The Peltz oceanfront estate, owned by Nicola's parents Nelson and Claudia, boasts two large properties and a

sprawling driveway leading to a courtyard lined with palm trees.

The complex also features outdoor tennis and basketball courts and a stunning pool surrounded by a large terrace with space for guests to kick back and soak up the sun.

On Friday night some of the celebrity guests were revealed as they arrived at a rehearsal dinner, including Gordon and his wife Tana and daughter Holly, Eva, Serena and Nicola's parents.

Ahead of the much-anticipated wedding, David and Victoria have been seen with their children Harper and Romeo on their £5million yacht after touching down in Miami with other family members, including Victoria's niece Libby Adams.

The wedding is expected to be attended by celebrity chef Gordon Ramsay, actress Eva Longoria and former footballer [Phil Neville](#).

Victoria's Spice Girls bandmate Melanie Brown – Mel B – has confirmed she is attending the ceremony, which has been described by friends as 'Miami society meets British celebrity'.

Emma Bunton will also not be seen at the lavish nuptials, as she instead shared a sweet message to Brooklyn and Nicola to Instagram, penning: 'These two beautiful souls are getting married today! I'm so sorry i couldn't make it there to celebrate you both. We Love you all very much.'

Brooklyn's godfather Sir Elton John will be absent due to the rescheduling of his Yellow Brick Road tour, but the aspiring chef's other godfather, Dave Gardner, will be there.

There have also been reports that American football legend Tom Brady will be among the guests, possibly with his wife, supermodel Gisele Bündchen, but speculation that the Duke and Duchess of Sussex could attend are wide of the mark.

**Drinks! A huge bar was being decked out with candles and seating, with the reception set to be one big party for the hundreds of guests**

Brooklyn's younger brothers, Romeo and Cruz, will be best men, while Harper will be a bridesmaid. Nicola's maternal grandmother will be her maid of honour.

Brooklyn is understood to have signed a prenuptial agreement with his heiress bride-to-be Nicola. The \$494million fortune of Brooklyn's parents is dwarfed by the estimated \$1.6billion wealth of Nicola's financier father Nelson.

As wedding preparations are underway, Nicola

## **A timeline of Brooklyn Beckham and Nicola Peltz's romance:**

recruited Leslie Fremar – a stylist who has worked with Hollywood A-listers Demi Moore and Charlize Theron – to help choose her dress.

The pair travelled to the headquarters of Valentino in Rome and Nicola has confirmed her gown has been designed by the fashion house's Pierpaolo Piccioli.

'Nicola trusts Leslie implicitly and, while her dress is being made by Valentino, Leslie is the person she has turned to help with how she will accessorise and how she will have her hair and make-up,' a source said.

From the middle of last week, trucks started to arrive in Palm Beach, and police were patrolling the vicinity of the estate.

The marquees are of a size usually rented for trade fairs. Each could comfortably hold 1,000 people — and there are three of them on the lawn at the Peltz's \$103million estate.

The largest will apparently hold a dance floor where rapper Snoop Dogg is going to DJ.

The food is apparently being provided by Miami chef Thierry Isambert, who has previously cooked for former U.S. president Bill Clinton.

Dietary choices include the usual vegan and vegetarian options, but also stretch to allergy-specific choices and even a 'light' option, which comes in underneath a certain calorie-counted ceiling.

In true 21st-century fashion, Vogue magazine has photographers and videographers on hand to document every moment.

A source said: 'It's a nice event, not too big, it will be black tie.'

'There is heavy security and the hundreds of guests have been asked not to share pictures of the bride and groom as they have an exclusive arrangement with Vogue, who will put pictures up on their website.'

Lots of the guests are bringing their own hair and make-up artists — it's that sort of event.'

Along with a full flush of Spice Girls, there will be David's best friend Dave Gardner and Gordon and Tana Ramsay and their five children.

Victoria's sister Louise and her daughter Libby are already in Miami, as are Victoria's parents Tony and Jackie.

David's parents Sandra and Ted will also be there, along with his sister Jo.

Brooklyn's brothers Romeo and Cruz will be groomsmen, the bride's brother Brandon will be 'Man of Honour' and Harper Beckham, ten, will be a bridesmaid.

The bride's maternal grandmother Bunny will be Maid of Honour.

Nicola and Brooklyn enjoyed a whirlwind romance after first going public with their budding relationship in November 2019 when pictures emerged of them hugging before getting engaged in July 2020, just eight months later.

While their relationship officially began in 2019, they actually first met in 2017 – with Brooklyn revealing during an Instagram Q&A with followers that they were originally introduced at the Coachella music festival in [California](#).

At the time of Coachella Brooklyn was dating Hana Cross,

but he and Nicola reconnected two years later at a Halloween party.

In January 2020, Nicola went Instagram official with their

romance, posting a bedroom selfie in a bra, with a shirtless Brooklyn in the foreground, captioned with a simple black heart.

The next month they sat front row in coordinating outfits at the Saint Laurent show at Paris Fashion Week.

In July that year, Brooklyn proposed with a \$325,000 emerald and diamond ring, sharing the news online by posting: 'I asked my soulmate to marry me, and she said yes xx I am the luckiest man in the world. I promise to be the best husband and the best daddy one day.'

In her own post, Nicola said: 'You've made me the luckiest girl in the world. I can't wait to spend the rest of my life by your side.'

Despite the Covid-19 pandemic, the pair's relationship grew quickly and they were spotted taking walks together during

quarantine after bubbling up together when lockdown first came into effect in March 2020.

Later in the summer, Brooklyn moved back home to quarantine with his parents, but his relationship with Nicola continued to go from strength to strength.

The pair then bought a plush \$9.7m home in Beverly Hills, complete with a private yoga room, gym, outdoor infinity pool and even a juice bar.

The property that will host Saturday's wedding has been owned for decades by investor and billionaire money manager Nelson Peltz and his wife, former model Claudia Heffner and is comprised of three separate lots for a total of

11.1 acres of beach-front land.

The real estate is partly occupied by buildings boasting a total 25,000 square feet and as many as 16 bathrooms.

In size, the property is second to Trump's 17-acre Mar-a-Lago, but the astronomic price of Peltz's place makes it much more valuable.

According to Palm Beach County property tax records, the wedding venue has been valued at over \$100,000,000 – even if local realtors claims the property could sell for twice to three times as much if it were put up for sale.

Records show Nelson Peltz's contribution to the wealth of the area through yearly property taxes for the compound is a total \$2,180,540.

Peltz is said to be worth \$1.7 billion, according to Forbes.

The Peltzes, however, aren't the only rich and famous residents of Billionaires' Row.
