

Dear First Presbyterian Preschool Families,

With all of the uncertainty and concern around the rising number for COVID-19 in Arizona, our Preschool Board and the First Presbyterian Church Session governing board have decided to push back our start date to September 8, 2020. This is the Tuesday after Labor Day weekend. Information regarding our "Meet the Teacher" event will be distributed at the end of August.

We are working hard during this time of closure to get the school ready for the new year and have every precaution in place before we begin. We will be sending the full enrollment packets to each of you during the first week of August. More information regarding the new policies, procedures and expectations will also be included in the enrollment packets.

Note: We will not require the children to use masks during the duration of their onsite care with us inside of the classroom. However, we will be requiring everyone to wear a mask from their car to be dropped off and picked up. We will also be taking daily temperatures at drop off. Additionally, we are updating our sick/illness policy. More detailed information will be included in the enrollment packets.

We are looking forward to having everyone back and ready to play! We appreciate your patience and understanding through all of this. We know that once we get rolling, we will be so much happier and able to bring stability and routine back to the lives of our children and families!

May the Good Lord bless you and bring us together again! See you on September 8th!

Sincerely,

Shiloh Murillo
