Day by day

Our working itinerary — a few things are locked in (the house, the shark-tooth excursion). Everything else is a suggestion; we'll keep you posted as it firms up.

1 SUNDAY · ARRIVAL

Welcome to Firefly

Settle in, goodie bags at the door, dinner's taken care of, then everyone gathers on the beach at sunset to kick things off.

2 MONDAY · JAIME'S ISLAND

Jaime's Island & Shem Creek

Pilates and trail walks on Daniel Island (maybe a hidden treehouse), Jaime's FROG, and her favorite coffee shop. Then your call: the Old Village's oldest-pharmacy-in-America ice cream run, or kayaking with the dolphins at Shem Creek. Mocktails back at the house for sunset.

3 TUESDAY · ON THE WATER

Searching for Shark's Teeth — Private Boat Tour

Morning workout, then a 5-hour private boat charter hunting for shark's teeth and shells — on us. Afternoon's yours — pool, exploring, or the optional farmers market — then movie night upstairs to close it out!

4 WEDNESDAY · DOWNTOWN CHARLESTON

The Famous Downtown Charleston

Sundresses on! Ferry to the Battery, a horse-drawn carriage past Rainbow Row and the Pineapple Fountain for the photos, then shopping, lunch, an optional Pilates class, and ice cream on the way back.

5 THURSDAY · YOUR CHOICE

Choices!! Magnolia Plantation or the USS Yorktown?

Your choice day — more workout time, or whatever you want, we'll make it happen. Then: everyone dresses in blue & white for a final dinner together — one last night to make it a memory before you head home.

6 FRIDAY · DEPARTURE

Safe Travels!

Everyone heads home — see you next time!

Sample itinerary — the exact activities may shift day to day, but the spirit of the week stays the same.
