## *A Message from Lois*

The proverbs of Solomon, son of David, king of Israel: For learning about wisdom and instruction, for understanding words of insight, for gaining instruction in wise dealing, righteousness, justice, and equity; to teach shrewdness to the simple, knowledge and prudence to the young—let the wise also hear and gain in learning, and the discerning acquire skill, to understand a proverb and a figure, the words of the wise and their riddles.

Proverbs 1: 1-6

Session has seated the Mission Study Team. Members of the team are: Carol Anderson, Dick Baird, Kate Buck, Bill Lents, Jennifer Martin (Session representative), Jeanne Partida, Todd Ramsey, Marcy Snitzer, and Kelly Woods.

This team will spend the next few months meeting to discern the process they will use to gather information from the community and the church in order to embark on a Mission Study. Once the team establishes a process they will hold gatherings for you, the congregation, to provide input for the study. The team uses the information received to create a Mission Study Report. The Presbytery Committee on Ministry and Session will review the report for approval. Eventually the Pastor Nominating Committee will use the report in completing our church's Mission Information Form (MIF). The Mission Information Form is what the denomination uses to match this church with potential candidates.

In the mean time, I will also be creating some opportunities for us to gather to discuss the history of our church. One of the tasks of the congregation during the interim time is to "Come to terms with History." You folks are a wealth of information. Shortly I will put together a few gatherings where we will create a time-line of this congregation's history. It will be fun, and we'll all learn a bit!

May God continue to guide us as we make our way through this process of discernment to find just the person God has in mind for our congregation. Keep praying!

Blessings...Lois

### Mark's Remarks

**"The final aim and reason of all music is nothing other than the glorification of God and the refreshment of the spirit." - Johann Sebastian Bach**

### Announcements

Our Summer Music schedule will begin this month! Copies of the schedule are available on the Receptionist's Counter in the Church Office and on our Church Website. In addition to the special music offered for each summer Sunday, the Praise Band and Fellowship Commission will offer a Concert and Ice Cream Social on Sunday, August 23rd, at 4:00 p.m. in Fellowship Hall. Each member of the band will choose a few of their favorite secular songs to get our toes a-tapping and your voices singing along with maybe a few of your favorites, too!

Along with some vacation time this summer, I will attend the American Guild of Organists' West Region Convention, which will be held this year in San Diego, and where I will conclude my second and final term as Grand Canyon District Convener. In that role, I have served as a program and advisory resource to the Arizona and Nevada chapters of the AGO, and while I have enjoyed the position, I will welcome a ceremonial passing of the pipe!

*"Corral vs. Chorale" (from Ellen Gillespie)*

American choirs volunteer 8.5 billion hours every year! Please offer a huge thank you to all who volunteer their time in making such a Joyful Noise here at First Presbyterian Church! Our Sanctuary Choir members rehearse weekly and sing most Sundays of the fall and spring. I would like to recognize and offer special thanks to each member of the choir: Dick Baird, Cortney Bever, Marjorie Burgan, Sara D'Spain, Carol Gerlach, Ellen Gillespie, Bev Goff, Paul Green, Ann Harbin, Kay Herrera, Freda Homolya, Don Kaelin, Jeannette Laurie, Helen Lents, Flinn Lund, Susan McMichael, Brooks Newbry, Jane Potyka, Charlene Raikes, Anita Ramsey, Esther Robinson, Nate Robinson, Ruth Robinson, Karen Rudin, Alice Schlak, Allan Schultz, Bea Towe, Barb Walker, and Joan White.

*"FPC is being Sued!"* That would be a news teaser before commercial break, and it would be followed by the actual story: As I entered the Sanctuary for our May communion service, I was greeted by Sue Eisenklam, who was arriving to help prepare communion. She was followed by Suzanne Engman, who was following by Susan Durand. Honestly, when I remembered the Su-per trio after worship, I was walking straight toward . . . Suzie Payton. Coincidence? Have a nice, safe Su-ummer!

### Coming Events

- June 28th (Sunday), FPC Italian Potluck!, 5:00 p.m., Fellowship Hall
- August 23rd (Sunday), FPC Ice Cream Social & Praise Band Concert, 4:00 p.m., Fellowship Hall

## Humoresque

"The One whose throne is in heaven sits laughing." - Psalm 2:4

Some friars were behind on their belfry payments, so they opened up a small florist shop to raise the funds. Since everyone liked to buy flowers from the men of God, the rival florist across town thought the competition was unfair. He asked the good fathers to close down, but they would not. He went back and begged the friars to close. They ignored him. He asked his mother to go and ask the friars to get out of business. They ignored her, too. So, the rival florist hired Hugh MacTaggart, the roughest and most vicious thug in town to "persuade" them to close. Hugh beat up the friars and trashed their store, saying he'd be back if they didn't close shop. Terrified, the friars did so - thereby proving that . . . Hugh, and only Hugh, can prevent florist friars.

## *Just For Laughs!*

*As we prepare for another Arizona summer, here are some things to think about...*

*It's so hot in Arizona that...*

- ◆ you can say 113 degrees without fainting.
- ◆ you eat hot chilies to cool your mouth off.
- ◆ you learn that a seat belt makes a pretty good branding iron.
- ◆ the temperature drops below 95, you feel a bit chilly.
- ◆ the 4 seasons are: tolerable, hot, really hot, and **ARE YOU KIDDING ME??!**
- ◆ you discover that in July, it takes only 2 fingers to drive your car.
- ◆ you discover that you can get a sunburn through your car window.
- ◆ you notice the best parking place is determined by shade instead of distance.
- ◆ hot water now comes out of both taps.
- ◆ it's noon in July, kids are on summer vacation, and not one person is out on the streets.
- ◆ you actually burn your hand opening the car door.
- ◆ you break into a sweat the instant you step outside at 7:30 a.m. before work.
- ◆ no one would dream of putting vinyl upholstery in a car or not having air conditioning.
- ◆ your biggest bicycle wreck fear is, "What if I get knocked out and end up lying on the pavement and cook to death?"
- ◆ you realize that asphalt has a liquid state.
- ◆ a sad Arizonan once prayed, "I wish it would rain - not so much for me, cuz I've seen it -- but for my 7-year-old."

*HAPPY SUMMER!*
