Art Show at the Clubhouse

You're cordially invited to a reception for "Eclectic," a collection of color and black and white photographs by MWPCA members Glenda Gentry and Ellen Franz at the Clubhouse on January 27 from 2-4 p.m.

Mostly abstract and landscape images, the exhibit is likely to leave you with some questions: "What IS that? Where it? Have I seen that before up here on the Mountain?"

This is the December-January exhibit, one of an ongoing series of art shows by members of the Artists of Mount Tamalpais. It is showing currently through January 27th.

WANT INSPIRATION AND SUPPORT FOR YOUR ART?

- Are you an artist - painter, sculptor, illustrator, photographer, woodworker, potter, textile artist, jewelry maker, glass artist, calligrapher or all of the above or *other*?
- Do you live on Mt. Tam in the Muir Woods Park Community (from Edgewood Avenue at Sequoia Valley Road, Amaranth Blvd, and all Panoramic feeder streets) and belong to the Muir Woods Park Community Association?

The MWPCA sponsors a group for local artists, "Artists of Mount Tamalpais", and we would love more members who live up here on the Mountain to participate. We have about 25 local members and meet bi-monthly on the 3rd Wednesday evening at the clubhouse to discuss upcoming shows and share ideas, inspiration, and works in progress. **The next meeting is January 17th at 6 pm at the Clubhouse.**
