A Message from the Board of Directors

Dear Members,

The Lake Worth Art League Board of Directors sent out a survey to our members to plan for our summer shows. Though it only took a couple minutes to complete, only half of our membership responded. Therefore, we had to plan the summer shows based on the input from our members who did respond. Thank you to those that did.

Many of you will be traveling or otherwise engaged this summer and will not participate. No doubt that this is a result of starting to put the pandemic behind us.

As a result, we will hold two shows this summer, each of longer duration, instead of our regular four. We will introduce **Summer Hours which will be Thursday thru Sunday** from Noon to 4pm. See the show info below.

Please participate if you are able, whether it is in the show or keeping our boutique stocked with great items for sale, or if you can volunteer to sit a shift. Your gallery needs you.

If you plan on being away, we hope to see you as well as our "snowbird" members for the upcoming season.

Artists, our summer shows will be fewer in number but longer in duration than last year. We know that many of you want to go out and about and begin to travel again, and may forgo entering work in the summer for these reasons. We are hoping that this schedule will make it more convenient for you to exhibit. Summer entry fees are reduced to \$15.00 for the first piece and \$10.00 for each additional piece. Please remember, **your** gallery needs your support year around and we hope you will participate!
