He is a post graduate in Economics and working in the RBI since more than thirty years, his literary work has been widely acclaimed.

His poems/ shayari is very popular in the readers belong to the Hindi speaking groups of the general public. He believes that -

“शायरी शायर के दिल से निकला वो कलाम है जो हर पढ़ने और सुनने वाले के दिल को छूता है। हर शख्स को उसमें जिक्र किया गया फ़साना अपना फ़साना और बयां किये दिल के दर्द अपने दर्द लगते हैं।

शायरी दिल को करार, रूह को सुकून अता फरमाती है। शायर तहे दिल से हर दौर के सभी शायरों को अपनी चन्द कोशिशों से सलाम और शुक्रिया अदा करता है ~ *विनोद पारीक 'अर्श'*

He further believes that now a days people are not well conversant with classical Urdu and therefore, the author, the shayar use only those Urdu words which were widely used in the Hindi cinema for making his gazals readable and understandable for the common person. Perhaps the author succeeded in his aim.

However, for any unknowing *mistake, error or discrepancy the author seeks excuse from the knowledgeable personalities in the field of sher-o-shayari.*
