## Monthly Letter – MARCH 2026

March 2, 2026

Dear Parents/Guardians:

We thank God for His continued protection and guidance during these unprecedented times.

On Thursday, the school implemented lockdown procedures in response to a threat that was received via fax during the Winter Break. The police responded promptly, and a thorough canine sweep of the building was conducted.

Today, we once again followed lockdown protocols, and a second comprehensive canine sweep was completed. The Yonkers Police Department will now provide security at the school in the mornings, during dismissal, and periodically throughout the day to ensure the continued safety of our students and staff.

Furthermore, we would like to remind parents to stop by the school office to check in and do not walk directly to the classrooms. This is standard school precautionary procedure.

We sincerely appreciate parents who consistently make timely tuition payments. If your account is currently past due, we kindly ask that you make every effort to bring your account up to date.

Congratulations to the Oakview Angels on their victory against Warwick Seventh-day Adventist School. We are proud of their hard work and sportsmanship. Let us continue to encourage and support our team.
