## A Message from the Board of Directors

Dear Members,

Our **Outdoor Show** began as a blustery day on Saturday, Feb 22 with a few light showers in the morning. By Sunday morning we were greeted with a beautiful Spring like day for our outdoor show artists. Many folks visited both the outdoor show and the gallery and by Sunday afternoon we had a steady stream of traffic. Sales were made by our outdoor artists at a steady pace. Many of the folks discovered our gallery for the first time and several folks signed up for membership. We welcome them!

**Thank you to all our outdoor show participants, and a special thanks to all our volunteers who staffed the gallery, some staying much longer than anticipated.**

Our February gallery show consisted of 66 judged paintings! We had many fabulous pieces of art and had many compliments on the show from the public. Our February gallery show also included an Estate Show and Sale featuring the work of two wonderful artists, **Melanie Bouton & Martha Ann Myers** which was featured in the special exhibition room.

We begin March with our 6th judged show of the season. This is an open show and we are hoping for many guest artists to enter.

Soon it will be time for our **Annual Meeting and Election of Board Members** (TBA). If you wish to run for a position on the Board of Directors please e-mail the LWAL and ask for an application, fill it out and return it to us. Applicants should be full time residents and be able to attend monthly meetings.

***Doreen Taylor** shows her Watercolors. It was a little chilly, but eventually she was able to shed the hoodie jacket as the sun began to peek out.*

 a look at the elements

The artist must consider these aspects along with the principles of art (balance, emphasis, movement, proportion, rhythm, unity and variety) to organize the creation of the work, consciously or subconsciously, for an overall successful outcome. Take a look and see if you can spot these elements and how they have been handled by the artist!
