RE: SPONSORSHIP 2023/24

Dear Sir / Madam,

The Collendina Cobras Cricket Club Inc. was formed over 30 years ago, and we are a Community focused club based in Ocean Grove, using the Minerva Close Reserve as its home. We provide a family based club that educates and provides a positive sporting culture for community members between the ages of 5 and 50+ through the game of Cricket. We are also the home to the "Relay for Life" on the Bellarine Peninsula, Bellarine Fishing Club, The Ocean Grove Auskick Clinic and The Ocean Grove Cobras JFC amongst other activities. Our Club is also a proud supporter of the Glenn McGrath Pink Stumps Foundation and we have raised over \$16,000.00 in the last 4 years

We had over 100 junior players last season participating in either Woolies Cricket for the beginners to U/11's, 13's, 15's and 17's throughout various Leagues in the Geelong and Bellarine Regions. We also had 4 Senior teams competing in A, B, C & D Grades in the Bellarine Peninsula Cricket Association League and 1 Woman's team in the Geelong WCA. Whilst maximum participation is our primary objective, our club has been very successful, particularly in recent seasons winning 3 A Grade, 1 Women's and multiple Junior level Premierships, including the Div 1 U/15's last season for the 2nd year in a row. This coming Season we expect to have similar numbers in Seniors and an increased numbers in our Juniors representing the Club again.

We are seeking your assistance through sponsorship (cash or goods) to enable the management and continued development of junior and senior cricket in the Collendina/Ocean Grove area as well as the continued progression of our Club. Collendina Cricket Club is a non-profit organisation and any assistance or support will predominantly focus on the management of our junior program, assisting all players to fulfill their potential as individuals, and more importantly as team members and an integral part of this community. It also helps to develop and improve our Club on a day-to-day basis. We are also always looking to upgrade our Clubrooms, our training equipment, and our training facilities so we can give all our members, and the community, the best experience possible when they visit the Collendina Cricket Club.

Please find attached a sponsorship schedule detailing the various levels available, if there is any level of Sponsorship that is of interest to you or your Business, please don't hesitate to contact myself regarding the opportunities. As some of our Top Levels of Sponsorship are limited, we ask that you get in quick to avoid disappointment. We are looking for these levels to be long term, (2-3 year) arrangements, where possible

We hope that all Sponsorships will be finalized by the 7th of October or before if possible.

We would like to thank you in anticipation of your support and your contribution towards the development of a partnership with a great Sporting and Community Club in the Collendina & Ocean Grove area.

Yours Sincerely,

Neale Walter (Wal)
(President & Director of Sponsorship – Collendina Cobras Cricket Club)
