# Website Privacy Policy

*Effective Date: May 12, 2026*

**SafeScreen Inc.** is a registered 501(c)(3) nonprofit organization focused on digital safety education. This policy explains our practices regarding the collection, use, and disclosure of information we receive through our website.

## 1. Information Collection

### Charitable Donations

As a charity, we process payments directly on our website. For donation purposes, we collect **Personally Identifiable Information (PII)** including your name, email, and billing details. This data is strictly utilized to provide donation receipts and maintain documentation required for our non-profit legal standing.

### Crisis Assistance & Helping Services

SafeScreen Inc. may collect information from children under the age of 13 solely for the purpose of **crisis assistance and helping purposes**. This data is handled with extreme care and **does not contain PII**. We collect only what is necessary to provide immediate support while maintaining the child's anonymity.

### General Communication

Information sent to [info@safe-screen.org](mailto:info@safe-screen.org) is used to address inquiries about our free training workshops, resources, and community safety initiatives.

## 2. Data Usage and Protection

We do not sell or lease user information to third parties. All personal data is stored securely and is only shared with trusted processing partners (such as payment gateways) to complete transactions. Our internal protocols ensure that access to sensitive donor data is restricted to authorized personnel only.

### 3. Regulatory Compliance

We adhere to the Children's Online Privacy Protection Act (COPPA). Data collected from minors for helping purposes is never used for behavioral tracking, advertising, or profiling. Our priority is the safety and well-being of the families and children we serve.
