ABOUT THE MOUNT ORAB COMMUNITY PLAYGROUND FUND

The Mount Orab Community Playground Fund, Inc., is a 501c3 nonprofit organization formed to replace, enhance, enlarge, and make inclusive the playground at Bruce Lunsford Park in the Village of Mount Orab, Ohio. The Fund's motto is "Let's give our kids a great place to play" and we take that motto seriously. We are an exclusively volunteer run organization fueled by passion and powered by community spirit. We are not just building a playground; we are building connections, memories, and a legacy.

WHAT IS AN INCLUSIVE PLAYGROUND?

An inclusive playground is defined as an open and safe space carefully designed to promote play among children of different abilities, ages and communities. It gives children with and without any disability the same platform to play while breaking down barriers, both physically and socially.

Certain pieces of an inclusive playground are designed to be wheelchair accessible, while others are designed to accommodate those with motor coordination disorders or sensory disorders.

**Let's give our
kids a great
place to play!**

Playground Fund

HISTORY OF THE MOUNT ORAB COMMUNITY PLAYGROUND FUND

The Fund as a formal entity is a relatively new organization. It was the vision of our President, Robert Meyer, who saw the possibility of building this playground. Dr. Meyer, an optometrist, is a lifelong resident of Mount Orab. He has also served on the Mount Orab Board of Public Affairs for 10 years. He and his wife, Rebecca, have two sons ages 12 and 8. Their oldest son has autism and has a fondness for playgrounds, specifically playgrounds with swing sets. While traveling with his family to several local playgrounds and noticing the lack of inclusive playgrounds in the area, Dr. Meyer envisioned a public playground in the village of Mount Orab that would be inclusive such that children with special needs would be able to and want to play as well as a playground at which neurotypical children would also want to play. Thus, the idea of the Fund was born.

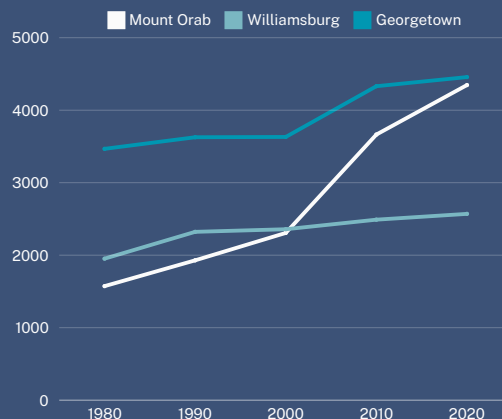

The Fund as a charitable organization was created in October 2023 but only after significant research and legwork on the part of Dr. Meyer. As this playground will be located on public property, permissions and approvals have been necessary from village administration along the way. After getting initial permission from the mayor to investigate the project, he researched other playgrounds that were of a scale similar to his vision. Dr. Meyer contacted designers of those playgrounds to see if they would help create plans to present to village council for approval. After several meetings with some of the larger playground designers and getting initial renderings, he then met with village council and they formally approved the project on October 24, 2023. Dr. Meyer immediately formed a committee of like minded citizens, registered the corporation with the State of Ohio and applied for 501c3 status with the IRS. The IRS granted 501c3 status on November 7, 2023.
