## 2026 Wedding Packages

*We offer several amenities. The package is all inclusive to make pricing straightforward.*

*Wedding budgets are complex, so we hope to simplify the experience. We don't charge for the extras!*

Bella Bolettino only hosts about 8 events a year, four in the spring and four in the fall. We dedicate an entire weekend to a couple so that they can enjoy the rehearsal dinner on Friday and the wedding on Saturday. **We also include two nights in our four-bedroom two-bath Airbnb that is across North River Road from the farm for the Friday and Saturday of your wedding.** The vacation rental is listed on the Airbnb website under "Vino Cabina". You can link to it on our website as well.

1. Rehearsal dinner, usually scheduled for a Friday, we can supply tablecloths for this event if desired, Rehearsal dinner is limited to 40 guests including wedding party.
2. The wedding (Saturday) includes the reception.
3. Our package would also include two nights in Vino Cabina, more nights could be reserved if requested. This also serves as dressing room space for the bridal party. If the bride and bridal party want to dress at the farm to avoid wrinkling dresses, we have a guest bedroom and loft area and a large balcony for final touches on the day of the wedding.
4. The venue includes enough tables and chairs to seat 200, but a few tables would need to spill onto the lawn, 75-150 tends to be the most comfortable for guest seating and a dance floor.
5. An *Event Coordinator* is included. Shauna meets with the couple two to three times before the wedding. She will discuss décor, seating, vendors, etc. She will direct the rehearsal and coordinate the day of schedule, liaison with vendors, and Bella Bolettino staff. *\*\*\*If you have a Wedding Planner, Shauna functions in a supportive role. We have worked with several local event planners.*
6. Parking and wait/serving/hostess staff of 10 to 12 people depending on the size of the wedding. Our staff are dressed in uniforms, so they are easy to identify. Staff are on two-way radios. Staff manage all parking needs, shuttle guests to and from cars, set up and break down for rehearsal dinner, wedding, and reception. This includes tents, tables, chairs, linens, and table settings. Staff will decorate if requested. They assist with serving food, bussing tables, managing trash, and providing all aspects of guest service. The staff support all the other vendors to make your weekend worry free.
7. The farm has dinnerware, flatware, water goblets, wine glasses, champagne flutes, mason jars for beer, glass water decanters for each table, large glass water and lemonade decanters, coffee (if requested). We have three different colors of chargers (copper, silver, and bronze).
8. We supply ivory full-length tablecloths. We have 60-inch tables that seat eight; the ivory tablecloths are floor-length, and we include matching linen napkins. Black linens for cocktail/bistro, buffet, and bar tables.

### ***Additional Info:***

- You can hire whatever caterer, food truck, or chef that you prefer.
- We do have a prep kitchen that most local caterers and some chefs have used. Please review our Preferred Vendors list for ideas. We do not allow parties to cater food for their own events. You will need to hire a caterer, restaurant, or food truck for your event with the necessary food handling certifications.
- We have a Liquor Retail Business Permit. This allows the farm to serve complimentary alcohol for your wedding. BBF is comfortable with beer, wine, and signature cocktails that are premixed. If you prefer a full-service bar, please discuss this with the Event Coordinator for options.
- We encourage wedding parties to consider serving local wine, beer, and spirits.
- We do not allow fireworks or sparklers, but natural flower petal cannons have been used.
- All candles must be contained in glass, no open flames are allowed. Floating votives or glass cylinders over candles are acceptable.
- We request any flower petals dropped by flower girls be actual petals, nothing artificial.
- We strongly encourage recyclable tableware if not using our dishware and glassware. Bamboo can be a good option. We will recycle all wine bottles, cans, etc. Any bamboo plates will compost. A good option for keg beer are the aluminum cups that can be recycled. We take care of all recycling.

There are other specifics that we can go into if you are interested. Please feel free to call if you would like to tour the venue as well as see Vino Cabina.
