

# FlashBeats Privacy Policy

**Effective Date:** 6/15/2026

## Introduction

FlashBeats ("we," "our," or "the App") respects your privacy.

FlashBeats is designed to function entirely on your device. We do not collect, store, transmit, or share personal information.

## Information We Collect

**FlashBeats does not collect any personal data.**

We do not collect:

- Names
- Email addresses
- Phone numbers
- Location data
- Payment information
- Contacts
- Photos
- Audio recordings
- User accounts
- Usage analytics
- Crash reports
- Tracking information

## Local Device Storage

FlashBeats allows users to create and manage:

- Song titles
- Lyrics and song notes
- BPM settings
- Time signatures
- Accent colors
- Display preferences
- Setlists

All information entered into FlashBeats is stored locally on the user's device only.

This information is never transmitted to us, and we do not have access to it.

## **Third-Party Services**

FlashBeats does not use advertising networks, analytics platforms, crash reporting tools, or cloud storage services.

The App may be distributed through the Apple App Store, which operates under its own privacy policies.

## **Children's Privacy**

FlashBeats does not knowingly collect information from anyone, including children under the age of 13.

## **Changes to This Privacy Policy**

We may update this Privacy Policy from time to time. Any updates will be posted within the App Store listing or application.

## **Contact**
