A Message from the Board of Directors

Work on to replace the current mural on the side of the gallery will begin the first week of April. It is our understanding that much prep work will be done before the new artwork is created. We have been informed that **parking most likely will not be available in the building's parking lot until the entire project is completed.** It is suggested that you turn east onto 2nd Street from Dixie Hwy.(by the Publix) and continue east to L Street, then turn right on L Street (it is a one way street) and park along L Street.

We had a wonderful turn out at the reception for our "80 Years of Stimulating Thought" show. It was great to see folks starting to get into the swing of things again. *Thanks to all who were kind enough to bring light bites and beverages for all to share.*

Carmen Martorella took a video at the reception and has shared it with us! Please click this link to view: <https://youtu.be/nkg60Hmt9JY>.

Mr. Steve Lockwood, President of the Historical Society of Lake Worth has been researching some of the noted artists of Lake Worth, some of whom their works can be seen today in the Lake Worth Library. These artists were involved in some way with the Lake Worth Art League! His article The Artists of The Lake Worth Beach City Library may be viewed or downloaded from our web site under the Member's Only tab under Downloads. The article is very interesting and you will be able to appreciate the works shown even more when you know about their history. Mr. Lockwood would like to hear from anyone with any knowledge of Lake Worth's art history that may be of help to the Lake Worth Historical Society. We thank him for sharing his work with us.

It is hard to believe that there are only two more judged shows left in the season, and even harder to believe that we will be saying, "Take care until we see you again" to our "snowbirds". It seems like you have just arrived.

We would love for all to participate in the next two shows and receptions and help our League continue to grow by word-of-mouth, the best form of advertising possible. We hope to see you soon.

MEMBER NEWS:

Member, **Carmen Martorella**, made a notecard from her original art. She has raised \$1500 for the Ukraine Red Cross selling this notecard on her Facebook page. The Sunflower is Ukraine's national flower. Note the heart shape in the center of the flowers!
