Educational Department

Division 5000

Department S

Contact County Clerk Kristina Riggle

Amount of premium offered in this division is \$150. All necessary information and plans concerning school exhibits will be sent directly to superintendents, principals and teachers of all Jefferson County Schools.

Arts and Crafts

Department T

All work must be original, not previously entered and must be the work of the individual. Work must be completed within the last two years. The exhibitor will not be permitted to make more than one entry under any one class number.

A "Best of" ribbon will be awarded in each division. A champion and reserve champion rosette will be awarded to the two best in divisions 600-699 selected from "Best of" in both adult and youth classes. Paints, photographs and calligraphy entries must be ready to hang (no glass). The youth work must not have been done as part of a school assignment but must be their own original work completed at home. The fair board will not be responsible for any loss or damage that may occur to exhibits either in transit or while on display but the usual precautions for safety will be taken.

Superintendent - Bob Bauer
Department U

Only one entry per class number per person. Mount photo (preferably 3"x5" or 4"x6") on thin poster board (preferably black) with at least a ½ inch border as all photos will be stapled to a bulletin board for display. It is recommended photos be glued to poster board as tape does not hold up in the heat and pictures come loose. No frames or glass will be accepted, or photos over 8"x10". Borders will not be judged. Only 8"x10" exhibits prints are eligible for state fair. **Cannot use the same picture for 4-H and open class, even if one is an enlargement. Exhibits must be the original work of the exhibitor and completed within the past 5 years.**

Preserved Foods

Superintendent - Vivian Huffman

Department X

Current processing methods MUST be followed for all food preservation. Current processing methods are available from the extension office USDA recommends jams, preserves, fruit, marmalades, tomatoes and pickled vegetables be processed in boiling water bath. All non-acid vegetables and meats must be processed in a pressure canner. No canned good will be opened, unless in doubt of freshness. Jars and type of lids should be uniform, not necessarily the same brand. Jars and rings must be clean rust free. Standard canning jars must be used. The jars should be uniformly labeled.
