Alcohol Services

Bella Bolettino Farms has a Retail Liquor License Permit, allowing bar service for complimentary beverages. BBF staff can serve wine, beer, champagne, premixed signature cocktails, and well drinks. Alcohol Service and Bartending is an 'add-on' service of \$400 - \$750 depending on variety and specialization of the drinks.

Reservation Deposit: Reservation dates are bound by the first deposit and contract received on a "first come, first served" basis. Your Reservation Deposit of \$2000 dollars holds your date but is not refundable. Our contract will explain this in more detail.

BBF employs a day-of coordinator that works with your wedding planner to coordinate the scheduling details of the day with our staff. The BBF Day-of-Coordinator meets with bride and groom prior to event via video or phone call or in person to discuss day-of vision and review details. This usually occurs 60-90 days out. She will note décor, seating, vendors, facility requirements, etc. She will direct the ceremony rehearsal and coordinate the day-of schedule as dictated by bridal party, liaison with vendors, and Bella Bolettino staff. ***If you have a Wedding Planner, Shauna functions in a supportive role.
