Innersloth: The Masterminds Behind the Gaming Phenomenon, Among Us

Innersloth, the indie game development company, has taken the gaming world by storm with their smash-hit creation, Among Us. This thrilling online multiplayer game has captured the hearts of millions and has become a cultural sensation.

Released in 2018, Among Us gained popularity steadily, but it wasn't until 2020 that it exploded into mainstream success. The game's concept is simple yet highly engaging – players are crew members on a spaceship, tasked with completing various missions while trying to identify the impostors among them.

Its addictive gameplay and social interaction elements have made it a favorite among players worldwide. Whether collaborating with friends or making new alliances in the virtual realm, Among Us has fostered a sense of community and camaraderie among its players.

Innersloth's success with Among Us has not only brought joy to gamers but has also garnered acclaim within the industry. The team's dedication and creative vision have solidified their position as innovative game developers, inspiring others to think outside the box.

As Among Us continues to gain momentum, Innersloth remains committed to refining and expanding the game's features to keep the experience fresh and exciting. With their passion for gaming and a growing fan base, this tech company is undoubtedly set to leave a lasting mark on the gaming landscape for years to come.

6:30PM @ Marymoor

An Unforgettable Evening of Music and Local Talent

Redmond, Washington, is set to welcome the iconic Beach Boys on August 27th at 6:30 PM for a much-anticipated performance at Marymoor Park. Music enthusiasts and fans of all ages are eagerly counting down the days to witness this legendary band deliver their timeless hits in a beautiful outdoor setting.

The Beach Boys, known for their signature harmonies and classic songs, have been a household name since the 1960s. With chart-topping tracks like "Surfin' USA," "Good Vibrations," and "God Only Knows," their music has become a symbol of carefree summers and everlasting nostalgia.

Adding to the excitement of the event is the inclusion of local drummer Jon Bolton, a member of the popular band Herding Cats. Bolton's exceptional talent and dedication to his craft have earned him recognition within the local music scene. His invitation to tour with the Beach Boys this summer is a testament to his skill and passion for music.

For attendees, the concert promises an evening of sheer musical brilliance, as the Beach Boys will undoubtedly take the audience on a journey through their greatest hits and treasured memories. Marymoor Park, with its picturesque surroundings and spacious greenery, provides an ideal backdrop for a memorable night of live music.

As the sun sets over the horizon and the Beach Boys take the stage, the atmosphere is sure to be filled with the magic of their harmonies, captivating melodies, and the impressive drumming prowess of Jon Bolton. The combination of legendary icons and local talent promises to create an unforgettable experience that will be cherished by the audience for years to come.

Concertgoers are advised to arrive early to secure their spots, as this event is expected to draw music enthusiasts from all around the region. Redmond, Washington, awaits a spectacular night filled with music, memories, and the celebration of both timeless legends and the rising stars of the local music scene.

Redmond Electronics Recycling Event

Sat, Aug 12th
10am to 2pm

Do you have some old or unused electronics that you need to get rid of? Swing by the Redmond Ridge Park & Ride to recycle them with Living Green Technology! Our recycling services are free.

We will also be accepting donations for our official philanthropy partner PAWS, a Lynnwood-based non-profit organization that adopts cats and dogs to local families, rehabilitates injured and orphaned wild animals for release back to the wild, and educates youth to take compassionate action for animals.

Redmond Ridge Park & Ride Next to Rosa Parks Elementary
