48 Steps to Distribute a New Release

Decide what the submission will be Single or EP Or LP

You will need separate UPC for single and EP if the single and the EP are same exactly , then same ISRC can will be used Usually single out first EP or LP later

2	Artist	Band	or	Com	poser	names
---	--------	------	----	-----	-------	-------

3 Sign up for a PRO (Ascap or BMI) Get IPI#

Start this Process 6 weeks before Drop Date you want

4 Gather all Meta Data

1

(Writer, singers, exact instruments, artwork, vibe/mood, lyrics, time of song, publisher)

- 5 What is Title of Song or LP or compilation?
- 6 Are there any alternate versions?
