continues each day with courage and an uplifting smile and bright laughter. Georgia enjoys baton, gardening, basketball, baseball, Girl Scouts, dancing, singing, reading, squishy hunting, and jokes. She loves caring for animals and is a proud sister. Georgia loves Jesus and loves people. She is generous and creative, often gifting healthcare providers, teachers, classmates, family, and friends handcrafted items made especially for them. She is a kind, loyal friend who welcomes others easily. Georgia approaches life with courage, faith, compassion, and cheerfulness. She is a bright light who brings joy wherever she goes.

Henry, aka "Mr. Mayor," is one of the happiest kids you'll ever meet. Diagnosed with hydrocephalus in utero, Henry had two brain surgeries before six months old, contributing to developmental delays. His speech was delayed until age 5 or 6, but once he started talking, he never stopped! Henry has never met a stranger and loves learning about everyone he meets. Basketball is Henry's passion. Whether watching or playing college, men's, women's, or middle school basketball, he is all in. He loves playing, coaching, and refereeing, and was thrilled to participate in Special Olympics. His biggest basketball highlight was serving as an honorary manager for the Triad Varsity Boys Basketball team during the 2025-26 season. Despite physical limitations, Henry loves helping others and being part of his community. He enjoys helping his Mimi, teachers, and church. Henry loves Pete the Cat, his classmates, teachers, and family with his heart. His infectious joy makes everyone smile.

Born with a colorectal condition, Sawyer has faced five major reconstructive surgeries, including spinal surgery. He also completes a daily medical procedure yet handles this responsibility with remarkable maturity and strength. Despite these challenges, Sawyer refuses to let his condition define him. He is an active Boy Scout who loves hiking, camping, learning new skills, and serving his community. He enjoys children's theater, volleyball, swimming, and spending time with friends. Sawyer loves his family, bearded dragon Louie, and his puppy, Jasper. Sawyer's infectious smile, adventurous spirit, and empathy shine through everything he does. He reminds us that medical challenges are often invisible, and true courage is found in choosing to keep moving forward. Sawyer represents children with complex medical conditions and shows that every child deserves to dream big, live fully, and be celebrated.

About Last Year

Once again, thank you for sharing in this event. These events don't happen without caring people like you.

We're excited to share that our 2025 event raised $120,000, after expenses, and Children's Miracle Network and While We Wait each received a donation of $60,000.

We can't wait to share how the 2026 event does, so make sure to check the NightOfRockStars.com website for an announcement soon.

In Memoriam

Our Forever Rock Star…

Elsa Wiemerslage 2019 Rock Star Performer

Born: February 8, 2010

Passed: April 15, 2026

Elsa Joan “Elsie” Wiemerslage, 16, of Waterloo, IL, passed away at home on April 15, 2026, at 2:45 p.m., surrounded by family, friends, and pets. She was born February 8, 2010, in Maryville, IL. Elsie packed more love and life into 16 years than many experience in a lifetime. She fiercely loved her dad, Kevin; her mom, Adrienne; and her siblings, Claire and Eli. She delighted in keeping her dad on his toes and cherished shopping trips with her mom. She proudly cheered her siblings on in hockey, soccer, volleyball, and swim. Nothing made Elsie happier than family adventures. She loved shopping in Chicago, watching sunsets in Hawaii, Broadway shows in New York, swimming with dolphins in Florida, and traveling to Nashville and Kansas City to see Taylor Swift. She embraced every experience with wonder and determination. Elsie was a rare blend of adventurer and homebody. She dreamed of traveling the world but also found comfort at home. She loved reading and could often be found curled up on the couch with a blanket, her Kindle, and her cherished dog, Winnie. After planning a laundry room makeover, she took charge of keeping the family’s laundry clean and organized. Elsie will be remembered for her strength. She never gave up and remained a ray of sunshine. Whether hosting makeovers, having tea parties, or watching Halloween movies, she radiated warmth, cheer, and love. Elsie is survived by her parents, siblings, pets Winnie, Bella, Dot, and Boo; grandparents Victoria and Bill Norbury and Les and Susan Wiemerslage; and loving aunts, uncles, cousins, extended family, and friends who loved her very dearly.

Our Forever Rock Star…

Drew Patchin 2025 Rock Star Performer

Born: March 20, 2013

Passed: January 1, 2026

Andrew “Drew” Patchin passed away peacefully at home, surrounded by family and loved ones, on January 1, 2026. He was 12 years old. Drew is survived by his parents, Jennifer and Doug Patchin; his best friend and little brother, Tyler; his aunts and uncles, Debbie Schultz, Jeff and Kristen Patchin; John and Trisha Patchin; and many cousins and extended family members. He was preceded in death by his grandparents, Craig and Sandy Schultz, and Wayne and Judy Patchin. By Drew’s side throughout his journey was his service dog and constant companion, Snoopy. Drew courageously battled a rare form of brain cancer for more than six years, facing every challenge with remarkable strength, grace, and resilience. His kindness and sense of humor brought light, laughter, and comfort, even during the hardest moments. He made everyone feel seen, included, and cared for. Drew accomplished so much. He proudly served as honorary parade marshal of the St. Patrick’s Day Parade, became a Junior FBI Agent, and joined the UMSL Tritons baseball team. In 2023, his dream of being famous came true when he hosted the Fox2 Morning Show. In August 2025, Drew became a published author with his book, Marshmallow Can Do Hard Things, which shares an encouraging message about facing challenges. His book was sold in all 50 states and seven countries. Drew treasured family adventures, especially Disney trips, and loved mascots, including Fredbird, Louie, Dopey, Chip, and Dale. The family extends heartfelt thanks to everyone in “Drew’s Crew” for their love and support. His courage, kindness, humor, and spirit will live on in everyone he touched.
