

2 Mile Music Fest 2026 – Strategic Sponsorship Invitation

Over the past three years, 2 Mile Music Fest has demonstrated consistent, measurable growth:

- Year 1 – 100 attendees
- Year 2 – 200 attendees
- Year 3 – 300+ attendees

Each year we have elevated the festival experience — expanding vendor participation, enhancing production quality, and introducing live family entertainment — while preserving our commitment to affordable, community-centered programming.

For 2026, we project attendance between 400–600 guests. With a 450-seat covered pavilion, professional stage, sound and lighting infrastructure, and curated regional artist talent, the festival is positioned for continued expansion and long-term sustainability.

More than an event, 2 Mile Music Fest is an investment in our region. Proceeds directly support a local scholarship fund, aligning sponsors with meaningful community impact and positive brand association.

We invite your organization to partner with us during this pivotal growth phase. Early alignment ensures maximum visibility as attendance, media reach, and regional recognition continue to scale.

We would welcome the opportunity to discuss a customized sponsorship package tailored to your business objectives.
