A Message from the Board of Directors

Our new summer hours have begun along with our first summer show, "a summer for sharing"! We will be open from Wednesday thru Sunday from 3:00 pm until 7:00 pm.

The first of two summer shows where we have invited non-member local artists to join us. At the take-in for the first show on June 12 we had the opportunity to meet some new artists and display their work in our gallery.

We are also introducing a **50/50 raffle** to be held at each reception. One ticket will be \$5.00, and 3 tickets for \$10.00. Winning ticket to be drawn near the end of the reception. 50 percent of the take benefits the LWAL and the other half goes to the lucky winner!

The work on the mural on the side of the building is coming along nicely, and it will be fantastic when finished! So far **parking has not been an issue**. Parking should be available along the streets if it should become one.

Thank you to BJ Collister...

BJ has been a wonderful member for a long time. Sadly for us she will be moving out of state. We will miss her friendship, and her artwork (and her tasty donations to our receptions).

BJ has donated some wonderful books to the LWAL which are much appreciated.

We wish her much happiness in her new home and hopes she will visit us one day.

FIRE HYDRANT PAINTING PROJECT

The City of Lake Worth Beach is looking for artists and ideas to re-paint some of fire hydrants in the downtown area of the City. This is an ongoing project. How can this help the LWAL?

They are paying \$200.00 for each fire hydrant. We are asking our creative members to come up with some great ideas. If any of these ideas are accepted, then the artist can paint the hydrant and donate the proceeds to the LWAL! If the artist is not capable of executing the design, one of our members can volunteer to paint it for them.

We are hoping that we can gather ideas from our artists and the LWAL will submit them as one proposal.

There of course is some criteria that must be met when creating the designs and painting the hydrants. You can read the prospectus by clicking here:

If you are interested in playing with some designs, we have made a template to help with that. Go to the Member's Only tab on the website, and scroll to Downloads. The file is named Fire Hydrant Template.jpg. You can download the template and if you want to print it, use a standard letter size paper in landscape orientation and check the grayscale color mode.

A WAY TO PUT THE WORD FUN IN A FUNDRAISER! SOUNDS LIKE FUN, RIGHT? CHALLENGING? DEFINITELY! A LITTLE SOMETHING TO DO?... WE KNOW YOU CAN DO IT. COME ON, GIVE IT A TRY... WE CAN'T WAIT TO SEE WHAT YOU COME UP WITH!
