

A TOUCH OF STONE

DECEMBER NEWSLETTER 2023

And just like that, this year comes to an end. And what a year it has been!

Every year I say "it can't get any better" and you guys bring me some of the most awesome projects that make me eat my words every time.

Thank you for trusting me with your homes and projects. I have the most rewarding and awesome job!

2023 saw us all over the southeast from the sunny Florida sunrises to the mountainside sunsets of North Carolina. We are also so proud to be part of the Home for the Holidays once again this year. I would recommend you come and check it out. It is still going on until December 10th.

And to close out this incredible year, I am so proud to announce that we are opening a second location!!!! Our Westside design studio is located in the heart of Atlanta and will be opened by appointment starting January.... More to come about this....

I wish you all a great time with your family during this holiday season, enjoy all of your beautiful spaces you got to work hard and saved for this year and I personally present you with my Best Wishes for this coming year.

Happy Holidays and Happy New Year!!!!

THE DREAM TEAM

I COULD NOT DO WHAT I DO WITHOUT THIS DREAM TEAM!

I'M SO GRATEFUL FOR YOU GUYS!
