local flea market is better than amazon!

It's close...It's cheap...& it comes with food, music and a view.

local café deemed "sooooo great!"

The endorsements are humbling. We've been have a really good time creating a space for neighbors and friends to hang out...listen to great music (sometimes great LIVE music!)...chat up other neighbors and friends...meet NEW neighbors and friends, and generally build community.

If you haven't checked us out, come have a beer with us any Sunday this month.

Special RESISTANCE CAFE Sunday, June 22nd:

As Frank Zappa may or may not have said: "The mind is like a parachute. It works better when it's open." The theme for the Sunday cafe on June 22nd is **resistance!** Join us. Chat with neighbors, sip beverages, feast on delicious snacks, and listen to resistance themed music while you **make your poster** or **write to your representative** (any issue you choose). Inspiration and supplies will be provided. Just bring your moral indignation and creativity.

Join us for a truly great film in which a truly great character, Atticus Finch—portrayed by Gregory Peck—does right. We'll kick things off with a short fireside chat before the film, during which we'll explore the profound influence and enduring relevance of this American masterpiece.

July 26th!
we're having a big ole jamboree!

The MWPCA has been around since 1935 and we think that's all the excuse we need to throw a **HUGE** party for all our neighbors and friends. Come for the live bluegrass, tasty bbq, honors and recognition, vintage stuff, old photos, etc...or just come to have a great time with neighbors, like we always do.

**LIVE MUSIC!
TASTY BBQ!**
