FARMER HARVEST PROGRAM APPLICATION 2019
DEFRANCESCO FARM

We are now accepting applications for our Farmer Harvest Program for the 2019 season. Households and individuals may sign up to purchase a share of the Connecticut harvest from June 26 to end of September of 2019. This is 14 weeks of good eating.

You can purchase your weekly share knowing that we will pick you the freshest vegetables every week. As each vegetable starts to mature and ripen, we will include it in your basket.

Our family will hand select the best of the week's harvest for you. The actual content of the boxes vary with each weekly harvest. It all depends on the weather and growing season. We will have lettuces, peppers, eggplants, squashes, cucumbers, beans, tomatoes, cantaloupe, our famous corn, and a few surprises, but not limited to just these items. We eat everything we grow, so you can be assured that we use a pest management integrated program, and we do not use GMO seed.

The 2019 Farmer Harvest Program will offer a Full Share for \$399.00. We also have a Medium Share for \$299.00.

The pick-up days will be:
Wednesday or Thursday from 11:30 to 6pm

We want you to be happy, but a failure to pick up your shares at the designated days, or without prior notification (24hrs please), you will forfeit your shares for that week. Thus, we encourage you to send a friend to get your veggies. They will be donated.

To apply, you can visit our DeFrancesco Farm Stand at 348 Forest Road, Northford, CT, download from our website www.defrancescofarm.com, or call 203-484-2028.
