I was born in Greece and came to America in 1966 to work in the family business.
In 1991, my wife, Tina, and I opened Jimmy's Steak House with the help of our children Gus and Kasi. We all still work in the restaurant and have added two new family members... Georgia (Gus' wife) and Louie (Kasi's husband). I truly enjoy working with my family and putting a smile on your face. I take great pride in hand cutting each steak and offering only the best and freshest food to you, our guest. We thank God and all of you for giving us the opportunity to serve you. Thank you for coming, we hope to see you again soon!
