Smashing Pumpkins + Jane's Addiction

Spirits On Fire Tour

Find Fun Now!

The Smashing Pumpkins first emerged out of Chicago in 1988, the world had never heard a band quite like them. They spun together rock, pop, shoe-gaze, metal, goth, psychedelia, and electronic into a kaleidoscope of saccharine melodies, fuzzy distortion, bombastic orchestration, incendiary fretwork, eloquent songcraft, and unshakable hooks.

Upon their formation, their sound was different, iconoclastic, and wholly new—and it still is today. As a result, they've sold over 30 million albums worldwide and collected two GRAMMY Awards, two MTV VMAs, and an American Music Award.
