We have a good friend who is fond of saying "Spread Love Everywhere"; and it's a good motto to live by.

We started Kirkland Advertising with the same goal in mind, "local businesses helping local businesses". As we grow, we vow to continue to bring other local communities closer.

In short, we promise to do our best to be on the "Cutting Edge" of spreading love everywhere. ~ **Chris & Stacy**

Intro: Orion Sports Club

Orion Sports Club is something that has been brewing in our hearts for a long time. After the pandemic, we really felt the community needed to have a place where like-minded individuals can be excited about health, fitness, family, and fun. We are a sports club featuring many different classes; boxing, sambo, jiu-jitsu, martial arts, acrobatics, and even hip-hop. We have amazing trainers - many with decades of experience teaching and practicing their sports. They are excited and ready to give it their all for their students.

Orion is more than a sports club, we are positioning ourselves as an elevated community center for everyone to enjoy. We plan on having educational classes such as math, science, art, chess, etc. for kids and adults. We are also working with nonprofit organizations to provide classes for those in need, to boost the community as a whole!

Beyond offering fitness classes, we also provide luxury services. The club features a brand-new sauna and pristine showers. We will have a lounge and cafe area, where members can enjoy smoothies, freshly squeezed juice, Turkish coffee, and other delights. We plan on having many different exciting events; sports (sparring, boxing matches, competitions) and entertainment (theater, comedians, movie nights).

Overall we're just getting started, and are excited to welcome everyone to take a class (or two) on us! We are looking to bring a lot of value and fun to the community.

Come see what Orion Sports Club is all about!
