## *A Message from David*

### Our Cosmic Habitat

To my vacation in Albuquerque has come word that today is Earth Day, and that it marks the fifty-second anniversary of the heroic attempt to save the planet that began in 1970! Well now, so long as my vacation has already been interrupted by this earth-shattering news, I feel compelled to take a moment to set the record straight!

The first earth day was the third day of creation when God divided the waters and called forth the dry land; and then on the sixth day of creation God assigned to us the responsibility of caring for the earth that God had created for our habitat.

Until very recently, the word God used was *dominion*, as in *Let them have dominion*. That word has now been expunged from sacred texts because contemporary linguists have arbitrarily decided that it means *to dominate*, and they claim that all the environmental problems we face are because we have chosen to dominate over creation rather than live in harmony with it.

In truth, for thousands of years, in Hebrew and in Christian tradition, the word *dominion* has meant *to be responsible for* ~ as in *being accountable to God*. Therefore, in my humble opinion, the urgent problem we now face is not global warming, but spiritual cooling ~ not the changes in the climate but the changes we have made to environmental spirituality.

How easy it is to assign blame to those who don't subscribe to the same popular narrative that we promote, but the care of the earth is fundamentally a spiritual experience ~ so much so that at times I have imagined that when we arrive at the Pearly Gates, on the threshold of Glory, we may all be surprised to discover that we are asked but one question: *And how have you exercised dominion over all that I have made?*

Yes, it's Earth Day. But every day is Earth Day from God's perspective! It has always been that way, and it will forever be remembered that way in glory ~ that every day we were privileged to live upon this cosmic habitat has been an extraordinary opportunity to care for one of God's most amazing creations.

David

### Mark's Remarks

(480) 964-8606, EXT. 103; MUSIC@FPCMESA.ORG

“Everything must be possible.” - J. S. Bach

Happy Mother’s Day! On May 8th, we’ll celebrate Mother's Day by honoring those who have shared the joys of motherhood for the longest and shortest periods of time. There will be prizes! Join us in worship as we share God’s Word and honor the love and joy of Mother’s Day.

One of our organ students, Jared Garcia, will play as part of a scholarship student recital on Sunday, May 15th, at 3:00 p.m. The recital will be held at Pinnacle Presbyterian Church (25150 N. Pima Rd., Scottsdale) and will be open to the public!

Presbyterian Heritage Sunday will be observed at the end of this month, and we will celebrate with a special anthem on Sunday, May 22nd. The music will feature our Dei Gloriam Handbell Choir in "Come, Thou Fount of Every Blessing." Plan to be blessed in song as the centuries-old melody will be blended with modern handbell techniques! In 1752, Robert Robinson attended an evangelical meeting to heckle the believers and make fun of the proceedings. Instead, he listened in awe to the words of the great preacher George Whitefield, and in 1755, he responded to the call he felt three years earlier and became a Christian. When preparing a sermon for his church in Norfolk, England, he penned the words that have become one of the church’s most-loved hymns, “Come, thou fount of every blessing, tune my heart to sing thy grace.” As the shepherd gathers sheep back into the fold, the hymn reminds us of God’s bountiful gift of grace. We are “prone to wander,” but God continues to bring us back with songs of praise on our lips.

Our Preschool Children will have their own songs to share during the first week of May! The annual Preschool Spring Fling will be held on Thursday, May 5th, at 10:30 a.m. The big event will be in Fellowship Hall, and the congregation is invited to attend.

The 2022-23 Artist Series will include The First Players’ production of *Singin’ in the Rain*, which met with an untimely curtain close at the onset of Covid-19, a week prior to our opening night! With the support of Music Theatre International, production materials and licensing were extended through the show’s run, which is set for this fall, November 4-6. The Players’ 24th “annual” production will include three dinner-theater performances in the “First Theater” (Fellowship Hall). Mark your calendars now, and plan to attend the much-anticipated production!

### Humoresque

"The One whose throne is in heaven sits laughing." - Psalm 2:4

Muldoon lived alone in the Irish countryside with only a pet dog for company. One day, the dog died, and Muldoon went to the parish priest. "Father Patrick," he says, "my dog is dead. Could ya' be sayin' a Mass for the poor creature?" The priest replied, "I'm afraid not, my son. We cannot be havin' services for an animal in the church. But there are some Baptists down the lane, and there's no tellin' what they believe. Maybe they'll do something for the creature." Muldoon said, 'I'll go right away. Father. Do ya think \$5,000 is enough to donate to them for the service?" Father Patrick exclaimed, "Sweet Mary, Mother of Jesus! Why didn't ya tell me the dog was Catholic?" [from Don Krill]

Many thanks for the prayers and concerns of all as I went through the grieving with the loss of my son and other family concerns. I am so grateful for all the love.

~ Marilyn Uithoven

I want to thank everyone for the cards, emails, phone calls and hugs following the death of my sister, Georgia. They were very much appreciated and comforting at this sad time.

Well, the school year has zipped by so quickly! It is now the last month of school, and we have been very busy getting the children ready for kindergarten and the world 😊 Some of the many things we have been up to include gardening, watching a momma hummingbird sit on her eggs in the nest on the play yard, art expressions, and welcoming family pets as visitors, too! We are looking forward to our next adventures with the children as they sing songs for their families at our annual Spring Fling and Family Picnic on May 5th at 10:30 a.m. Please join us!

Also, please join us in recognition of our superior teachers and staff! During the week of May 2-6, we will be celebrating with a week-long Teacher Appreciation. Please stop by and show your gratitude for all of their hard work this year! Ms. Nicki, Ms. Sara, Ms. Chantal, Ms. Alex and Ms. Shiloh would love to see you!

We are also well on our way with our Early Registration for the new school year. The preschool will be celebrating its 36th year and expect that many families will be joining us! Please help us spread the word about our little school and share the registration information with them. There are flyers in the church office or you can visit our website for more information. [www.fpcmesa.org/preschool](http://www.fpcmesa.org/preschool) Please email or call the preschool office for more information. 480-835-7877 We offer tours by appointment and welcome all children who are at least 2.5 years old and who are potty-trained. **Montlure** works are in full swing, and we are very excited to be inching ever closer to fully reopening our summer camp program in Greer. While we are inching forward there is so much that needs to be done both in maintenance activities at Greer and fundraising to complete all the projects required to open camp. Everyone can make a difference. We have jobs for all levels of ability. It is an amazing opportunity for fellowship. If you would like to get involved, we have a work camp scheduled for Memorial Day weekend. Please contact Mike Gerlach or Marcy Snitzer for more information. It will be a great opportunity to get to cooler temperatures and beautiful scenery. If you can't make Memorial Day weekend, please check [montlure.org](http://montlure.org) for other camp dates.

**Pentecost** has officially begun, and we are now collecting for this special offering now through June 5th. Psalm 71 testifies that a foundation of faith established during childhood helps ensure lifelong faith and service. This offering helps our youth begin life with a strong foundation of faith formed in the first third of life, from childhood through young adulthood. Forty percent of the offering stays with our congregation to support a youth initiative of our own choosing. Twenty-five percent supports Young Adult Volunteers (YAV). Twenty-five percent supports ministries of youth. And 10 percent supports Child Advocacy “Educate a child, Transform the World.”

**One Great Hour of Sharing** special offering raised \$1,110.00 in contributions. Thank you all for your support for this important offering.

**2022 CarePortal Mission** – We are excited to help local families again this year with our 2022 CarePortal Mission Trip. What we love about doing CarePortal for our Mission Trip is that there is something for everyone. We will have 3 teams to help in different ways again this year so matter what your talent, there is a team for you.

- **Donation Team:** If you want to receive emails about what is needed for the families to see if there is something new or used that you can donate, perhaps the Donation Team is perfect for you.
- **Delivery Team:** If delivering the donated items and seeing up close how the donations impact these families seems like a way that you can help serve, then the Delivery Team might be perfect for you.
- **Prayer Team:** You can join our prayer team who will pray for the families, pray for our volunteers, and also the overall success of the mission.
