

If You Only Knew

(Verse 1)

You might wonder why--I lift my hands in praise.

You might not know – the reason why I sing.

You might not understand --why tears run down my face

Even though my heart Is filled with peace.

(Chorus)

If you only knew how far my Savior lifted me,

Then you'd know just why my hands are raised.

If you only knew the song He gives to His redeemed,

Then you'd know why I must sing His praise.

If you only knew the love that floods

My soul right now-- my tears of joy

Would not leave you confused.

My heart is overwhelmed with His amazing power.

You'd understand it --if you only knew.

(Verse 2)

Oh I know it might be hard --for you to comprehend

How I can smile while facing times of pain.

You might question why I keep on trusting Him

When sunshine can't be seen because of rain.

REPEAT CHORUS TWICE
