ALL ABOUT ME

Fill in the Identity card given below to tell something about yourself.

my name : Amit Kumar
 My Address : 18, ODS, New Delhi.
 My school : Indo Aryan.
 I am seven years old
 I study in : 1st class.
 I love to : Sing & Dance
 I am good at : studies.

Tick the correct option or say 'yes' or no.

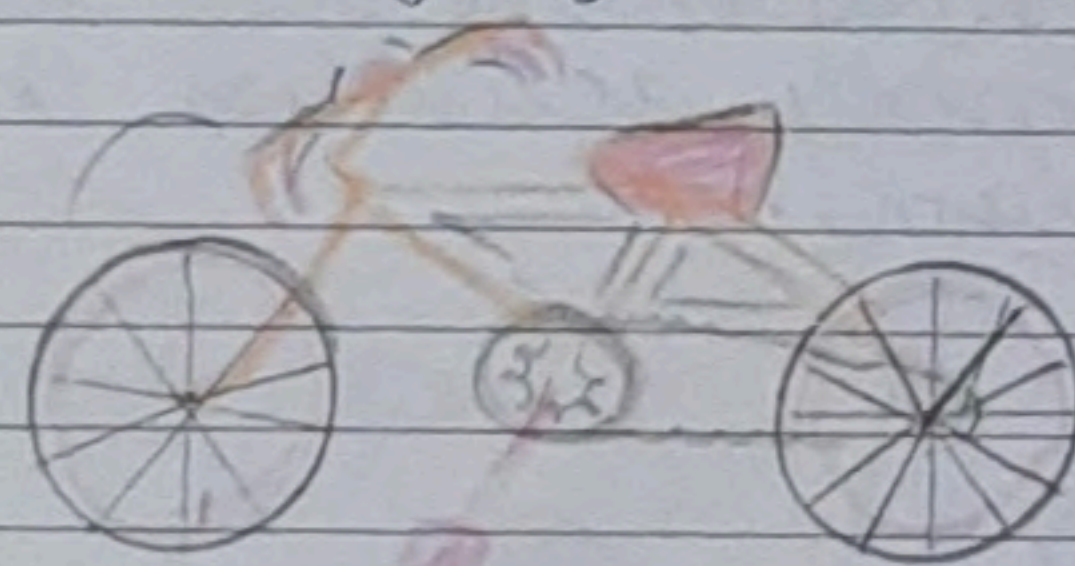

- 1) I have black / brown / blue / green eyes. ✓
- 2) I am tall / short ✓
- 3) I have long / short hair. ✓
- 4) my hair is straight / curly. ✓
- 5) I like painting - yes

classmate
Date _____
Page 3

- 6) I love to play in the park with my friends. yes
- 7) I feel sad when I break a toy accidentally. yes
- 8) I love to watch cartoons. yes
- 9) Reading story books is what I like. yes
- 10) The 'swing' is the best thing I love in the park. yes

EXERCISE

A: Draw or paste a picture of something you love doing.

I love riding bicycle.

B. Write a few words to tell us something more about yourself.

I feel happy when I get new clothes and shoes.

I feel sad when I get less marks

I love to eat cake and biryani

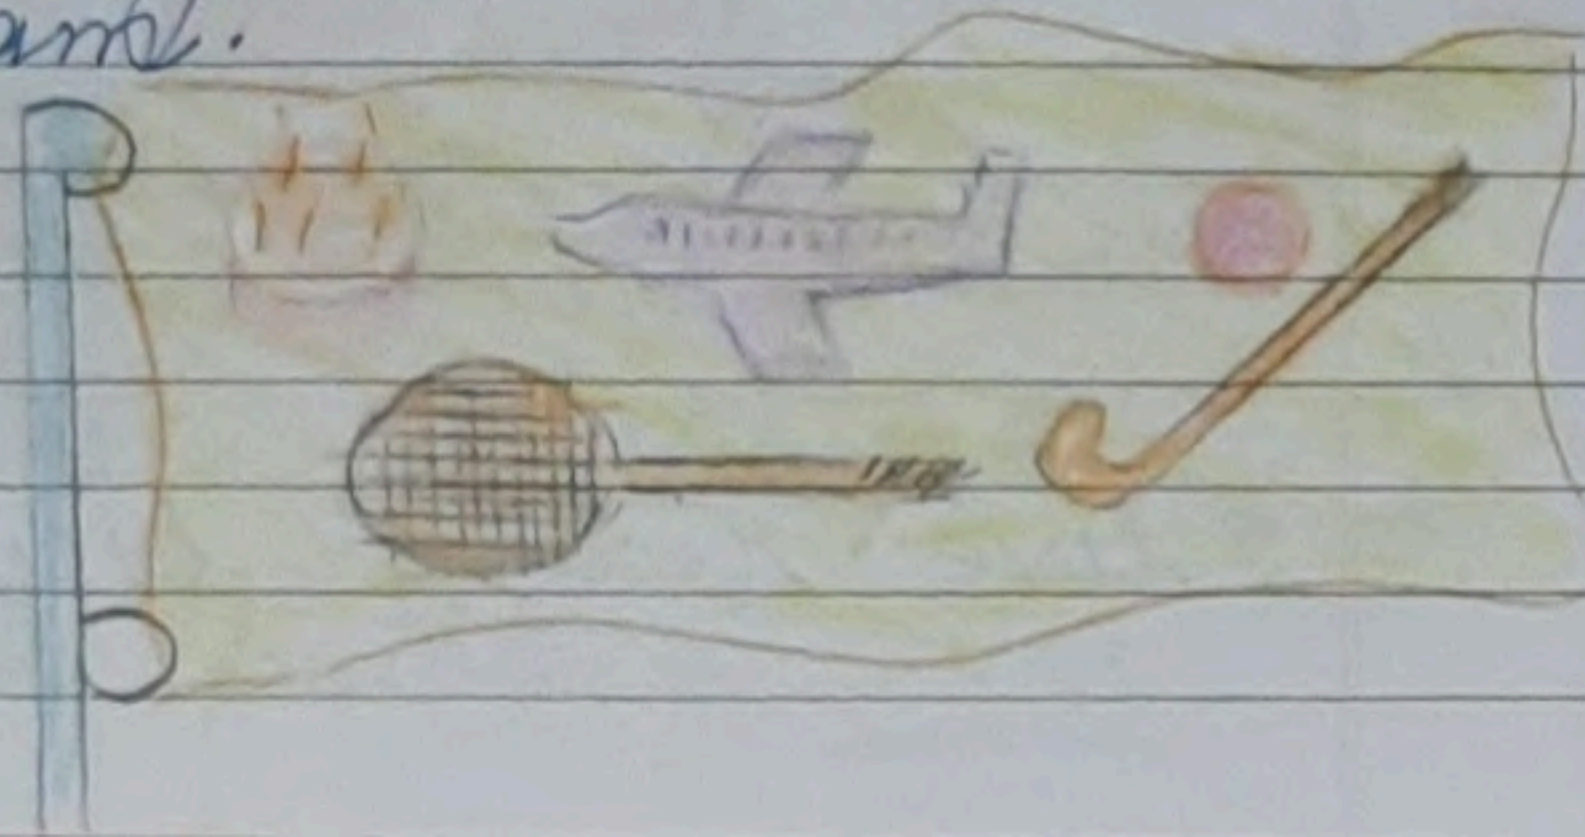

I hate eating / drinking mangoes and milk.

I am really good at running and cycling.

I am not so good at playing football.

What I love best about school assembly activities and Mrs Madam.

CHAPTER - 2.

MY FAMILY

Paste a picture of your family here

My family

There are six members in my family. My mother's name is Mrs. Madhuri. My father's name is Dr. Satpal. My brother's name is Ganesh and my sister's name is Kavita.

What is surname?

A name shared in common to identify all the members of a family is called a surname. It is also called family name or last name.

Paste pictures and write the names of your family members and your relation with them. Use these words.

Grand father
grand son

Grand mother
Grand son

father-son

mother-son

Brother-sister.

FUN WITH FAMILIES

I like watching TV. ✓

Playing games ✓

celebrating birthday ✓

visiting relatives ✓

Going to a park ✓

listening to granny's stories ✓

AN IDEAL FAMILY

How can I help?

- 1) I help father washing car.
- 2) I help mother in dusting.
- 3) I help sister in studies.
- 4) I help grandmother in finding specs.
- 5) I help grandfather in reading newspaper.

EXERCISE

A Say True or False

1. There are many members in a small family. FALSE.
2. In a joint family, grandparents live with the family. TRUE.
3. In a big family, there are four members. FALSE.
4. We have fun with our families. TRUE.
5. We should not help at home. FALSE.

Tick the picture which show children helping at home.

- Pic 1, Boy washing car. ✓
 Pic 2. Girl serving water. ✓
 Pic 3. Boy arranging beds. ✓
 Pic 4. Boy watching TV. ✗

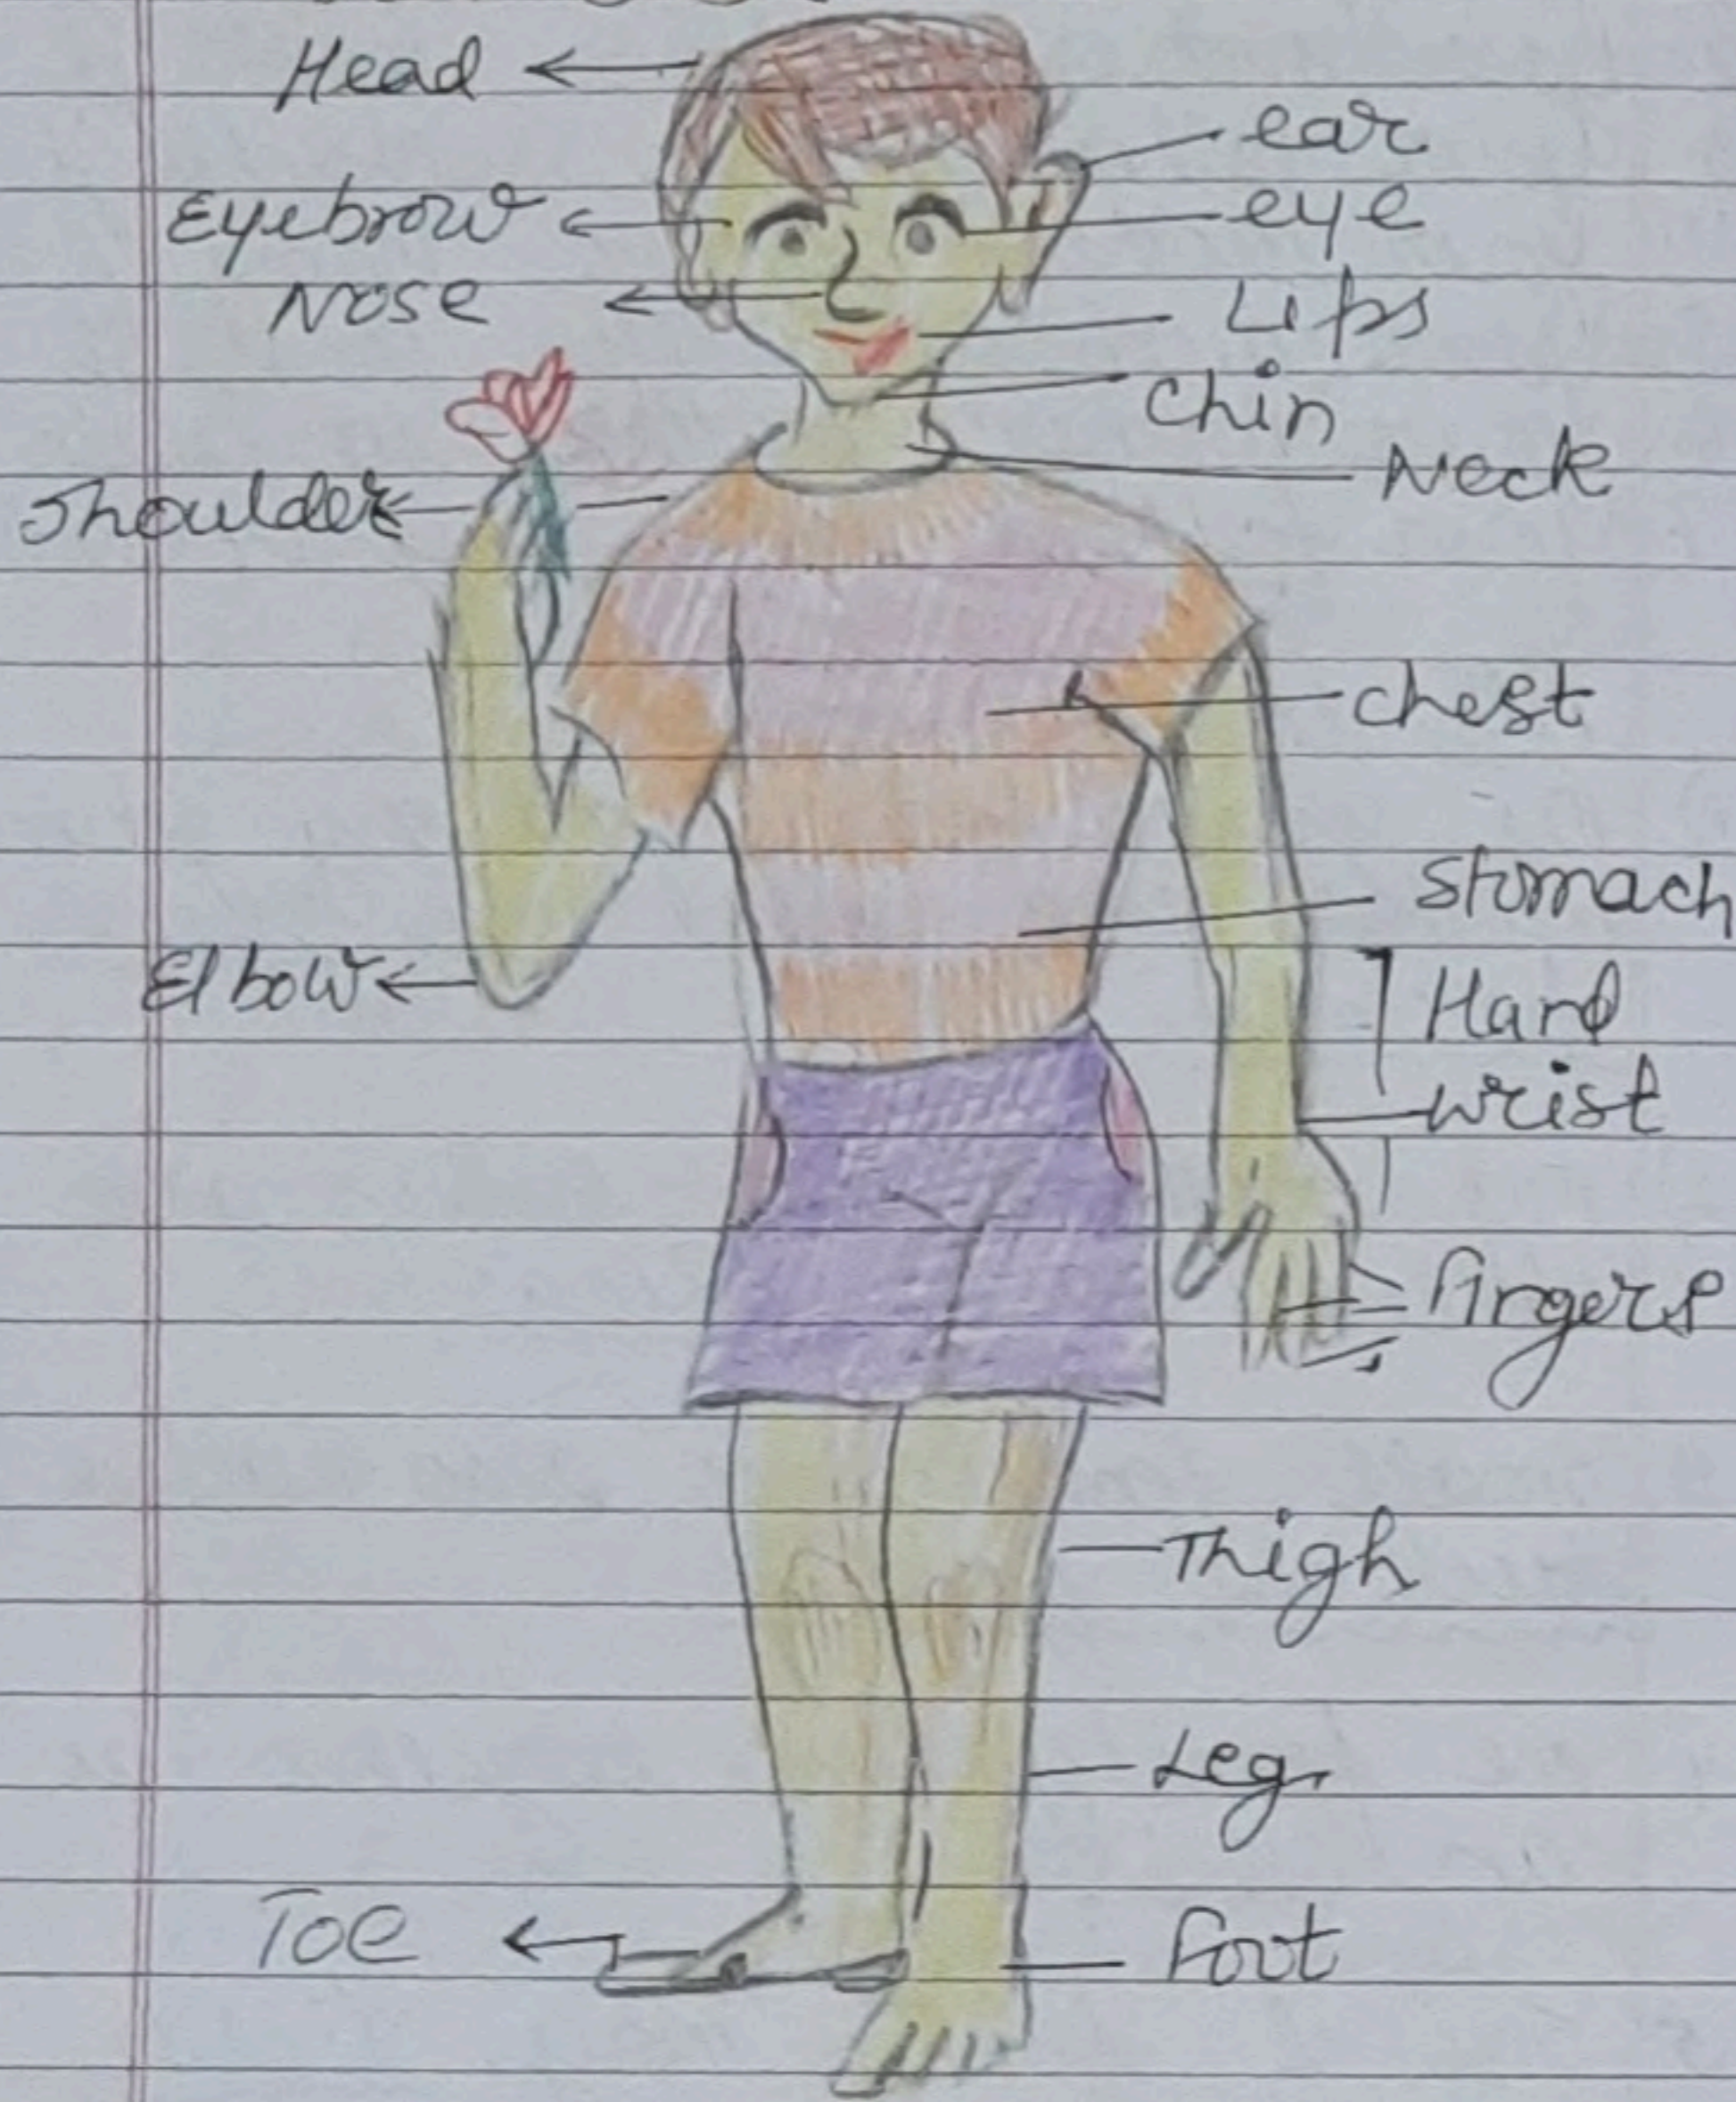

what do you call:

1. Your father's father. Dadu ji
2. Your mother's mother. Nani ji
3. Your father's brother. Chacha ji
4. Your mother's brother. Mama ji
5. Your mother's sister. Masi ji
6. Your mother's brother's son. Cousin
7. Your father's sister daughter. Cousin.

Fill in the blanks.

- 1) My grand father and my grand mother are called my grand parents.
- 2) My brother's and sister's are called my siblings.
- 3) Small family is also called nuclear family.
4. one family live together as an unit.
- 5 Size of family may differ.

MY BODY PARTS

Write how many of each you have?

- 1) Eyes TWO
- 2) Nose one
- 3) Ears TWO
- 4) Eyebrows TWO
- 5) Hands TWO
- 6) Legs TWO
- 7) Fingers Ten of hands 10 of feet.
- 8) Arms TWO

With my legs, I can
 RUN
 JUMP
 SKIP
 KICK A BALL
 DANCE
 CYCLE
 SKATE

With my hands, I can
 Write. Clap.
 Eat. Carry.
 Brush. Catch.
 Paint. Cut.

MY SENSE ORGANS

Write the feelings shown in the faces given below.

HAPPY

SAD

FEARFUL

SURPRISED

ANGRY

CRYING

Draw faces to say how you feel when.

Granny gets you new toys.

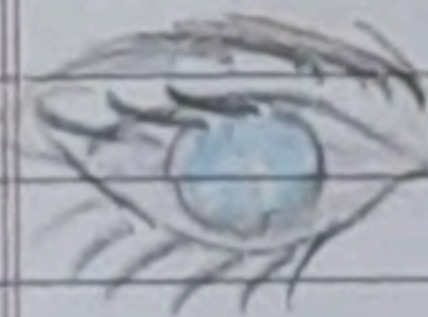

you lose one of favourite toys

EXERCISE

A. Fill in the blanks

1. We see with the help of our eyes.
2. our skin helps us to feel.
3. We use our legs to run.
4. We write with the help of our hands.
5. We taste with the help of our tongue.

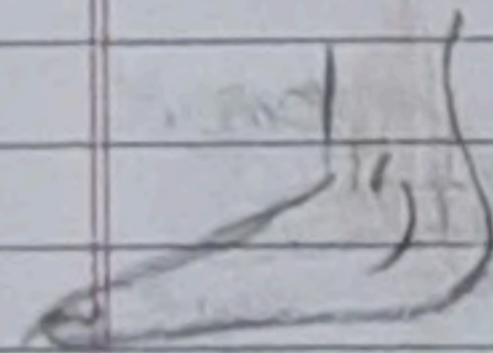

Label the different parts of body.

EYES

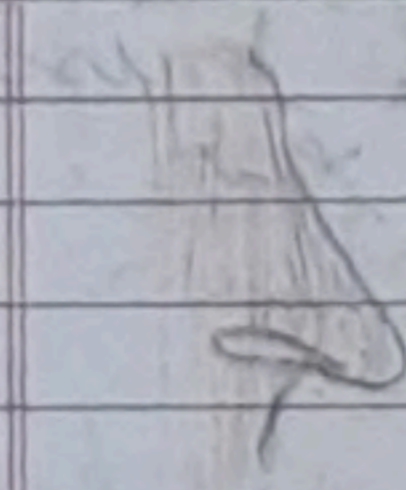

Hand

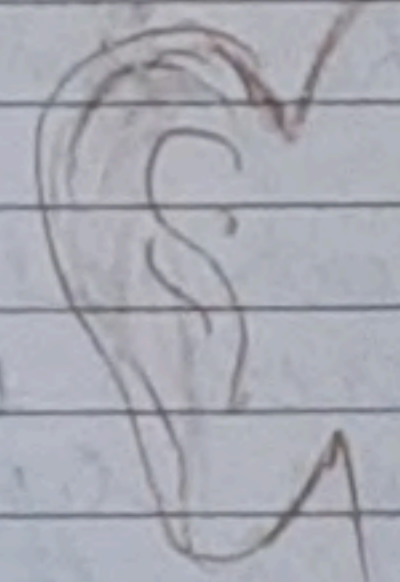

Foot

Lips

NOSE

EAR

c Which body organ is each child using?
Rohan is watching television with his eyes.

Parul is painting with her hand.

Ahmed is skating. He is wearing the skates on his feet.

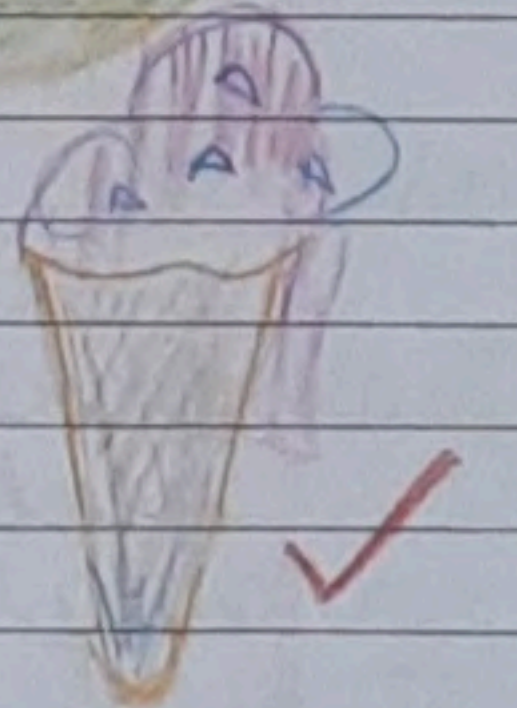

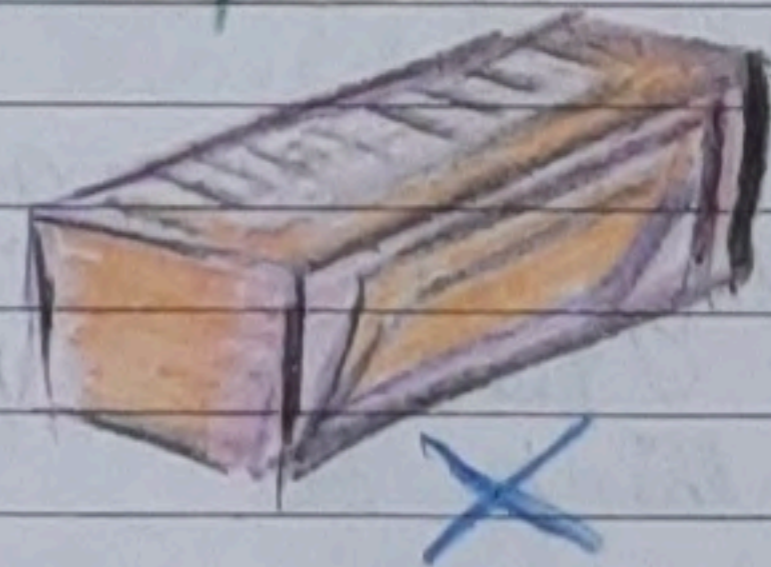

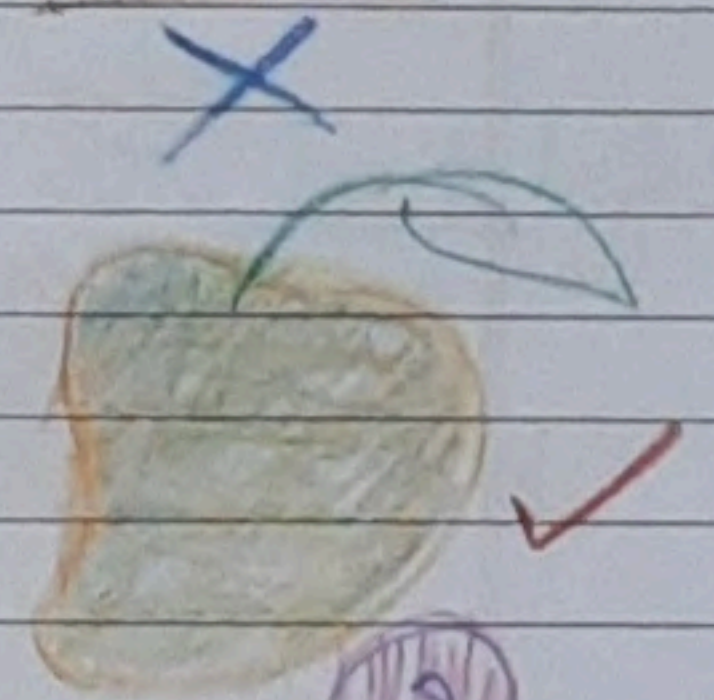

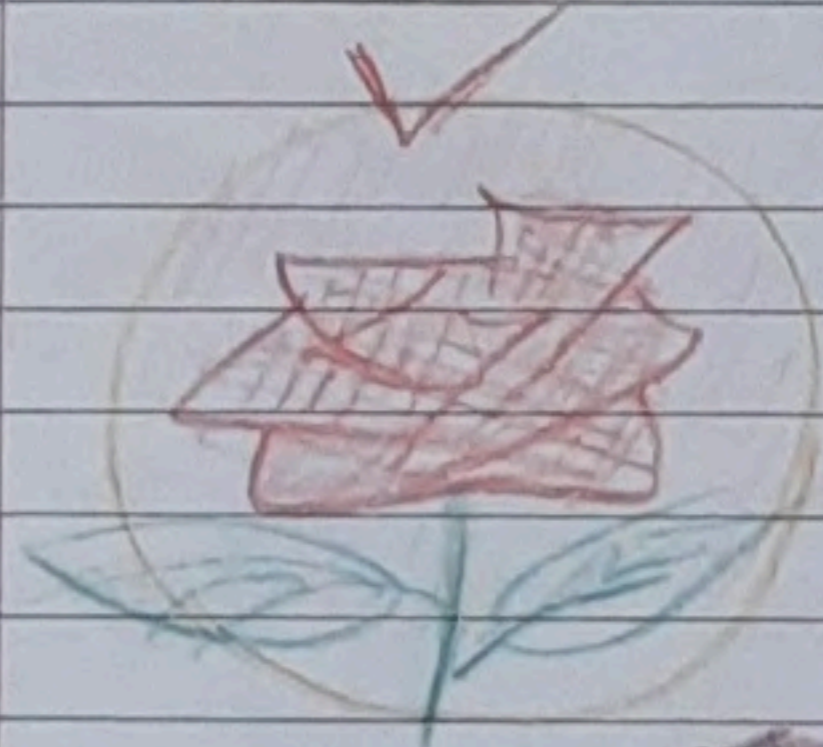

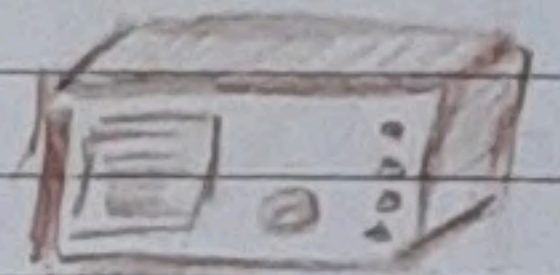

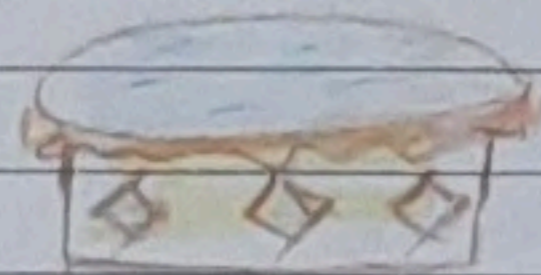

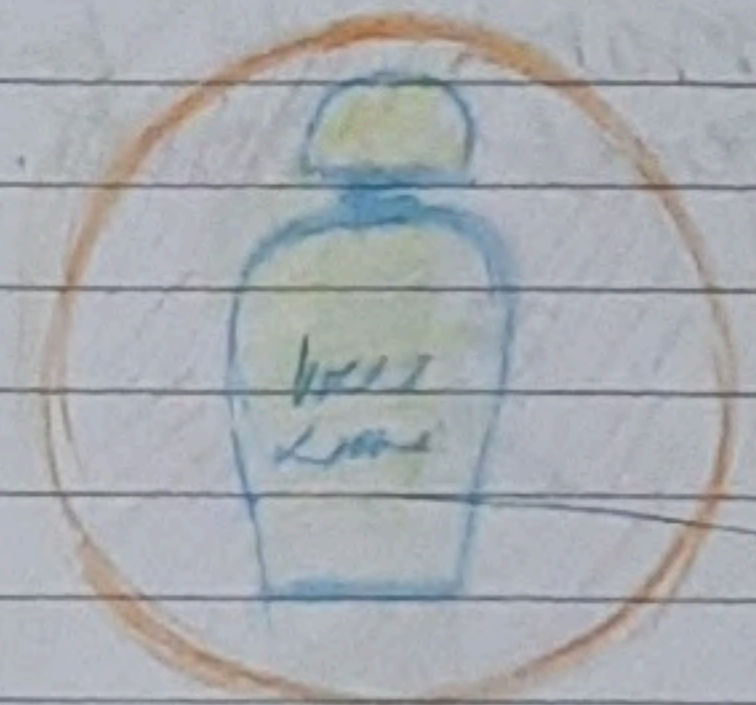

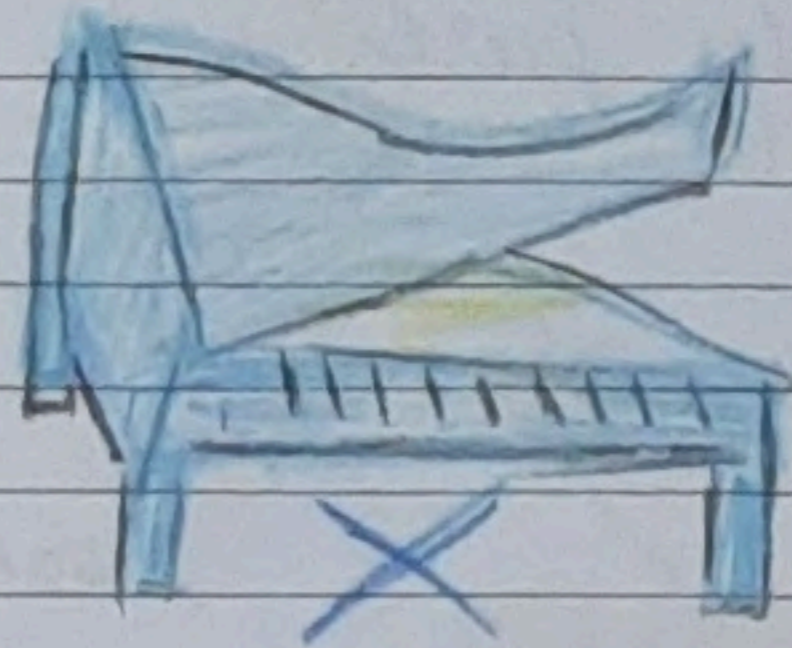

Neta is smelling the flowers with her nose.

Mary is reading a book with her lips.

Kirti is listening to music she is using her ear.

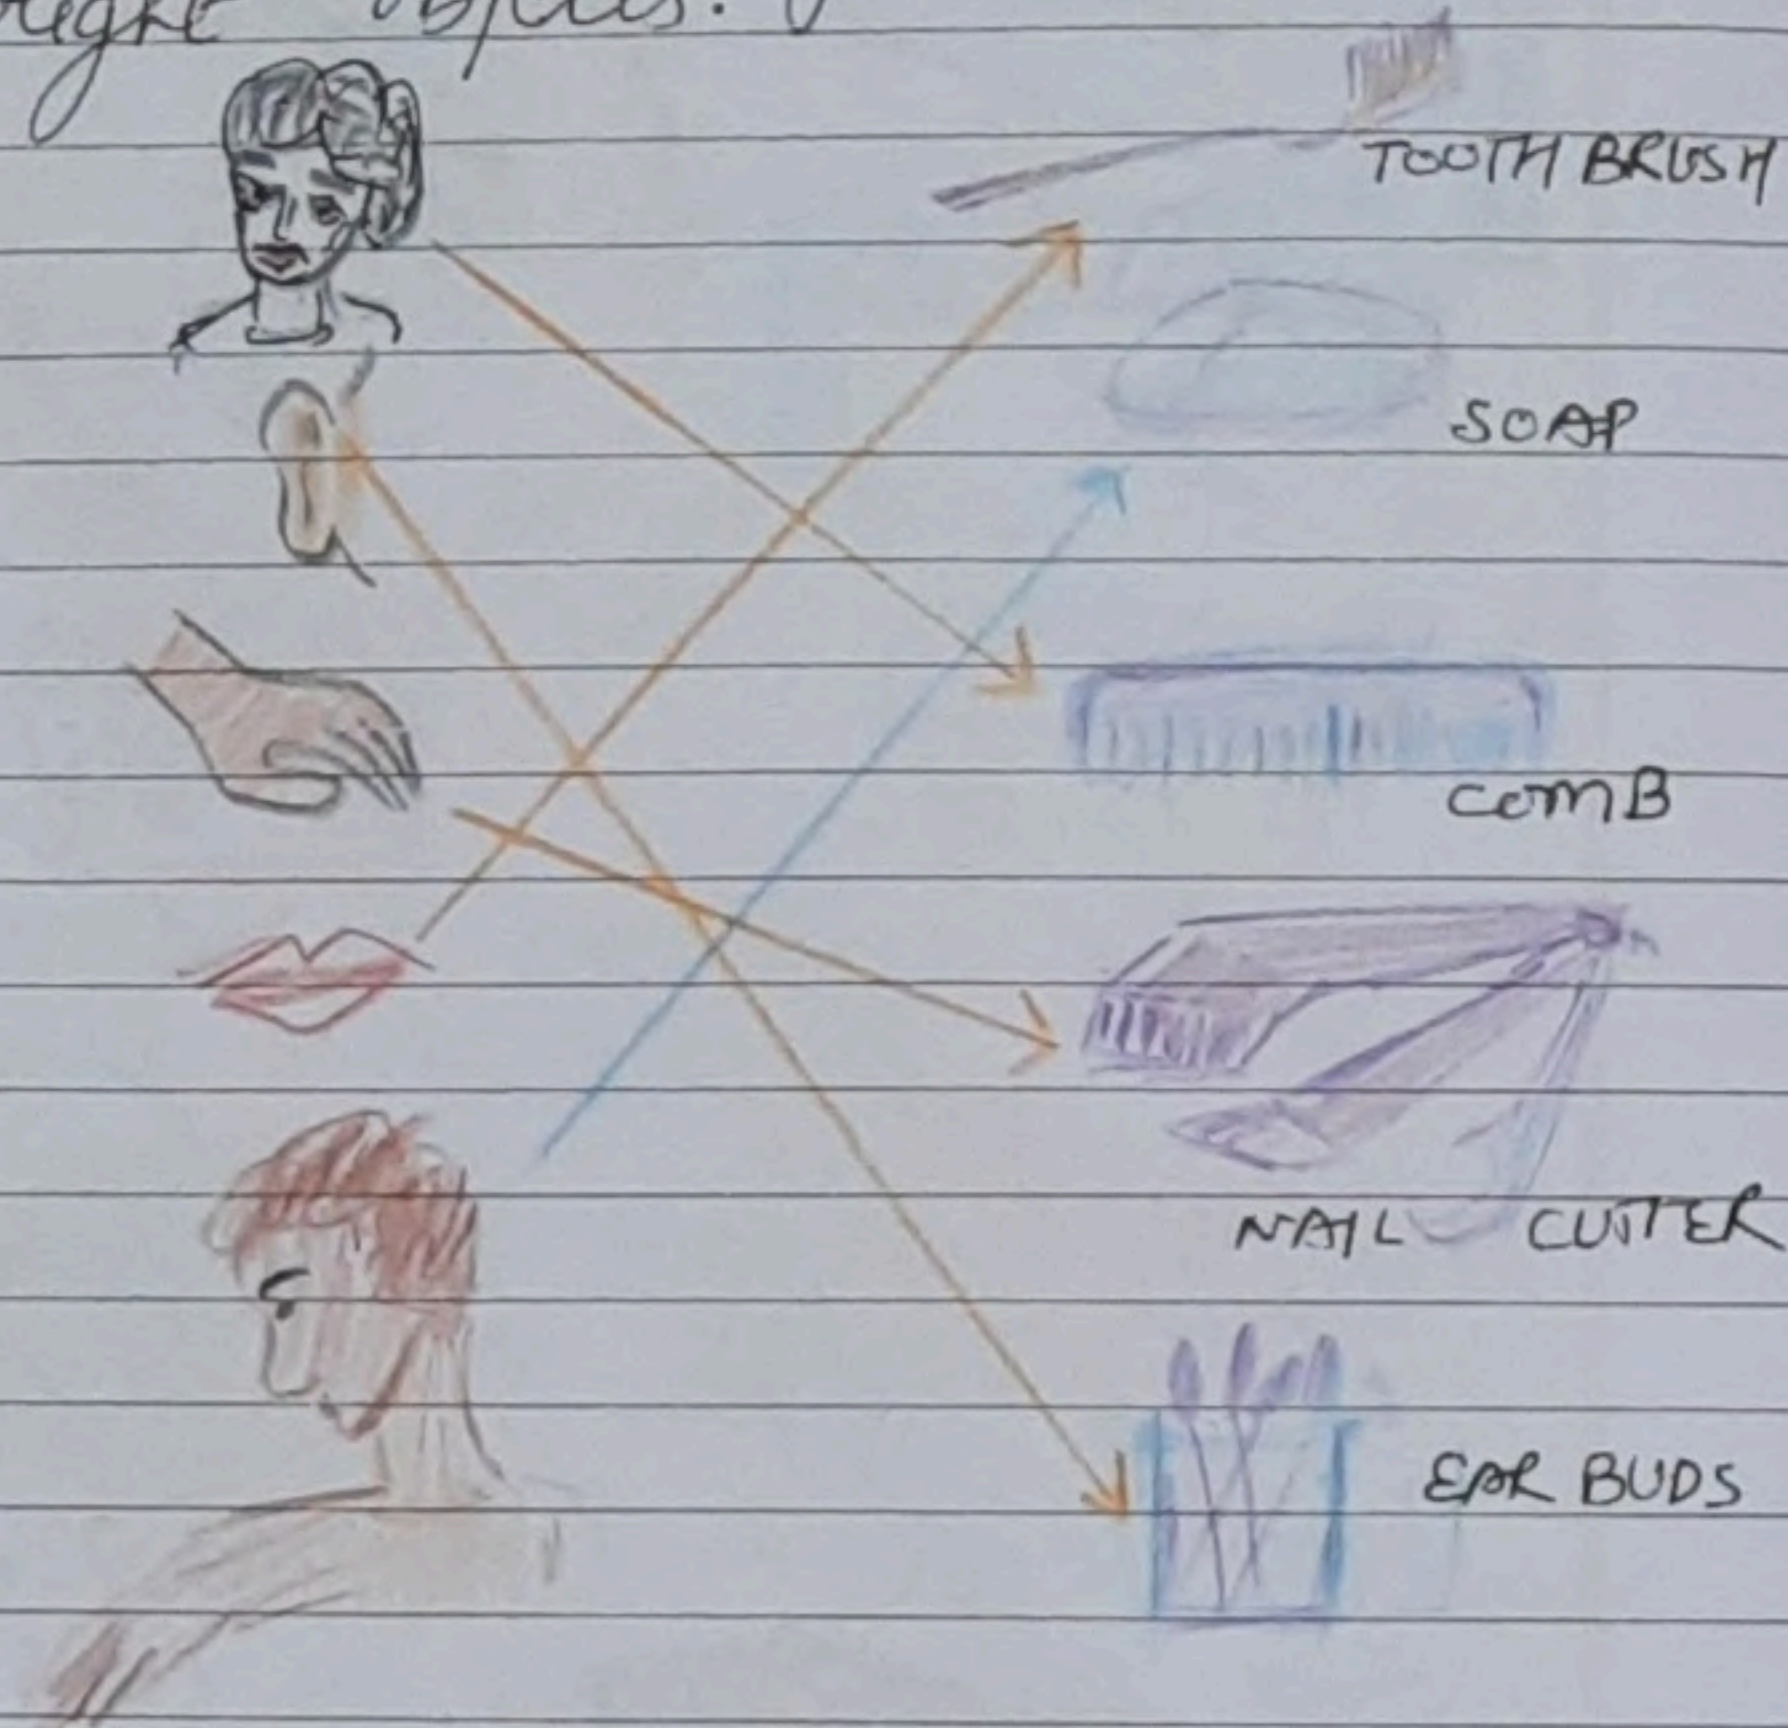

D. Look at the picture.
Cross the things which you can hear.
Tick the things you can taste.

Circle the things you can smell.

CLEANLINESS AND HEALTHY HABITS

Match the body parts with the right objects.

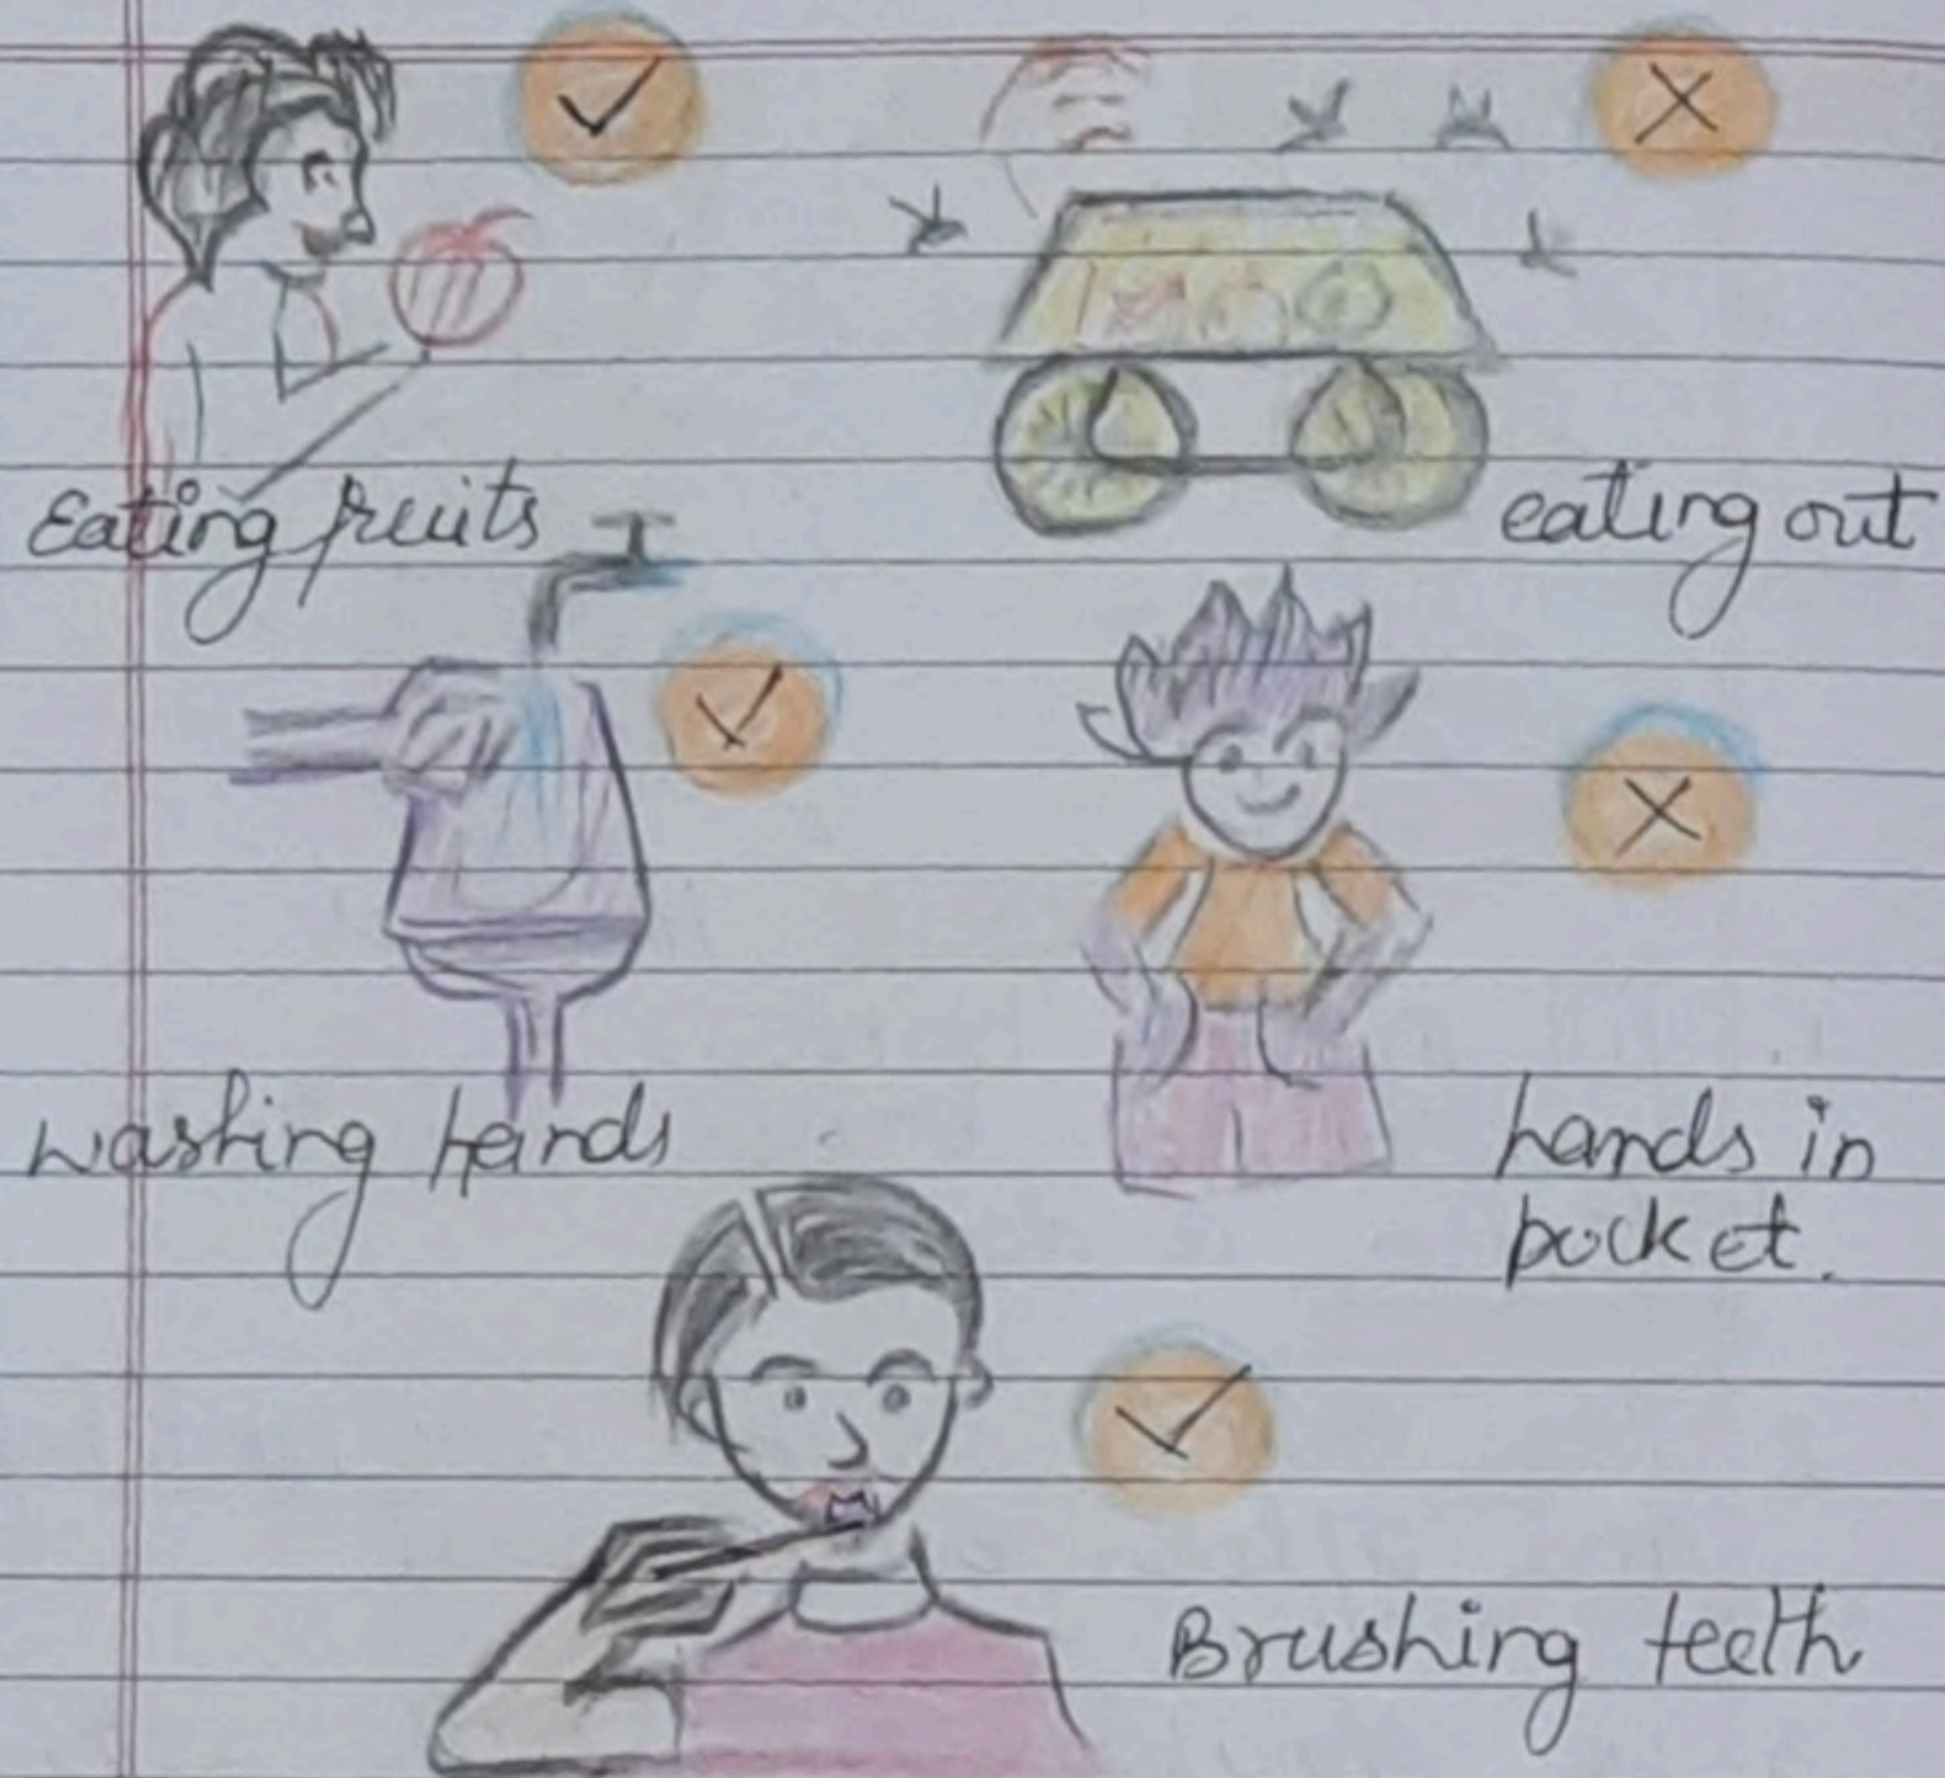

Look at these boys and tick the boy you think is healthier? Tell your partner why you think so.

EXERCISE Healthier

1. Fill in the blanks.
We should brush our teeth twice a day.
2. We should wash our hands before and after every meal.
3. We should take bath with soap and water.
4. We should keep our nails short.
5. Put oil in your hair regularly.

Tick (✓) the pictures, which show healthy habits. Cross (x) out the rest.

- c. Jot down five ways each by which you keep your body clean.
- Brushing teeth
 - washing hand before eating
 - Bathing daily
 - comb hair
 - use ear buds to clean ~~ear~~

- you keep your body healthy
- eating fruits
 - not eating out side
 - exercise regularly
 - getting early and sleeping early.
 - If sick, take medicines.

collect pictures from magazines and newspapers of things which are used to keep your body clean and healthy

for hair: use hair oil and shampoo.

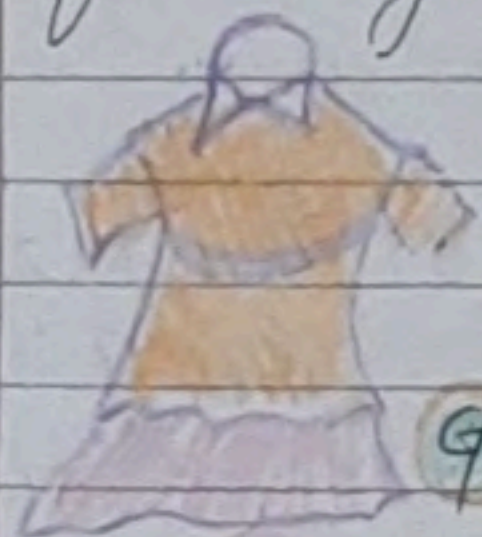

for skin. use cream, and sun block lotion.

for mouth: use tooth paste and mouth wash.

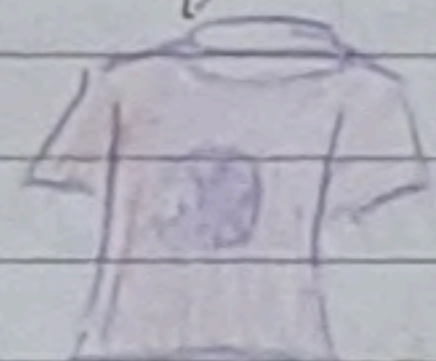

for face: use sun block, cream and face pack.

CLOTHES

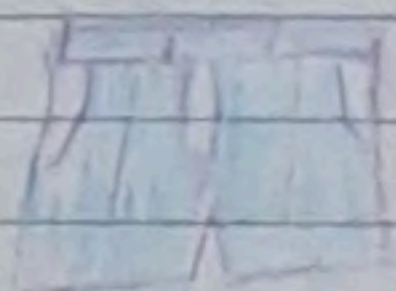

Name the clothes shown here, for each write G for girls and B for boys ✓ for both.

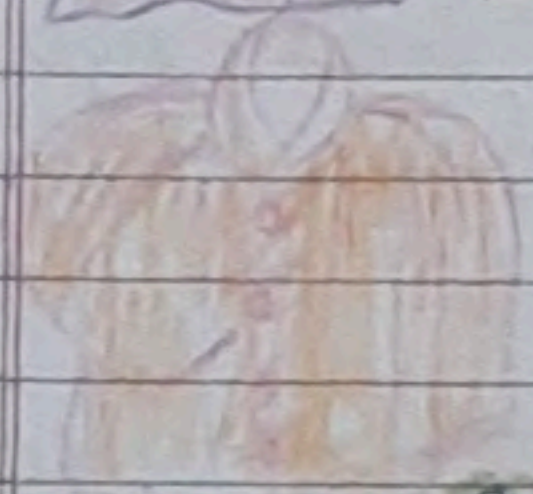

G

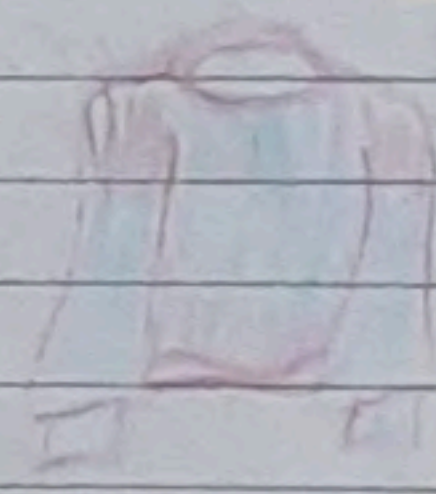

B

B

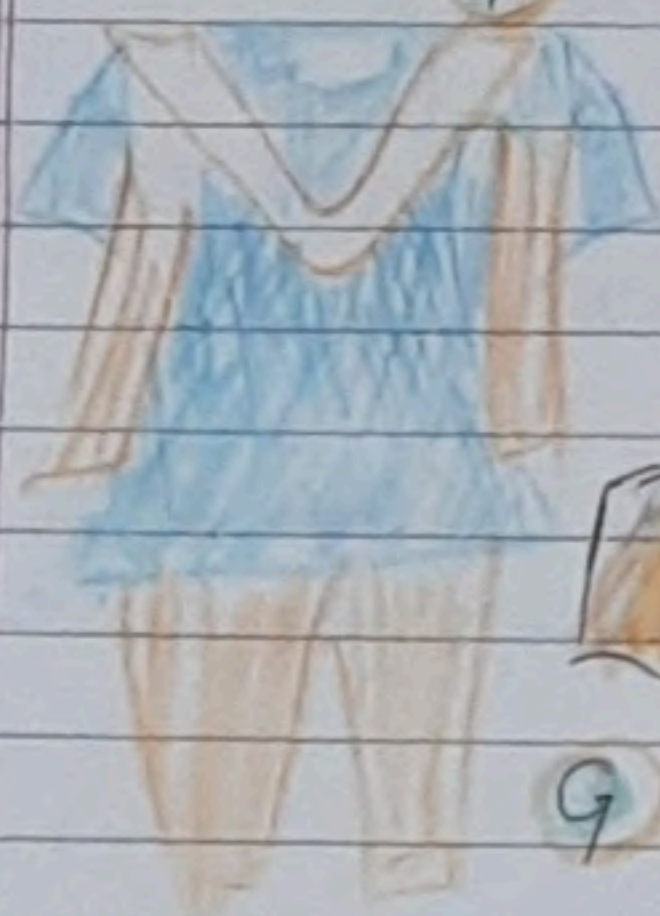

G

B

✓

G

✓

✓

B

EXERCISE

How do cotton clothes help us in summer?

Cotton clothes absorb sweat and keep us cool in summers.

Why do we wear woolen clothes in winter?

We wear woolen clothes in winter because they protect us from cold.

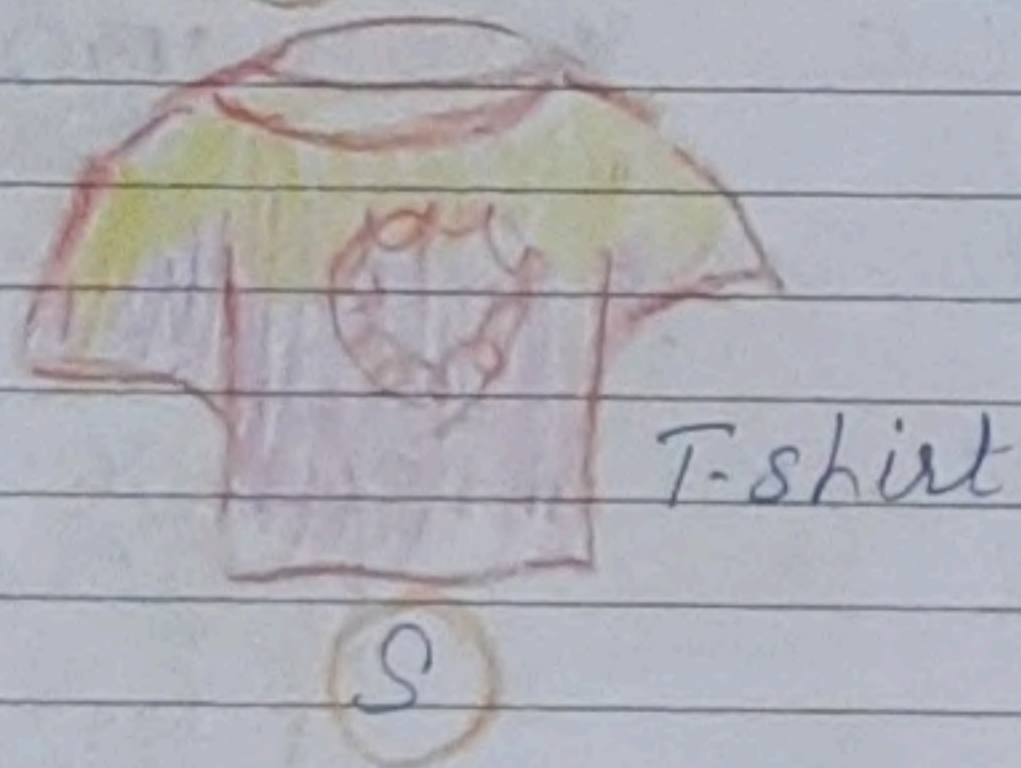

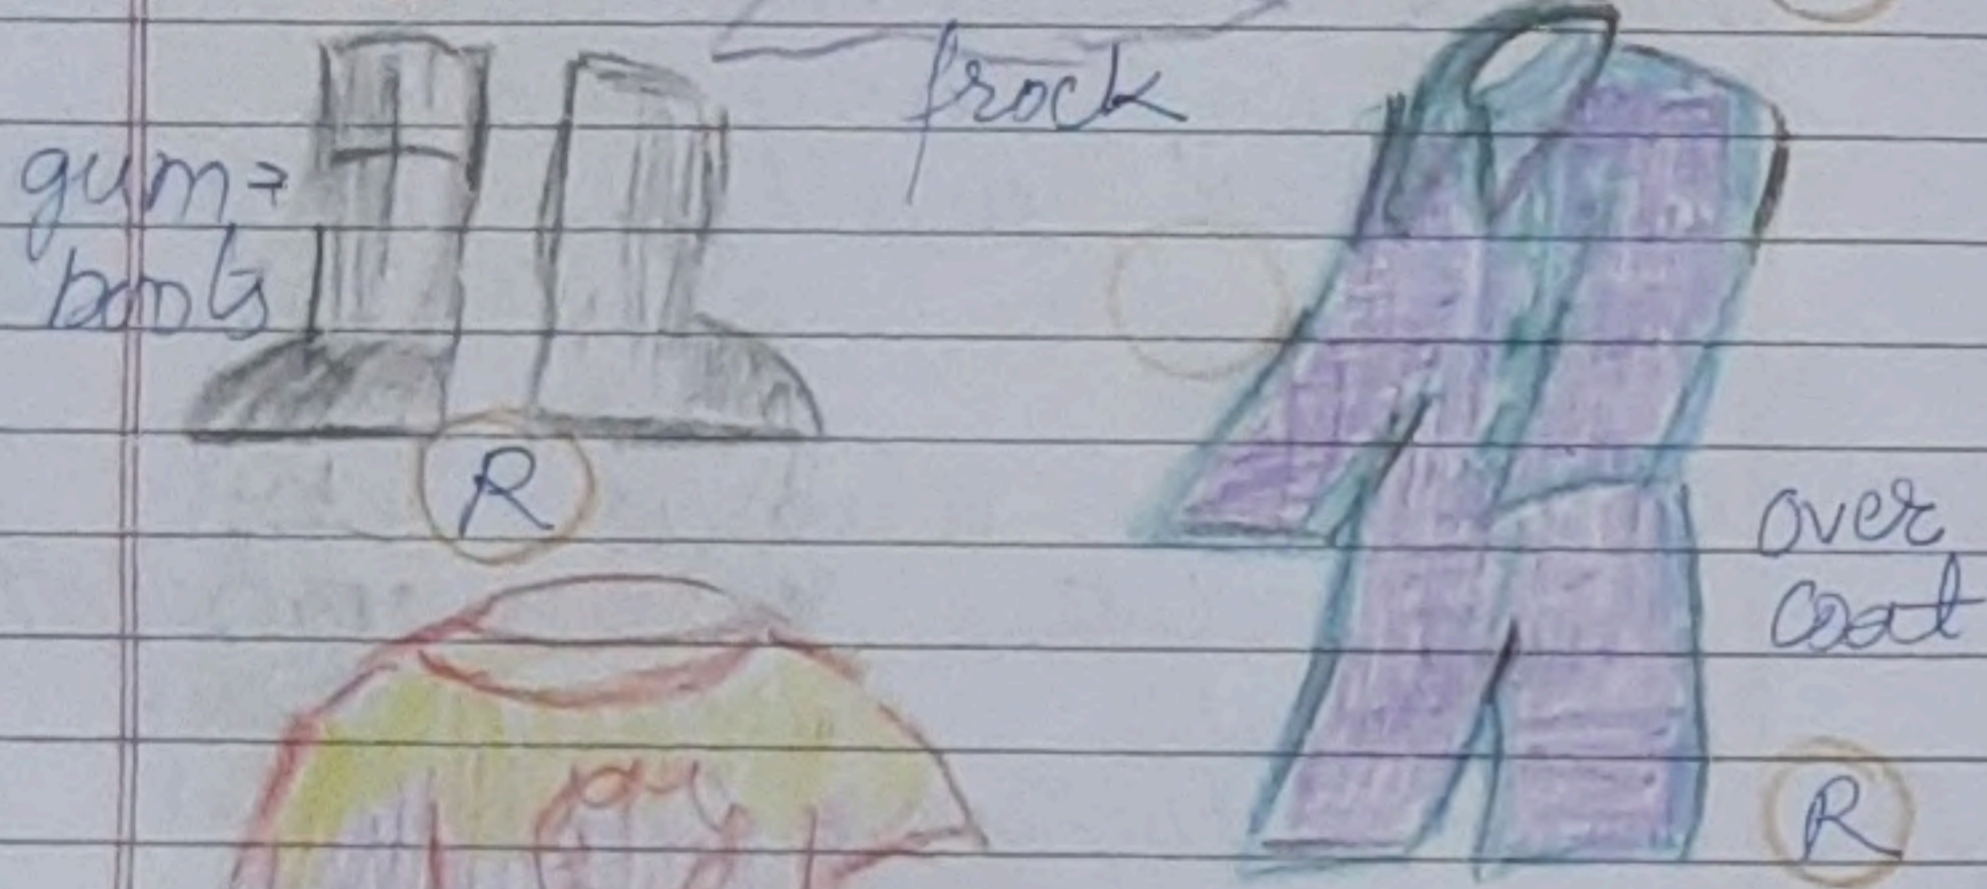

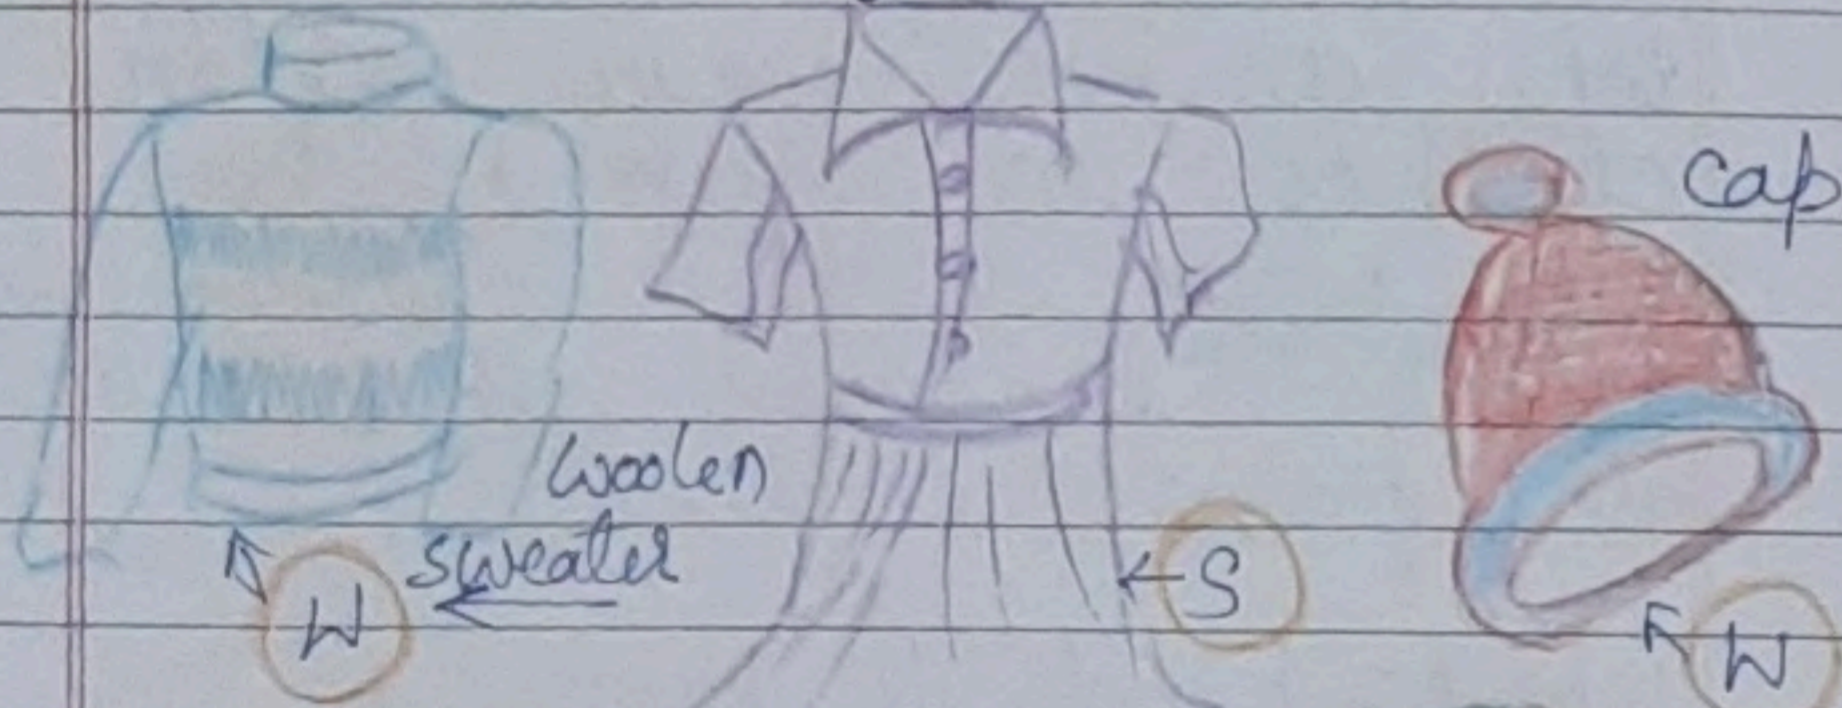

What kind of boots do we wear in rainy season?

We wear gumboots in rainy season.

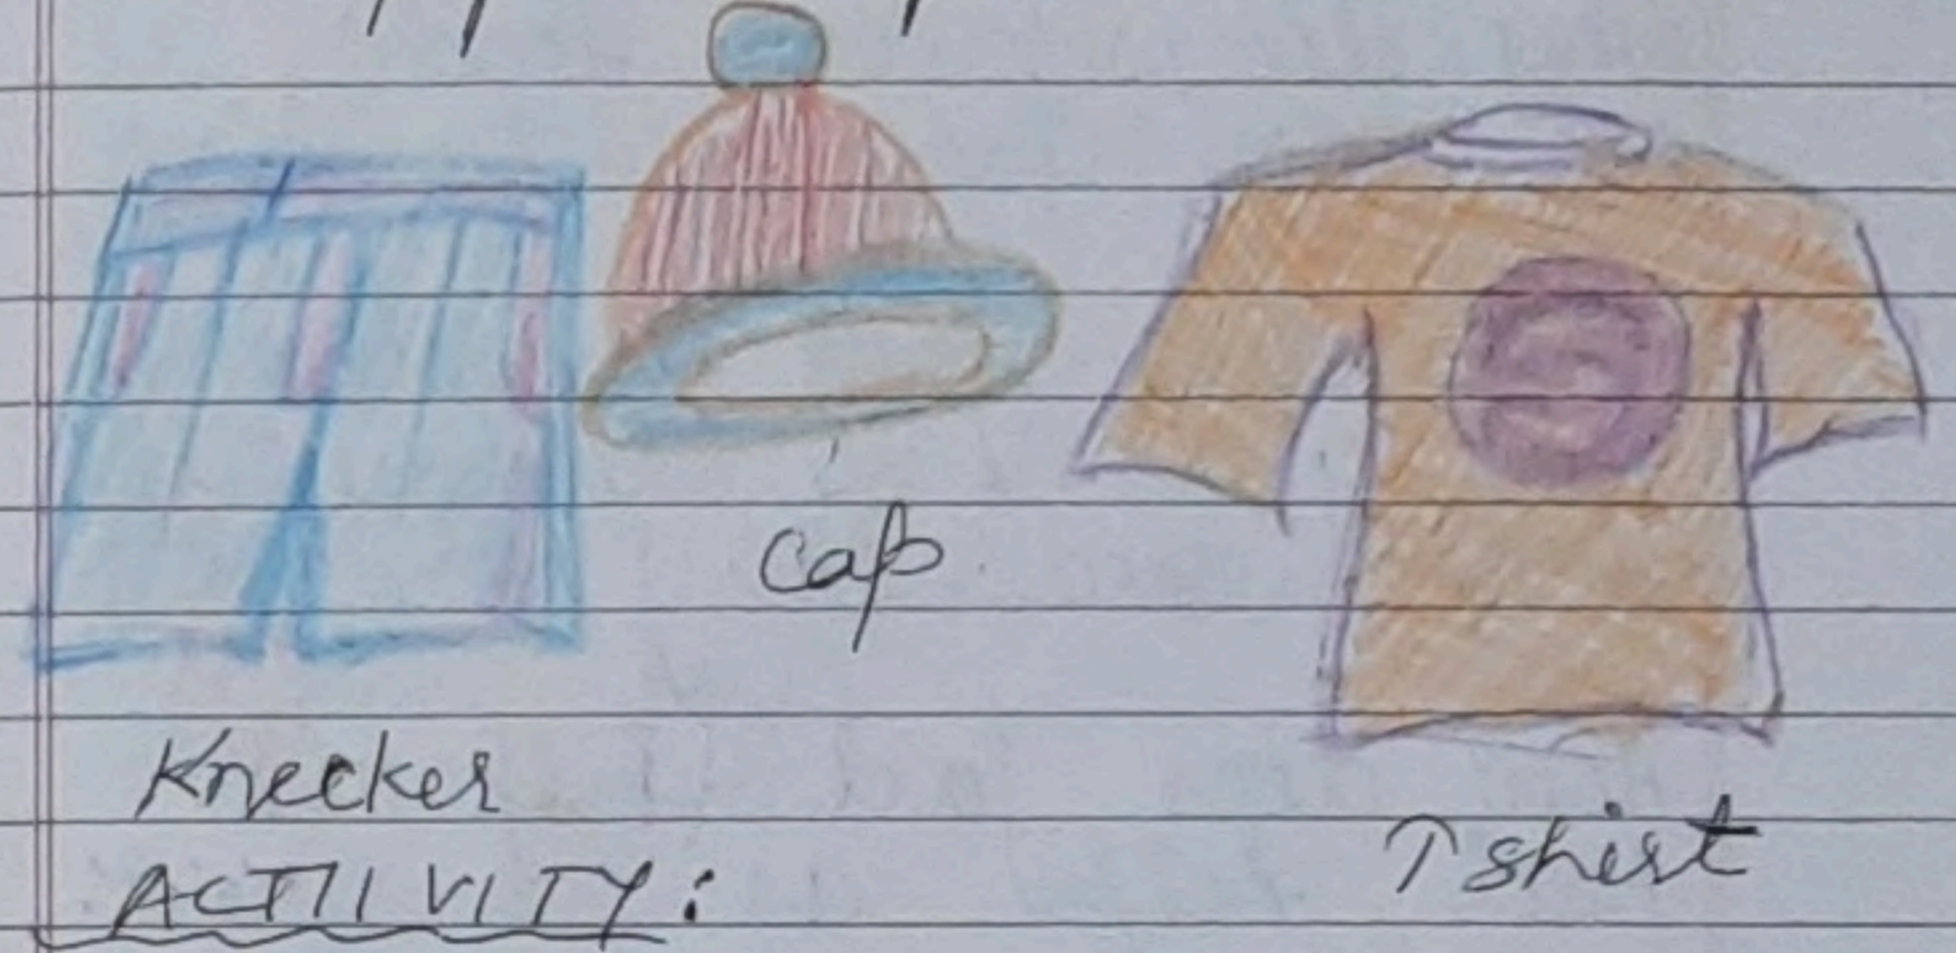

Should we always wear clean clothes or dirty clothes? We should always wear clean clothes.

What do you wear to school? We wear school uniform in school.

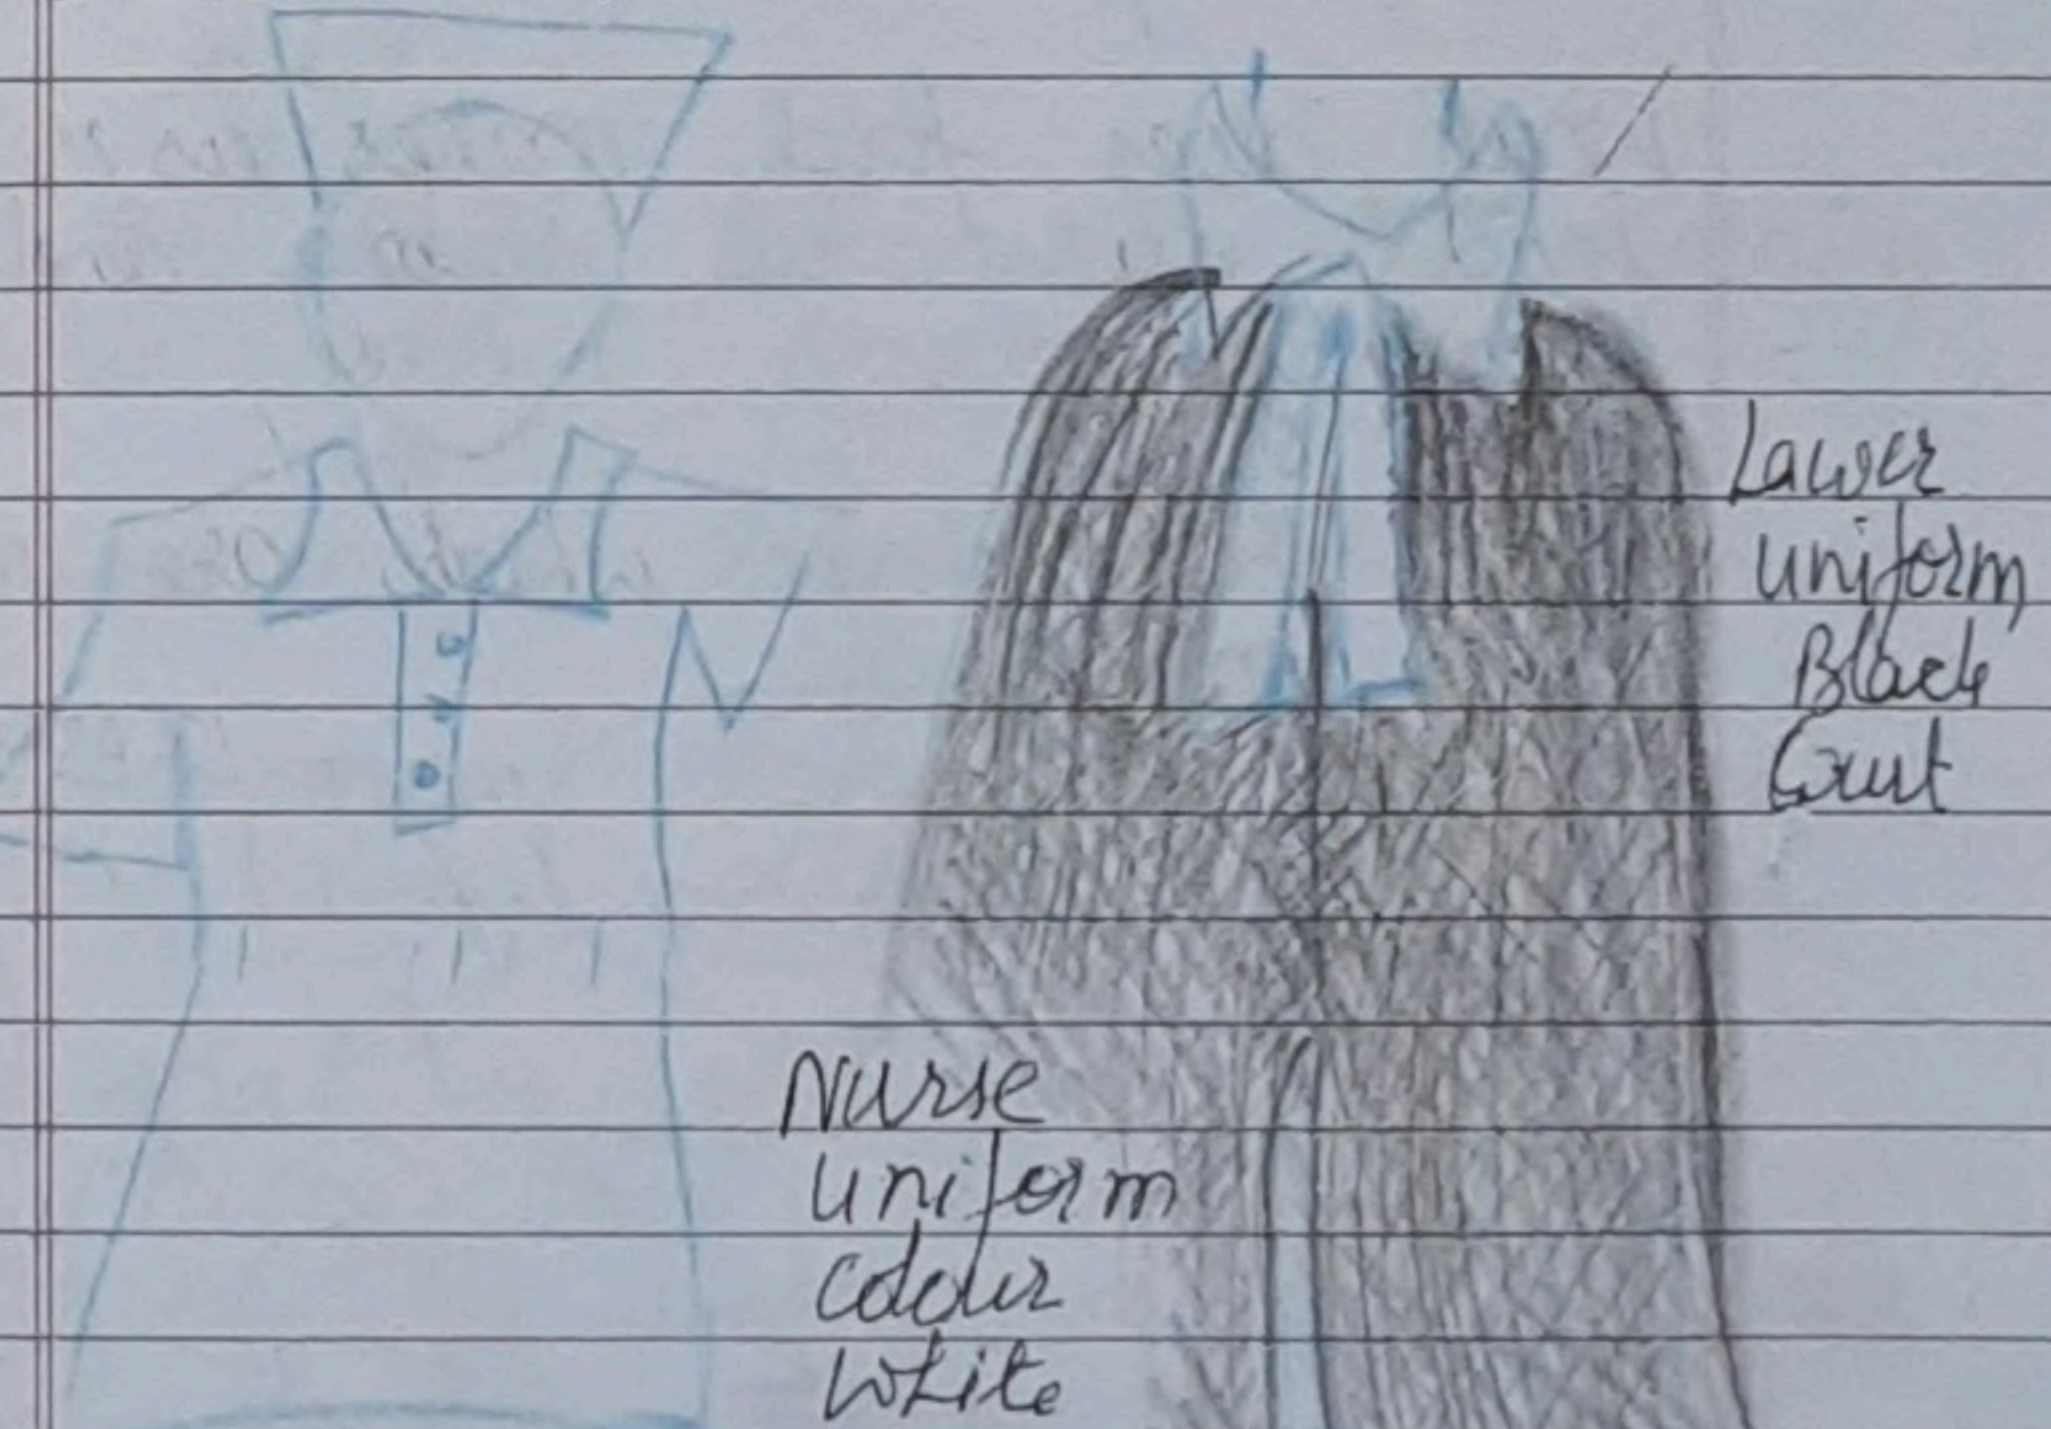

B. In which season do we wear these clothes? write (S) for Summer (W) for winter and (R) for rainy season.

What are your favourite clothes? Draw/paste pictures here.

ACTIVITY:

FOOD

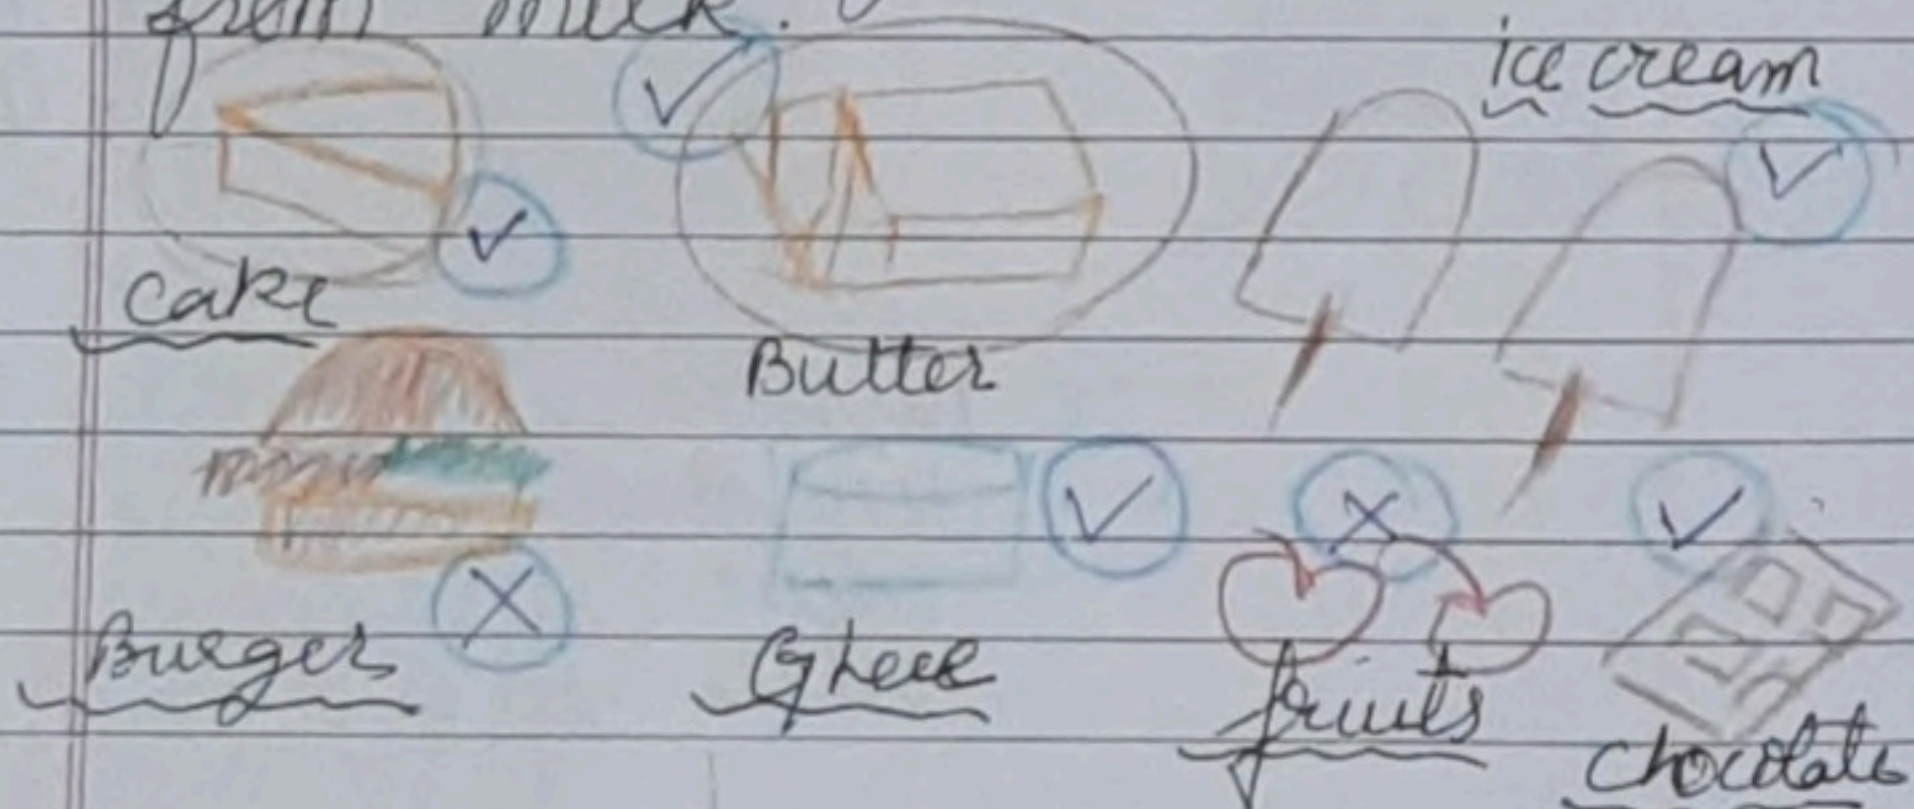

Why do we need food?
We need food to live

What does food gives us?
Food gives us energy to work and play

How does food help us?
Food helps us to grow.

What does food makes us?
Food makes us strong and healthy.

Tick the things which are made from milk.

How much water does we need?

We should drink at least 8 glasses of water.

How many meals are there in a day?

There are three main meals of the day.

Breakfast.

lunch.

dinner.

The meal taken in the morning is called breakfast.

The meal taken in the afternoon lunch.

The meal taken in the night dinner.

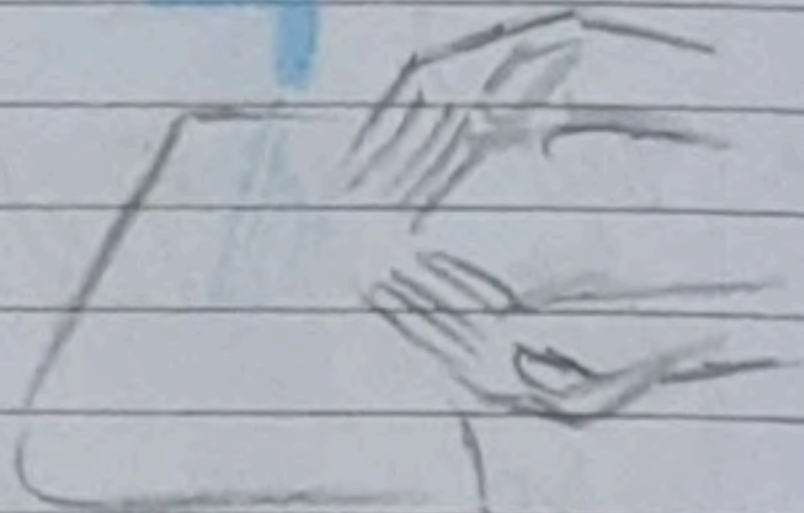

What is junk food?

These food items are not rich in substances which are good for our body.

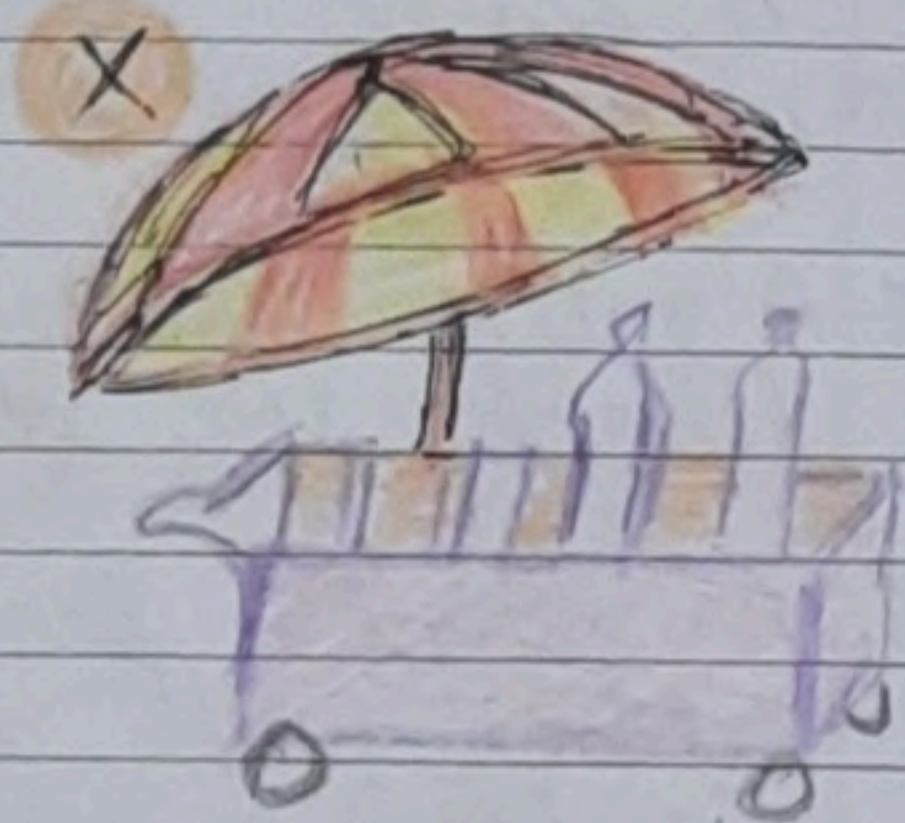

✓ DRINKING WATER

✓ WASHING HANDS.

EATING OUT.

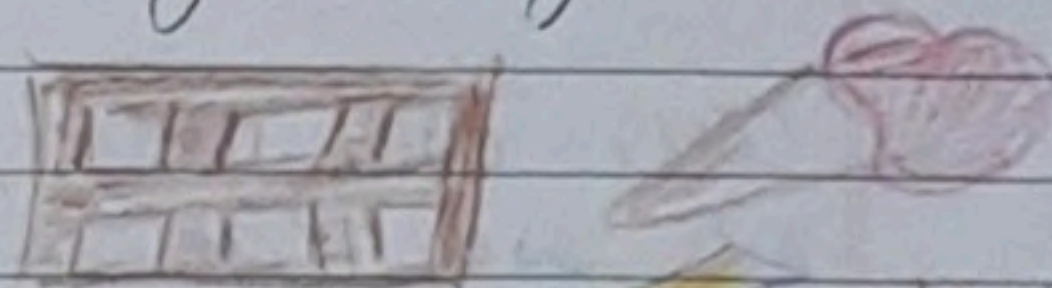

DRINKING OUT

- ① Always drink 8 glasses of clean water in a day.
- ② Wash your hands regularly.
- ③ Do not eat open food from vendors which is not clean.
- ④ Do not drink non purified water.

CHAPTER - ACTIVITY.

What are your favourite food items? Draw or paste pictures of two food items for each of the following categories.

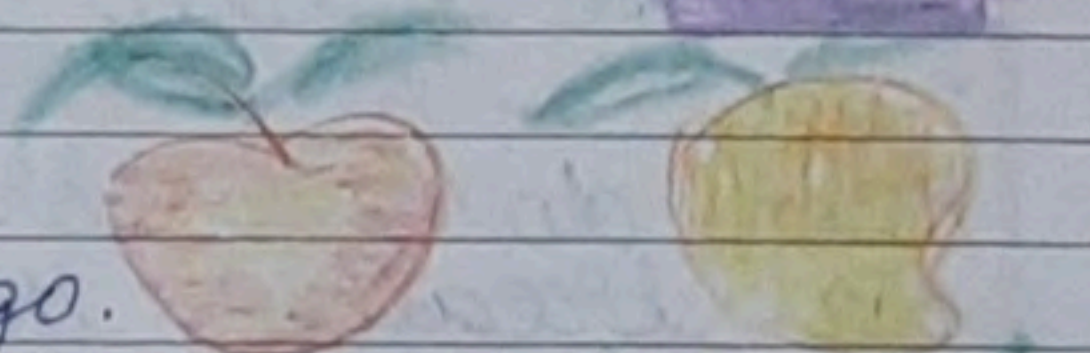

SWEET FOOD:
Chocolate
Ice cream

FRIED FOOD:
French fries.
Paneeer.

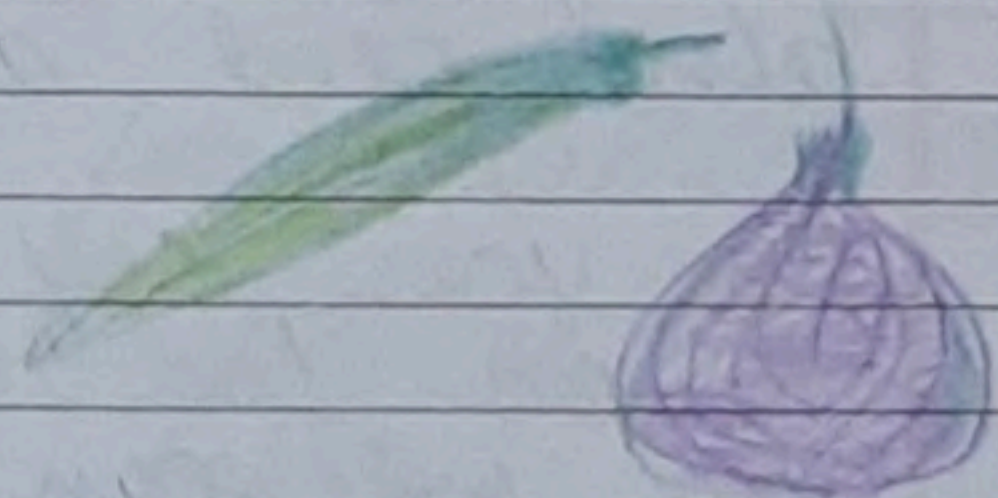

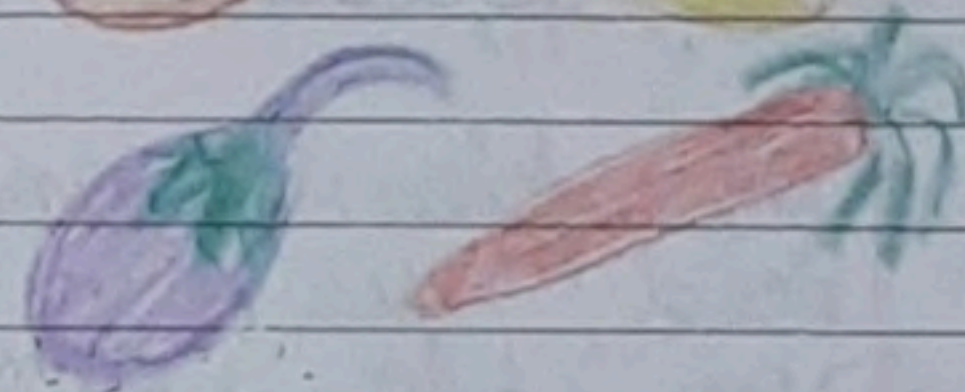

FRUITS:
Apple, mango.

VEGETABLES:

Brijjal
carrot.
ladyfinger
onion.

AIR

Where is air?

Air is all around us.

Can we see air?

No we cannot see air.

Can we feel air?

Yes we can feel air.

How do we breathe?

We breathe through our nose.

Do plants and animals also need air?

Yes plants and animals also need air.

Fan your self with newspaper
do you feel air?

Yes, we can feel air.

What are different uses
of air?

- 1 Air is used for burning.
- 2 We need air to fill in tyres.
- 3 We need air to dry clothes.
- 4 We need air to move sail boat.
- 5 To fly kite.
- 6 To run a wind mill.

Is air present in water?
Yes, air is also present in water.

EXERCISE

Write true or false

- 1 Air is all around us. True.
- 2 Chairs breathe in air. False.
- 3 Plants need air to live. True.
- 4 We need air for breathing. True.
- 5 We need not breathe in fresh air. False.

Why is air important?
Air is important because

We need air to breathe in.

Give any two uses of air.
To breathe
To move sail boat.

Why should we breathe in fresh air?
We should breathe in fresh air because it is unhealthy to breathe in dirty air.

Tick the things which need air.

<input checked="" type="checkbox"/> Bird	<input type="checkbox"/> Table	<input checked="" type="checkbox"/> Tiger
<input checked="" type="checkbox"/> Fish	<input type="checkbox"/> Baby	<input checked="" type="checkbox"/> Tiger
<input type="checkbox"/> Book	<input checked="" type="checkbox"/> Plant	<input checked="" type="checkbox"/> Bicycle

CHAPTER-9

SAFETY HABITS

What is the use of safety habits?
They help us to avoid accidents.

What are safety habits on Road.

- 1) Always walk on footpaths.
- 2) Use zebra crossing to cross the road.
- 3) Never play on the road.
- 4) Follow traffic lights.

What is the meaning of red light?
Red light means stop.

What is the meaning of yellow light?
Yellow light means wait.

What is the meaning of green light?
Green light means go.

What you should not do while travelling?
Never get out or into a moving bus.

Never lean out from a moving bus.

Always stand in a queue while getting out or into a bus.

In home we should be careful with?

Matchsticks, electric switches or appliances, sharp objects and we should not run on stairs.

Should we eat medicine on our own?

NO, we should not eat medicine on our own.

What is first aid?

If someone is hurt we give the person first aid.

EXERCISE

Match the accidents to its causes:

Cuts	→	Fire
Burns	→	Running on stairs
Falls	→	wires & plugs.
Electric shock	→	sharp objects.

Tick '✓' the right choice.

Always walk on the Road

Footpath

Zebra-crossing

Always cross the road.

At Zebra crossing

At middle of road

From anywhere you like

Which of these objects can give you an electric shock?

Iron

Water-tap

Peddy bear

Which of these lights mean go?

Red

green ✓
yellow ○

While waiting for the bus, stand.

In a queue ✓
Anywhere you want ○
In a circle ○

Fill in the blanks.

1. yellow light means 'wait'.
2. We should not play with matchsticks, electric switches or appliances.
3. Do not lean out of a moving bus.
4. Do not take any medicine on your own.
5. We should give first-aid to a person who is hurt.

TYPES OF HOUSES

Why do we need a house?
We need a house to live in.

What does a house gives us?
It gives us shelter. It protects us from heat, cold, rain and dust.

It also protects us from robbers and wild animals.

What are different types of houses?

Different types of houses are

1. Flats / Apartments.
2. Bungalow
3. Cottage
4. Hut
5. Tent
6. Igloo.

What is Kutcha house made up of?
Kutcha house is made up of straw, mud and bamboo such

houses are found in villages.

What is a pucca house?

Pucca house is made up of bricks cement, steel and many other materials.

What is a houseboat.

Some houses float on water, these are called houseboats.

What is a caravan.

Some houses can be moved from one place to another they are built on wheels and are called caravan.

EXERCISE

A What type of a house do you live in?

1) Is it a big or a small house?
Big house

2) Is it a kutcha or a pucca house?
Pucca house.

Is it a flat or a bungalow?
It is a bungalow.

How many rooms are there in your house?
There are ten rooms in ~~our~~ house.

Find out and write the names of any three things used in building your house.
Bricks, steel, cement, sand wood. etc.

B Unjumble the names of things used in building a house.

TELES : STEEL.

ONOD : WOOD.

EEMNCT : CEMENT.

RKICBS : BRICS.

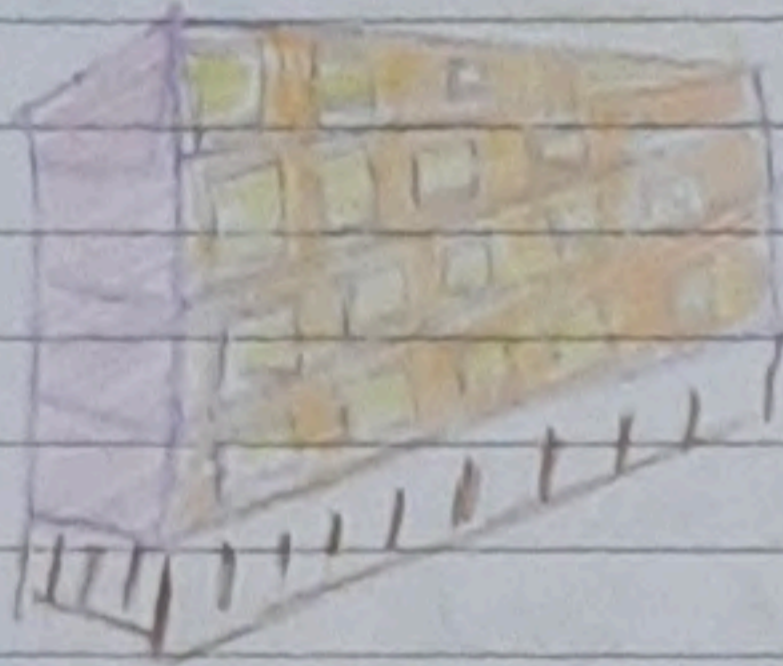

MAOBBO : BAMBOO.

C. Name the following houses.
: Tent

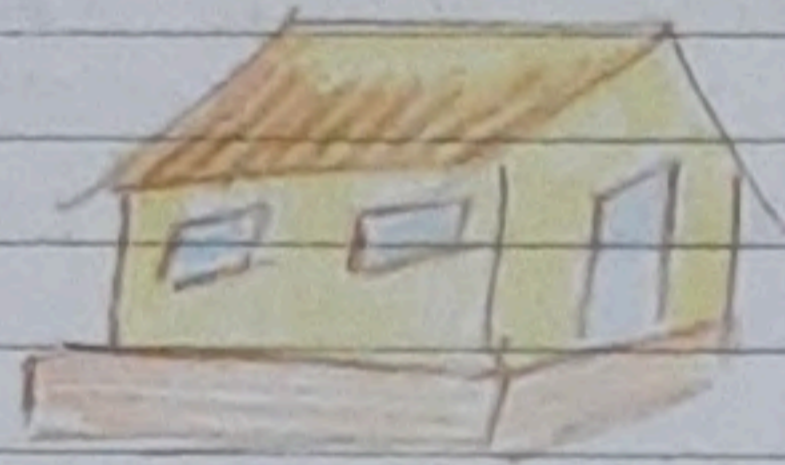

Igloo.

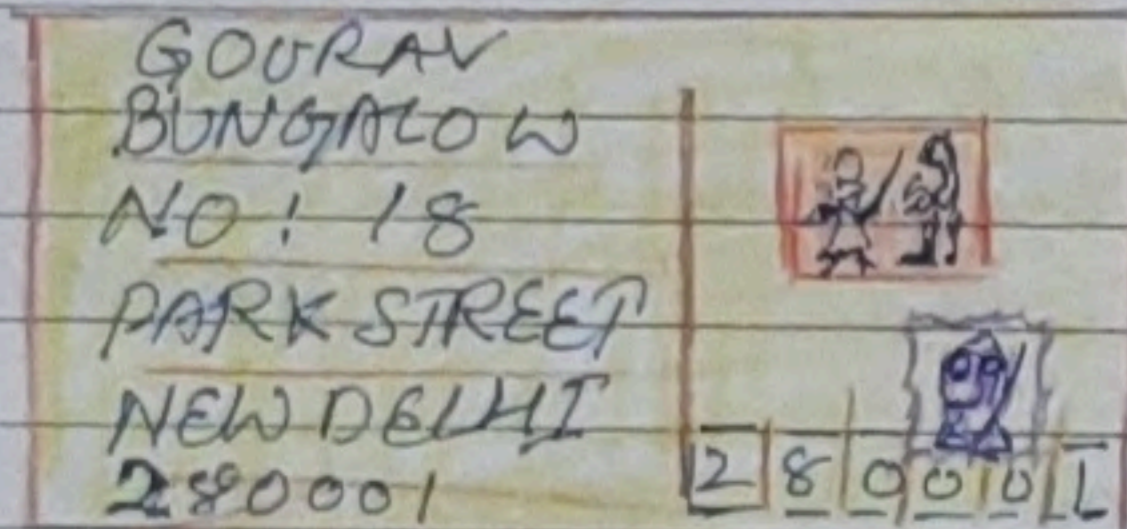

Flat

Hut.

2. write your address on this envelope.

PARTS OF A HOUSE

Fill in the blanks.

- 1) we sit and talk with our guests in the drawing room.
- 2 we sleep in the bedroom.
- 3 we eat our food in the dining room.
4. we take bath in the bath room.
5. we cook our food in the kitchen.
- 6 we store things in the store room.

What is an ideal house?

An ideal house is one which is

- 1) Neat and tidy.
- 2) Has window for fresh air and sunlight.
- 3) Has an open space.

EXERCISE

Activity

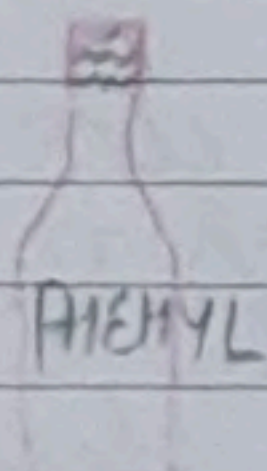

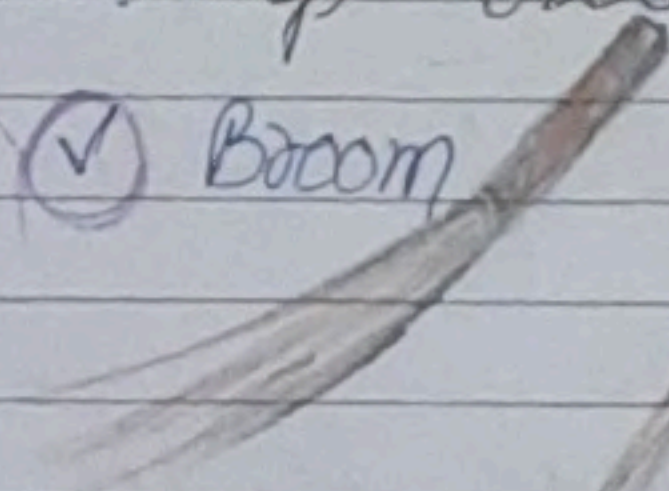

In which of these two rooms would you like to live.

Tell your partner.

I would like to live in the first room because it is neat and tidy and every thing is in proper places.

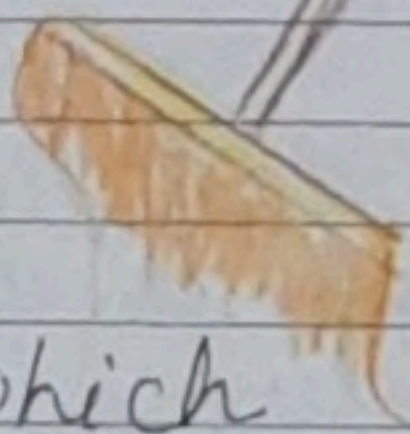

Tick the things which help us to keep our home clean.

Broom

Phenyl

Mop

In which part of house do you:

Sleep : Bed Room

Make food : Kitchen

Receive guests : Living room.
Eat : Dining room.
Take bath : Bath room.

Match the object to the room it belongs to.

Bed	Bed room
Pressure cooker	Kitchen
Dining table	Dining room
Bath tub	Bath room
Sofa set	Drawing room.

Look at the bunny bear's house, write who is sitting in which room.

Mother bear is cooking in the kitchen.

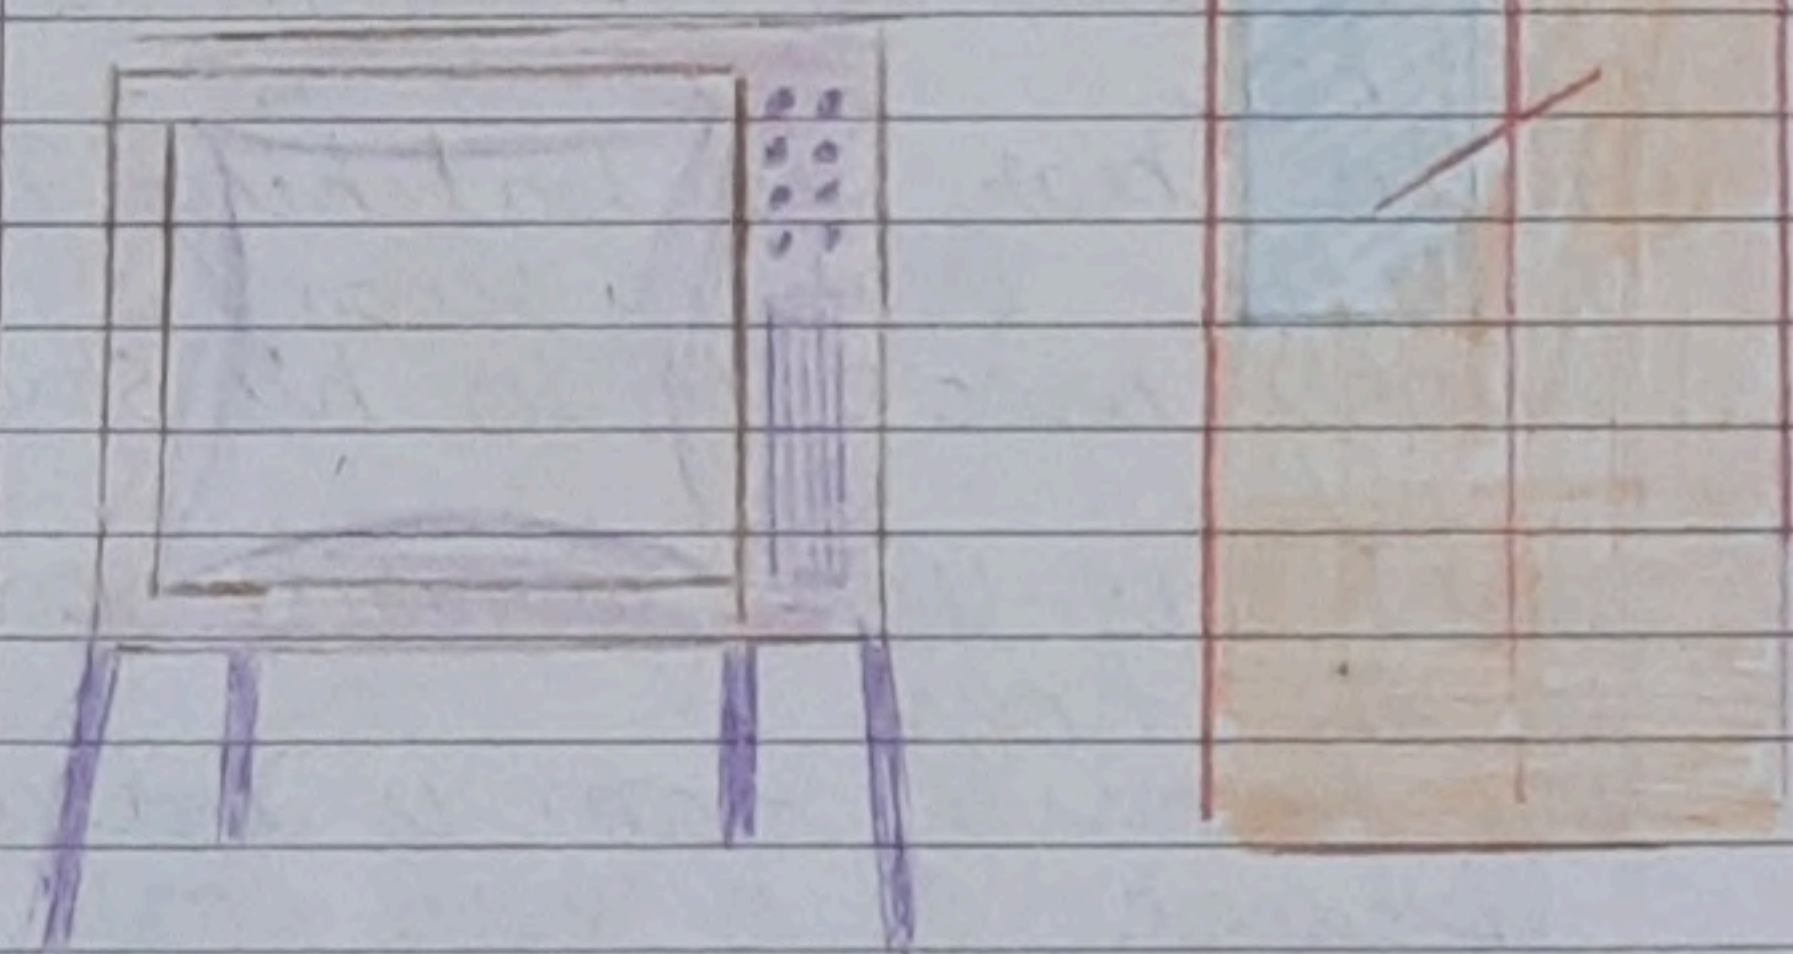

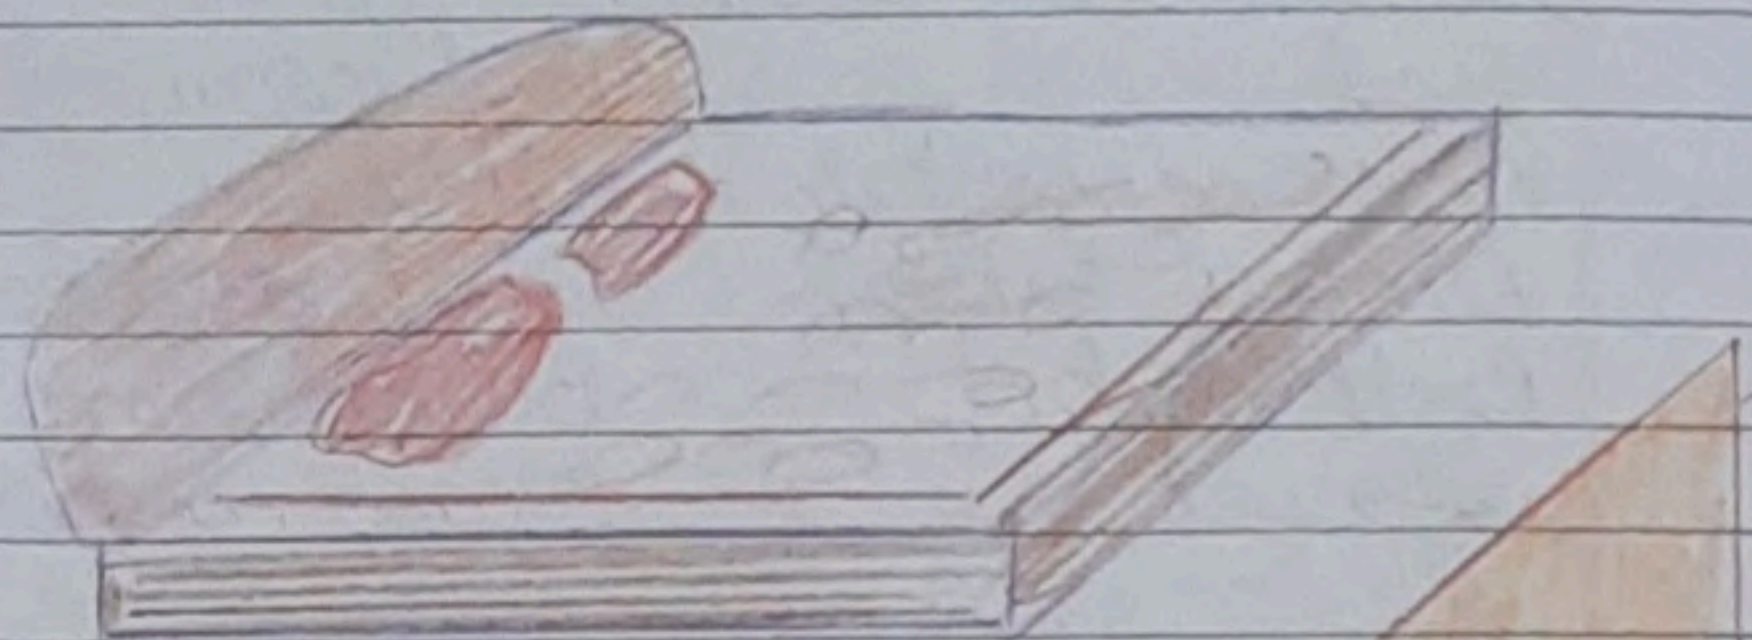

Father bear is watching TV in the drawing room.

Bunny bear is in his study room.

Which is your favourite room in the house

My favourite room is bedroom because, it is very cozy

It has a large bed and large almirah where I keep my things.
It also has a television where I watch my fav cartoon.

CHAPTER - 12

MY SCHOOL

What is Gurukul?
In old days there were schools where students stayed with their teachers in the school itself and would return after completing their studies.

What do we learn in school?
We learn read and write.
We learn draw and paint.
We learn good manners.

Fill in the blanks

- 1) We learn to draw and paint in the school.

EXERCISE

- 2) We make new friends at school.
- 3) We should not throw papers around in our school.
- 4) We should keep our school clean.

5. I love my school.

Complete the information about your school.

1 My school is situated at Indra colony.

2 My school is big.

3 I go to school by bus.

4 I have many friends in school.

5 My favourite teacher is Mrs....

Write three things that you enjoy doing at school. Also list three things you don't like to do in school.

I like to:

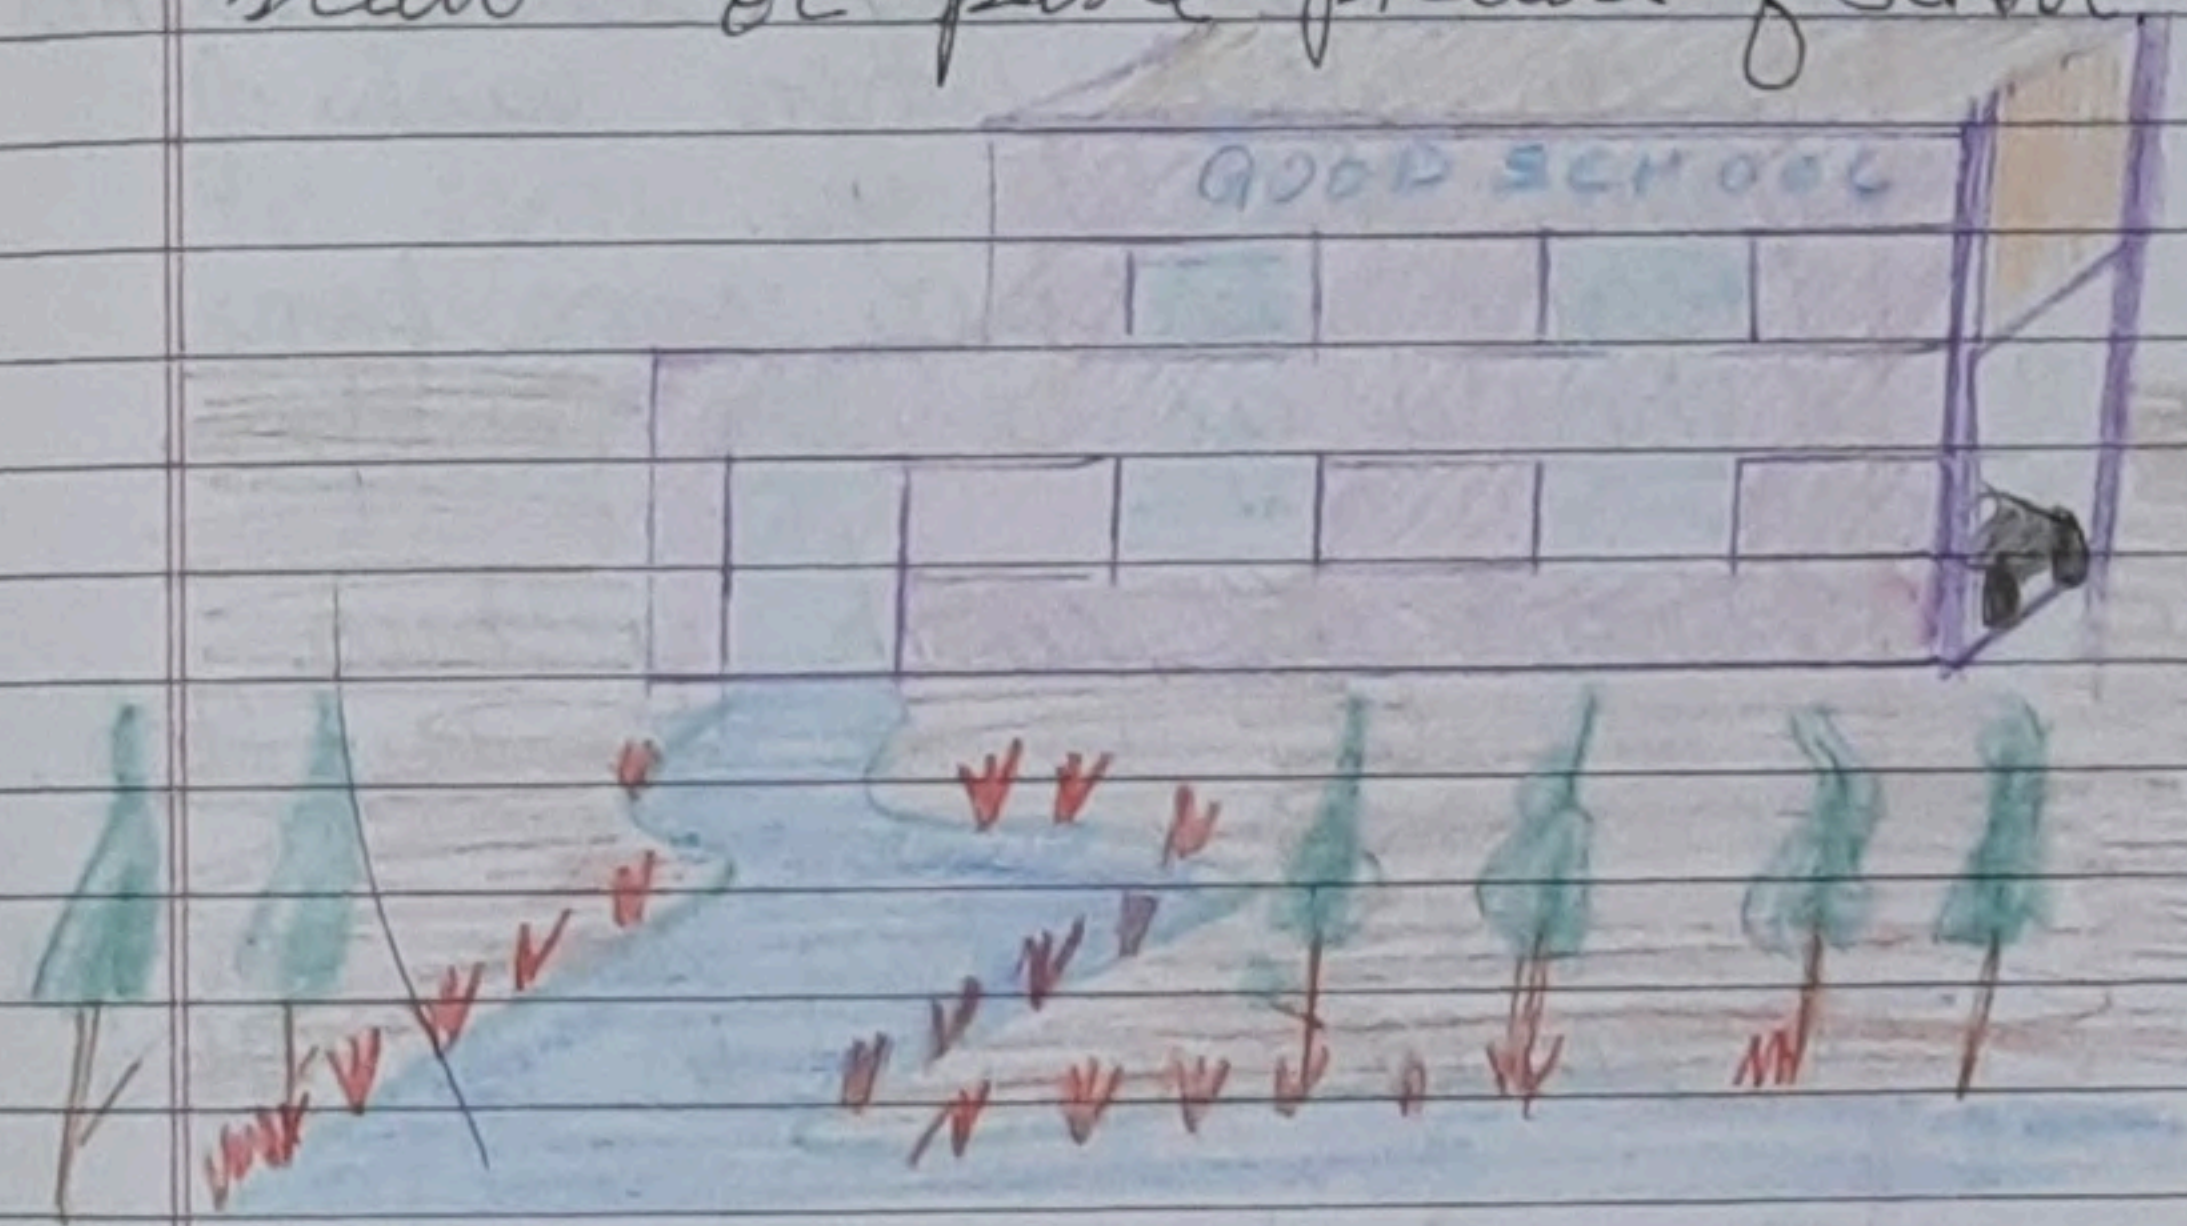

- ① play with my classmates in play ground.
- ② I like to share my lunch with friends.

I like to sing prayer in morning assembly.

I don't like to:

- ① I don't like to go school daily.
- ② I don't like to carry heavy bag to school.
- ③ I don't like to study in free period.

Draw or paste picture of school

MY NEIGHBOURHOOD

EXERCISE

Look at the picture and tick the places which are near your home.

Places near my home are

- ① Bus stop.
- ② Post office.
- ③ Grocery shop.

Read what each child wants to do. Write where each of them should go.

I want to buy some pens.
I should go to the shop.

I want to catch a bus.
I should go to the bus stop.

I want to buy some stamps.
I should go to the post office.

I want to report about a fire.
I should ring up the fire station.

I want to report a theft.
I should go to the Police station.

Unjumble the letters to get the names of some important neighbourhood.

OPTSFFOIEC : POST OFFICE.
ANBK : BANK.
ARMTEK : MARKET.
PLIOCE TASIOMT : POLICE STATION.
IREF'SIONTAT : FIRE STATION.

Do you know who all live in your neighbourhood?

SNO.	Neighbour's name	Occu - pation	Total mem	Ph #
1	Mr. Sharma	Banker	6	7832
2	Mr. Albert	shops owner	10	3286
3	Mr. Ankush	C.A.	2	3924
4	Mrs. Gupta	Teacher	1	3982

PLACES IN MY NEIGHBOURHOOD

Why do we go to market?
We go to market to buy things.

Why do we visit post office?
We visit post office to buy stamps, letters and post cards.

Why do we go to Hospital?
When someone is sick, he is admitted in a hospital.

What happens in a hospital?
In a hospital, there are many doctors and nurses who take care of the patients.

What does police do?
The policemen protect us from thieves and robbers.

What is the colour of uniform

of police?
The colour of police uniform is khaki.

EXERCISE

Where do you go when you are sick?
We go to a hospital.

Who takes care of the patients in a hospital?
Doctors and nurses take care of patients.

Where would you go to buy grocery?
We will go to market to buy grocery.

Where do you go for a haircut?
We will go to a barber shop.

Where would papa go to buy medicines?
Papa will go to a chemist shop to buy medicines.

Write the names of six different shops you can see in the market in your locality.

Barber shop.
Chemist shop.
Cycle repair shop.
Milk shop.
Sweet shop.
Tailor shop.
Grocery shop.
Furniture shop.

Learn the phone numbers of the following.

Nearest hospital : 203506

Nearest doctor : 209832

Nearest fire station 209999

Your residence : 205392

CHAPTER - 15

PEOPLE WHO HELP US

Who are Helpers?

There are many people who help us in your daily lives. They are called helpers.

Who is a postman?

The man who delivers our letters and telegrams at our doorsteps are called Postman.

Who is a tailor?

The man who stitches clothes for us. is called tailor.

Who is a Doctor?

The person who cures us. When we are sick.

Who is a policeman?

The man who protects us from thieves is called Police.

Who is a guard.

At home, the guard protects and takes care of our house

Who is a maid?
Maid provides domestic help at home.

Who is a teacher?
At school, teachers teach us many new things and good manners.

Who is a gardner?
The gardner takes care of our garden.

Who is a peon?
Peon is a person who does many jobs for us.

Who is a Principal?
The principal takes care of the whole school

Exercise
Who helps us?

EXERCISE

In stitching our clothes tailor.

When we are ill: Doctor

By growing food for us, farmer

In delivering our letters postman.

By protecting us from thief Policeman.

Match the person with the tool?

Doctor

Pistol

Police

sewing machine

Farmer

plough

Tailor

stethoscope

Gardner

shovel

What would you like to be when you grow up? Paste a picture and write a line on it.

When I grow up I would like to be Prime Minister.

I will make India a good country with equality among people.

Thank-you Mamma

- ① For waking me up every morning.
- ② For helping me to get ready for school.
- ③ For preparing delicious food for me.
- ④ For helping me with my studies.

Thank-you Papa

- ① For buying books and clothes for me.
- ② For bringing home money.
- ③ For taking me to picnic.
- ④ For loving and caring me.

Thank you Grandma

- ① For telling me stories, when I sleep.
- ② For knitting sweater for me.
- ③ For taking me to temple.
- ④ For taking me to doctor when I am not well.

Thank you Grandpa

- ① For taking me to park for a walk with you.
- ② For helping me learn cycling and swimming.
- ③ For teaching me about trees and plants.
- ④ For taking me to bus stop on time, so I can go to school every day.

Thank you sister

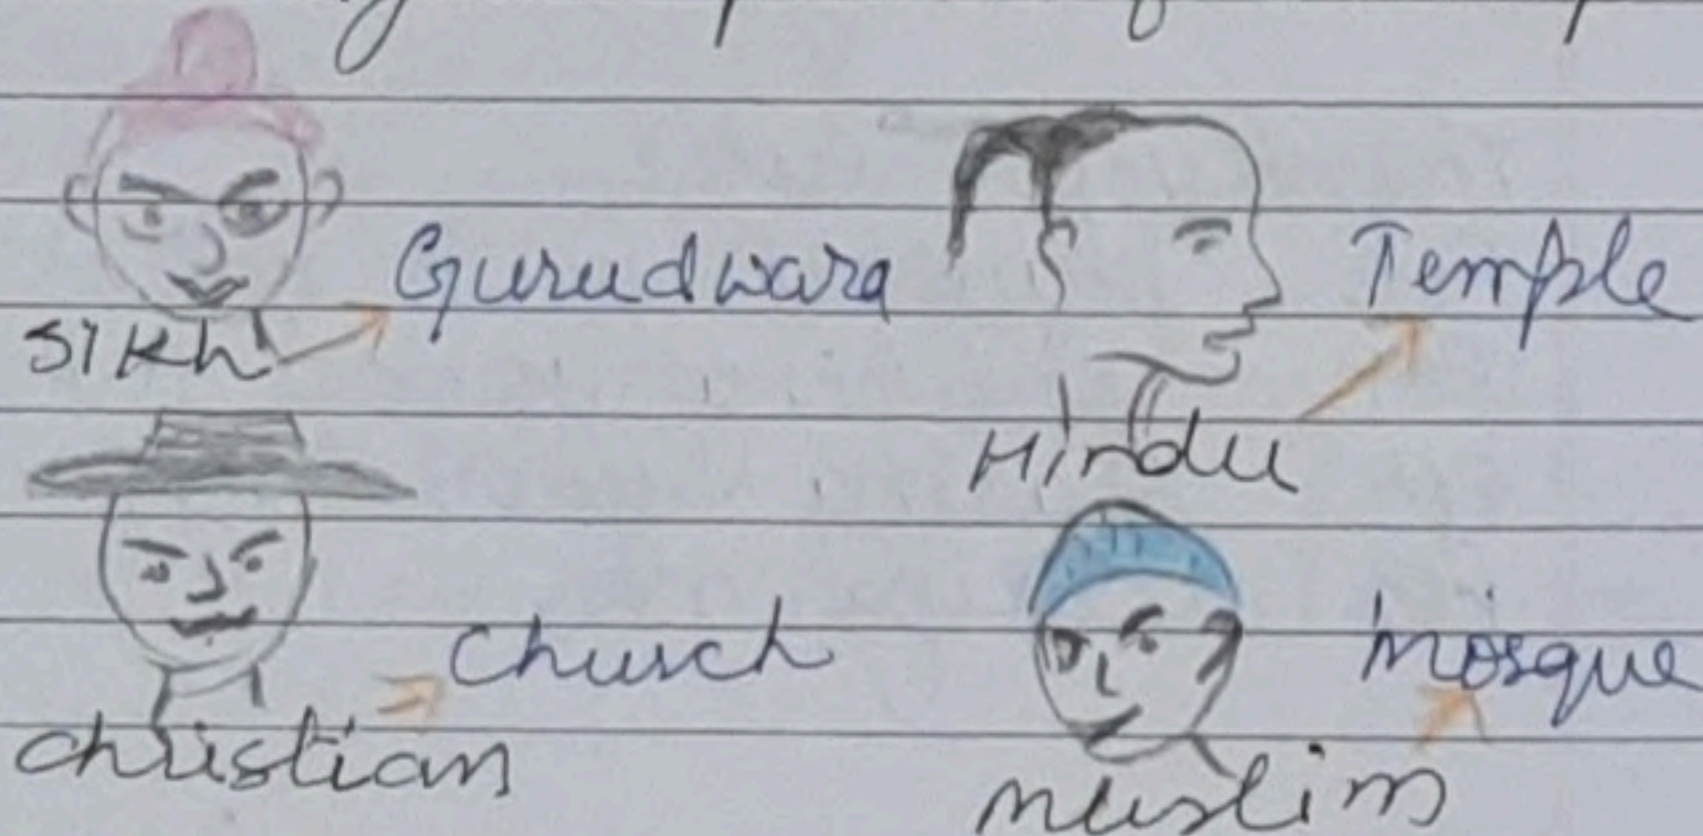

- For playing with me.
For sharing your sweets.
For sharing your toys.
For caring me.

PLACES OF WORSHIP

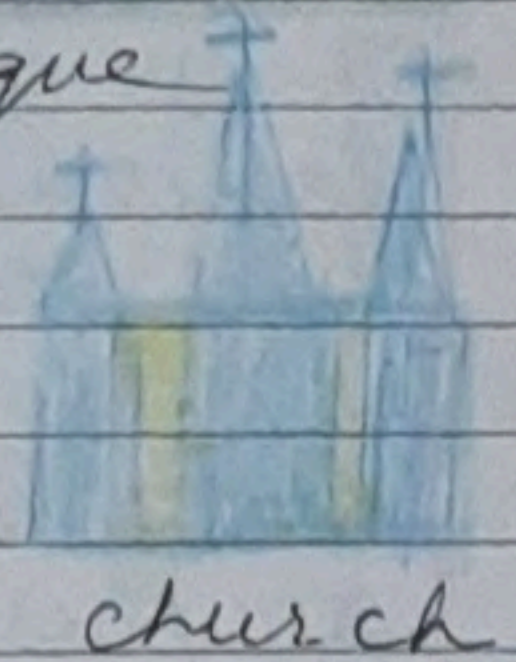

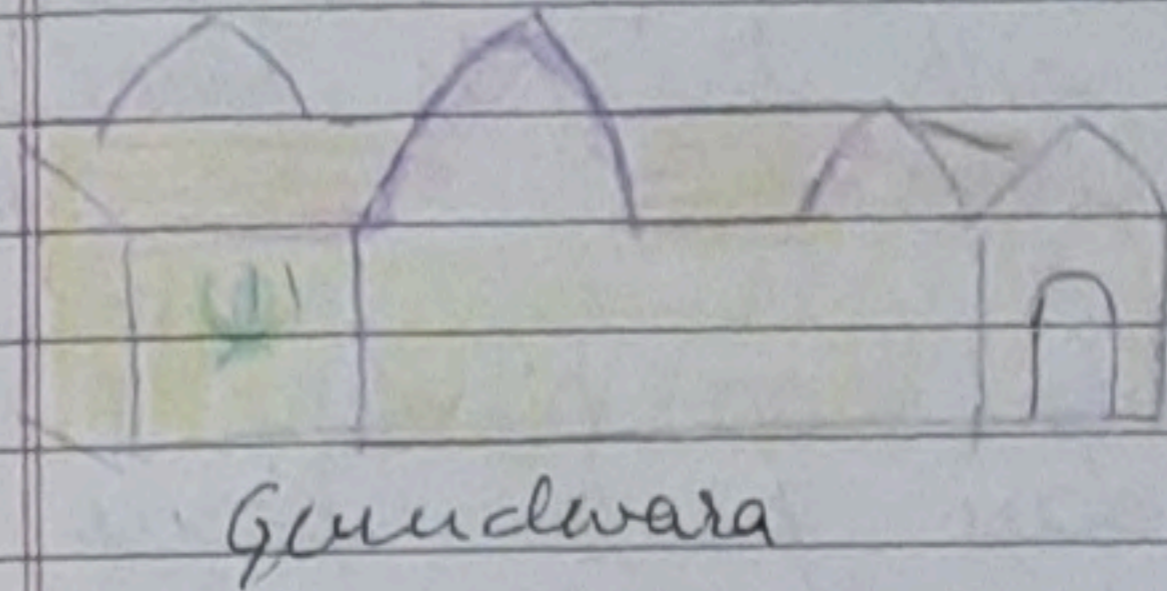

Exercises

- A. Tick '✓' the right answer
- 1) Hindus go to worship in a temple.
 - 2) Muslims go to mosque to worship.
 - 3) church is a place of worship for christians.
 - 4) Sikhs go to gurdwara to worship.

B Help these people to reach the right places of worship.

EXERCISE - ACTIVITY

Where do Parsis go to pray?
They go to fire temple.

People of different religions go to different places.

How many places of worship are there in our neighbourhood?
These are, temples, mosques, Gurdwara and church in our neighbourhood.

FESTIVALS

What are festivals?

Festivals are special occasions.

Who do you celebrate festivals with?

It is great fun to celebrate festivals with friends, family and relatives.

What happens on Diwali?

On this day, people pray to Goddess Laxmi and Lord Ganesha.

What happens on Christmas?

The day marks the birth of Lord Jesus Christ. People decorate Christmas tree and eat cake.

Make new patterns

AMAZING ANIMALS

Name some big animals?

Lion Elephant Tiger
Hippopotamus Giraffe Bear

Name some small animals?

cat - Monkey
squirrel Rabbit
Rat Dog

What is wild animal?

Some animals live in jungles they are called wild animals.

What is pet or domestic animal?

We keep some animals in our homes. They are called pet animals or domestic animals. like

Horse Donkey Dog
Rabbit cow buffalo

They help us in our work.

Are domestic animals useful?

Yes, they help us in our work.

Look at these animals write if they are wild or pet animals.

Tiger - wild
Dog - domestic / pet
cow - domestic / pet
cheetah - wild.

Where does cow live?

cow lives in a shed.

Where does Horse live?

Horse lives in a stable.

Where does lion live?

lion lives in a den.

Where does monkey live?

monkey lives on tree.

Where does Rabbit live?

Rabbit lives in a burrow.

Where does snake live?

snake lives in a hole.

What are water animals?

animals that live in water are called water animals.

Octopus, Fish, crocodile, frog.

Name two birds that do not fly?
Emu and ostrich. are flightless birds.

Name biggest bird?
ostrich

Which animal has the biggest egg?
ostrich

Name some common birds?
sparrow. crow vulture
Eagle Parrot Myra

What are Insects?
Insects are very small animals.

Where do we find insects?
We find them everywhere in our homes, in gardens in open spaces, etc.

Name some insects?
Honeybee Butterfly spider
Earthworm House fly mosquito

Why ^{we} should not tease animals?
We should not tease animals because animals also feel the way we do.

Exercise

Give two eg of each?

Pet animals

Dog and cat

Wild animals

Lion and Tiger

Water animals

Frog and Fish

Birds

Parrot and Eagle

Insects

Honeybee and Housefly.

Name five animals, birds, Insects.

Animals

Cow

Monkey

Tiger

Dog

Rabbit

Birds

crow

Eagle

vulture

Insects.

Honey-bee

House fly

Spider.

AMAZING PLANTS

What are trees?

Some plants are big and strong. They have thick, woody stems called trunks. Such big plants are called trees.

eg: Peepal
Coconut
Mango
Apple

What are shrubs?

Some plants are small. They have thin but woody stems.

They are called shrubs.

Many of these plants also have sharp and pointed thorns.

eg: Lemon
Rose
Hibiscus
Jasmine

What are climbers?

Some plants are very weak. They cannot stand on their own. They need support to grow up. They are called climbers.

eg Beans
Grapes
Peas
Many plant

What are herbs?

Some plants are small. They have soft stems. They are called herbs. eg Tulsi, mint

What are creepers?

Some plants are too weak to grow upwards. They creep on ground. They are called creepers.

eg Pumpkin
Watermelon

What is a leaf?

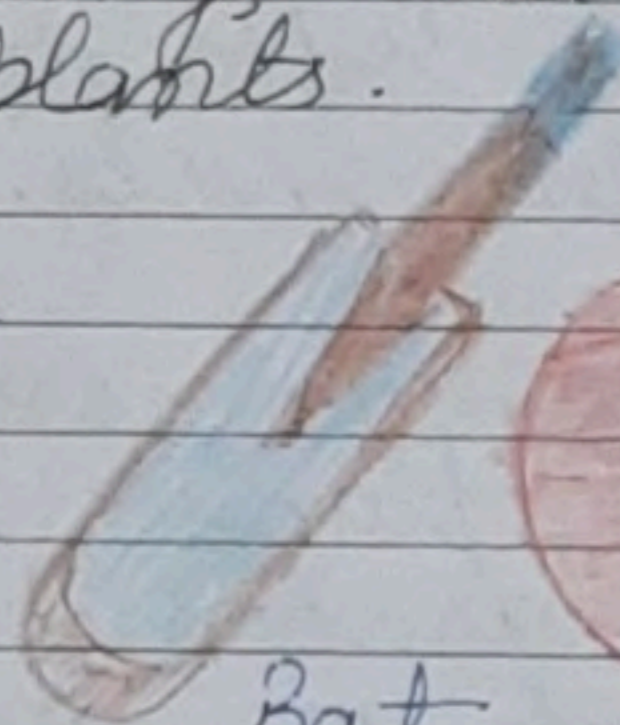

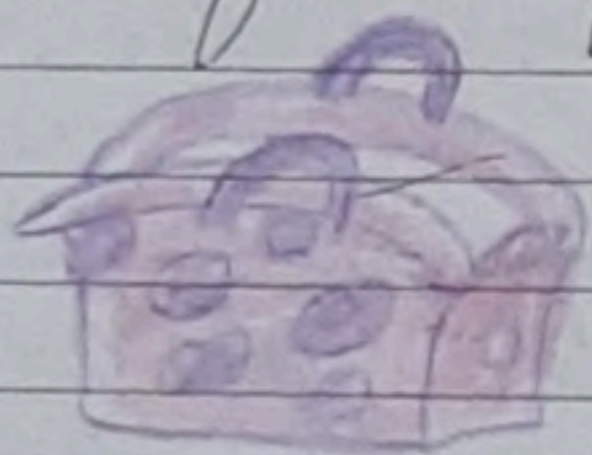

Leaf is a part of plant, which

produces food for the plant.

What are various uses of plants?
Plants give us many useful things:

- ① Plants gives us food.
- ② Plants gives us fibres.
- ③ Plants gives us medicines
- ④ Plants gives us gum.
- ⑤ Plants gives us paper.

colour the things that we get from plants.

hand bag (made of jute) Bat (made of willow) Apple fruit

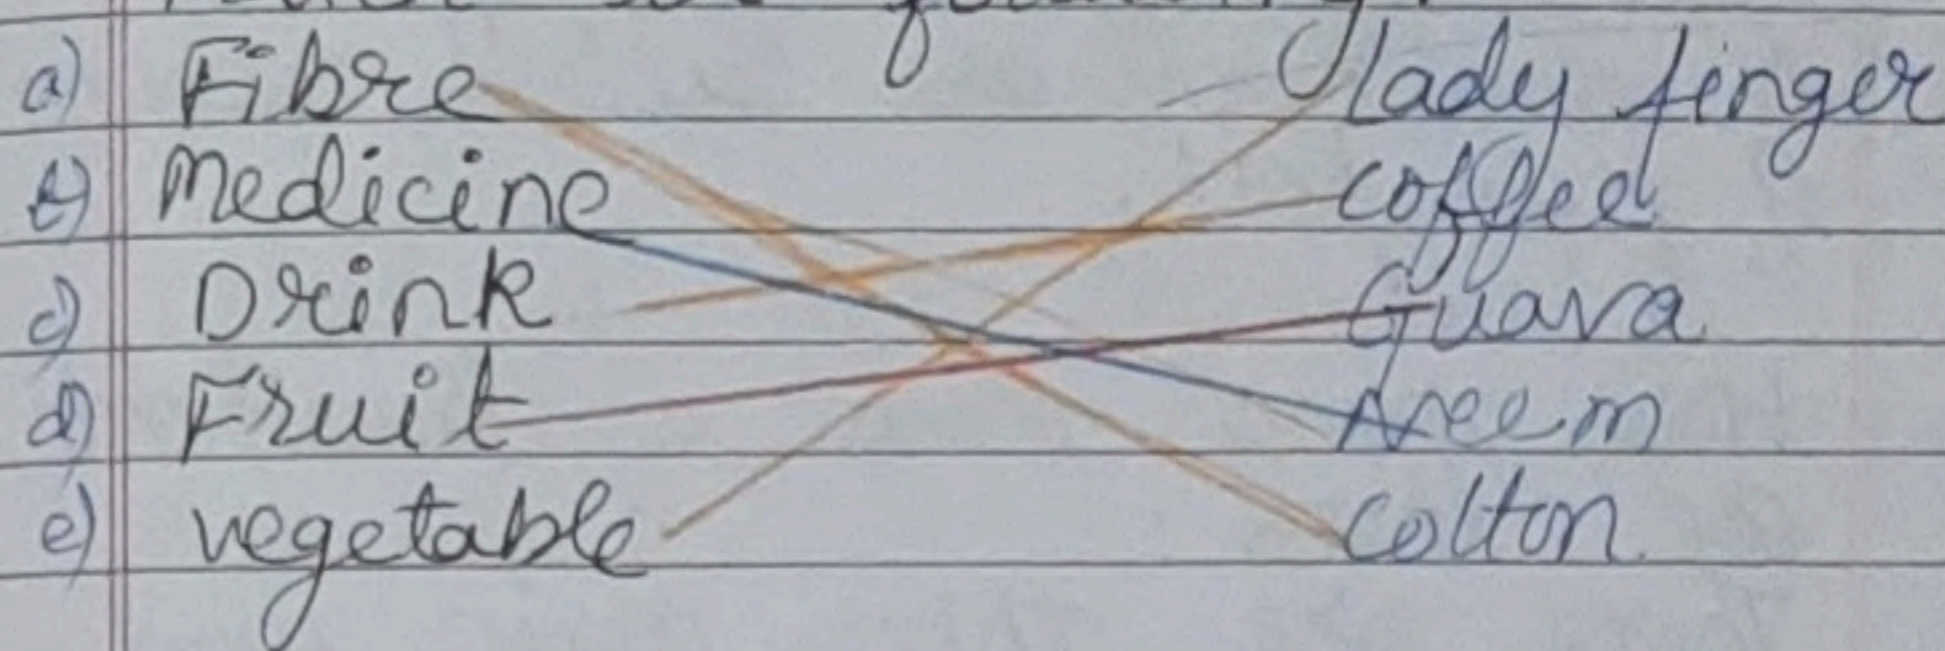

Exercise

Give two examples of each of the following.

- ① Tree Peepal and mango

Shrub Rose and Jasmine
Herb mint and Basil Tulsi
Creeper Pumpkin and watermelon
Climber Grapes and Money plant.

Match the following.

Look at the things, we get from plants, complete the word ladder.

TRAVELLING AROUND

What is meant by 'means of transport'?

The vehicles which we use for travelling from one place to another are called means of transport.

How many mode of transport are there:

There are three main mode of travelling land air and water.

Land transport: Bus, car, Train

air transport: Aeroplane,

water transport: ship, boat.

This is a cart, think of three animals which are used to drive a cart.

Camel - camel cart.

Bull - bullock cart.

Horse - horse cart. "onga"

Dogs - sledge.

What is Land transport?

Vehicles that move on land are called land transport.

What is water transport?

Vehicles that move on water are called water transport.

What is air transport?

Air transport helps us move by air.

Which is fastest means of transport?

Aeroplane is fastest means of transport.

look at the picture and write (L) for land, (A) for air, (W) water

Truck L

Bullock cart L

ship W

Aeroplane A

Hovercraft L, W

Bus L

cycle : L
Boat : W

Exercise

Fill in the blanks.

1. We use transport to travel from one place to another.
2. Bus is a type of land transport.
3. Boats travel on water.
4. Aeroplane is a means of air transport.
5. cycle is used for travelling short distances.

Circle the vehicle which moves faster.

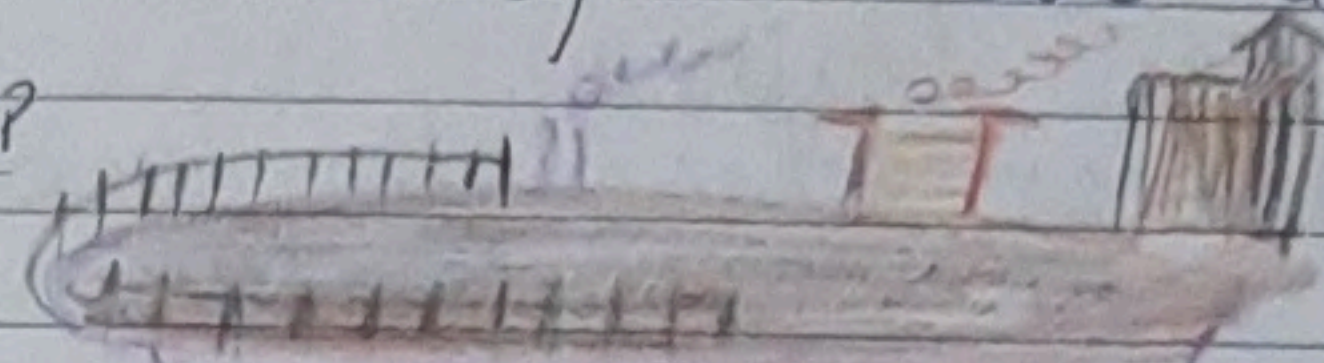

- | | |
|----------------------|-------------|
