

The following is the list published by the Presbytery Congregational Resource Committee in their request for us to respond to the dire need of our brothers and sisters at the border and the ministry of *Frontera de Cristo*. Please bring items to the church and put them in boxes in the office, fellowship hall or the sanctuary. We will be collecting until Friday, Jun 7. While we are responding to the need right now, there is an ongoing need, and we will have future drives as well. Thank you for your support.

* = Items most in need of right now

With exception of deodorant, they need large volume packages, not the individual containers you get at hotels. These supplies will help the asylum seekers, who are waiting for a place in line. They are currently staying in a crowded Catholic shelter.

Thank you for your help.
