

I Have Found A Priceless Treasure

(Verse 1)

I have found a priceless treasure
That the world can never give
I have found a precious Savior
And for Him alone I live

(Chorus)

O how sweetly I am resting
In His all protecting care
Hallelujah, I will praise Him
For I know He answers prayer

(Verse 2)

I have found a priceless treasure
And it soothes my troubled mind
Only He can still the tempest
And my broken spirit bind

(Verse 3)

When I fled to Him for comfort
And my tears were falling fast
“Fear thou not” I heard Him saying
Trust Me now as in the past

(Repeat Chorus)
