### ABOUT US

Founded in 2022, Elmridge Technology is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and a Minority-Owned, Small Disadvantaged Business, proudly certified by the SBA. As recipients of the 2023 'The Best of Small Business Awards' from SBE, we are recognized for our innovative contributions to government contracting. Our compact yet highly experienced team, with over 25 years of combined expertise, specializes in technical, engineering, and professional services. We focus on delivering customer-centric IT, Audio Visual, and Security solutions, excelling in both the public and private sectors. Our commitment to excellence and a strategic approach positions us as a leader among small businesses, dedicated to fulfilling mission requirements with tailored solutions.

As an SBA Certified SDVOSB we pride ourselves on our ability to understand and meet the unique regulations and needs of each government agency, confidently delivering tailored solutions that are both effective and sustainable, with minimal interruption to your mission.

### CAPABILITY STATEMENT

At Elmridge Technology we excel in providing comprehensive technical solutions for all government agencies and their unique needs. Our expertise encompasses a deep understanding of IT Infrastructure & Network Engineering, Audio-Visual & VTC, Modernized Structure Cabling, and Various CCTV & Security Solutions; all backed by a team of highly skilled engineers and robust partnerships.

Our commitment extends beyond a standard design, build, integrations approach; also focusing on strategic modernization and long-term sustainability we take the time to ensure a seamless integration of solutions that are scalable and adaptable for all current and future objectives and mission requirements.
