

2026 High Efficiency Furnace Rebate Program Application – Residential in Iowa Only

REQUIREMENTS: Fill this application out entirely. This rebate is for residential installations in Iowa only. One furnace rebate per consumer. The furnace must qualify (see rules). Along with the completed rebate application, you must submit the invoice showing the purchase and installation of the qualified furnace as well as the documented safety inspection paperwork. This application must have accurate and complete information; this includes signature from the consumer as well as the propane marketer. IPGA & Iowa PERC are not responsible for obtaining the information, nor do they hold any liability in regards to the installation or safety inspection. The propane marketer must submit the paperwork. Any incomplete or missing information will result denial of the rebate. Rebate checks must be cashed within 90 days of the origination date.

Billing/Mailing Address: \_\_\_\_\_ City: \_\_\_\_\_ State: IOWA Zip: \_\_\_\_\_
Installation address if different from above: \_\_\_\_\_
Applicant Signature: \_\_\_\_\_ Date: \_\_\_\_\_
By signing this form, I authorize my rebate payment will be made DIRECTLY to the propane marketer listed below.

By signing this form, I hereby agree not to modify the equipment in any way that would materially impair the equipment’s performance with respect to energy conservation, efficiency or air quality. I understand that IPGA/Iowa PERC may conduct a spot check for verifying the compliance of the installation with program rules. I have received a copy of the program rules. I understand that this rebate is available only through authorized propane marketers in Iowa, and that this is not a government program and that the program may end at any time. A safety inspection is required after the installation of the new qualifying furnace. A copy of the safety inspection paperwork and invoice copy showing purchase and installation must be included with this application. A charge may occur for the safety inspection, please visit with your propane marketer.

PROPANE MARKETER INFORMATION

NOTICE: You or your designated agents must perform a safety inspection of the new qualifying furnace/boiler after the installation. A copy of the safety inspection and an invoice showing the purchase and installation must be included with this application. The requirements for the safety inspection are set forth in the program rules.

Submission of this application form constitutes a representation on your part that the work shown on this form and any attachments hereto has actually been completed and that the submission is true and correct in all respects. You hereby agree to comply, and represent and warrant that you have complied, with all laws, rules and regulations governing the installation, inspection and testing of the propane piping system. You acknowledge that the Iowa Propane Gas Association/Iowa PERC is only giving a rebate for the qualifying propane furnace/boiler and assumes no responsibility whatsoever for the installation, inspection or testing of that qualifying propane furnace/boiler or any associated gas system. You acknowledge that the Iowa Propane Gas Association/Iowa PERC is relying on you with respect to the installation, testing and inspection of the propane piping system and the Iowa Propane Gas Association/IowaPERC expressly disclaims all liability for the same. By issuing a rebate, the Iowa Propane Gas Association/Iowa PERC makes no representation, warranty or guarantee regarding the qualifying residential propane furnace/boiler or the associated gas system. The Iowa Propane Gas Association/Iowa PERC disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying residential propane furnace/boiler.

By signing this form, I agree to all rules and conditions for participation in the IPGA/Iowa PERC rebate program. I acknowledge that the installation at this location is eligible for a rebate and that the installation meets all requirements of the rebate program. I hereby declare that I am authorized to sign this application and that the information stated herein is true, and correct and complete to the best of my knowledge. I understand that as the participating marketer representative, I am responsible for ensuring that safety inspections performed by the company’s designated agents comply with Iowa Code, Public Safety [661] Chapter 226 – “Liquefied Petroleum Gas”. By signing this application, I affirm that this installation of the propane piping system passed the safety inspection defined in the rebate program and is certified by the attached inspection record.
