## A Message from the Board of Directors

With our last judged show of the season to get underway soon the Board must begin to make plans for the summer. Though our shows are not judged in the summer, WE ARE STILL OPEN! Your artwork can still be hung in the gallery and be for sale. Your smaller items are still needed in the boutique as well.

This summer the Board is considering new Summer Hours for the gallery. These hours would be between 3:00 PM and 7:00 PM, Wed. thru Sunday. We hope to get more foot traffic from the late afternoon/dinner crowds by being open when the area has more activity from the bars and restaurants and folks taking a stroll after the heat of the day has subsided. We will have two shows during the summer this year. The entry fee would remain the same for these shows, offset by the fact that the work will be displayed for a longer period of time. We also plan to open these two shows to non-member artists, as well as members. Non-members would pay a higher entry fee. Exact dates will be announced. Take-in for the first Summer Show will be on June 12th, the same day and time as pick up from the last season show.

We are also introducing a 50/50 raffle to be held at each reception. One ticket will be \$5.00, and 3 tickets for \$10.00. Winning ticket to be drawn near the end of the reception. 50 percent of the take benefits the LWAL and the other half goes to the lucky winner!

The work on the mural on the side of the building has begun. It looks like it will be really nice when finished! Remember that **parking may not be available in the building's parking lot at times until the entire project is completed**, though to date we have not seen any work taking place on the weekends so far. Parking should be available along the streets.

# FIRE HYDRANT PAINTING PROJECT

The City of Lake Worth Beach is looking for artists and ideas to re-paint some of fire hydrants in the downtown area of the City. This is an ongoing project. How can this help the LWAL?

They are paying \$200.00 for each fire hydrant. We are asking our creative members to come up with some great ideas. If any of these ideas are accepted, then the artist can paint the hydrant and donate the proceeds to the LWAL! If the artist is not capable of executing the design, one of our members can volunteer to paint it for them.

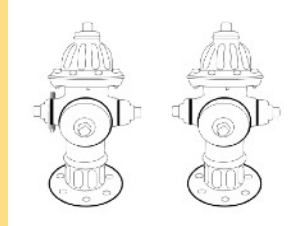

**We are hoping that we can gather ideas from our artists and the LWAL will submit them as one proposal.**

There of course is some criteria that must be met when creating the designs and painting the hydrants. You can read the prospectus by clicking here:

If you are interested in playing with some designs, we have made a template to help with that. Go to the Member's Only tab on the website, and scroll to Downloads. The file is named Fire Hydrant Template.jpg. You can download the template and if you want to print it, use a standard letter size paper in landscape orientation and check the grayscale color mode.

**A WAY TO PUT THE WORD FUN IN A FUNDRAISER! SOUNDS LIKE FUN, RIGHT? CHALLENGING? DEFINITELY! A LITTLE SOMETHING TO DO?... WE KNOW YOU CAN DO IT. COME ON, GIVE IT A TRY... WE CAN'T WAIT TO SEE WHAT YOU COME UP WITH!**
