Is your child having a hard time coming to school?

YOU are not alone! The beginning of a new school year can be tough on our kids. Please help us build up your child's confidence and trust with us by reassuring them that you always come back and that you know that the teachers have great things in store for them. This reassurance will help them transition into their day more quickly and get settled more easily.

FREE Flu Clinic coming to our Preschool:

Please mark your calendar and save the date! We will be hosting a FREE flu vaccine clinic on site on October 22nd from 9am-11am. All are welcome and encouraged to come! The clinic is being offered by Maricopa County Public Health and they will be administering the vaccine at no charge. You must sign up in advance so that they have enough on hand for everyone who wishes to participate.

Important Reminder: Please make sure that you are parking in the large, East parking lot when dropping off and picking up your child. The covered parking is reserved for the church office staff only. If you find yourself parking there, please note that you will be ticketed. Thank you!

Halloween Parade, YAY!

Each year we celebrate the fun part of Halloween with a parade showcasing each child's unique interests and costumes. This year we will be doing it on **FRIDAY, OCTOBER 30th at 11am**. Plan to join us and help pass out candy around our parade route (parents: 10:50am arrival). More detailed information to come but please note that all adults will be required to wear a mask during the parade.

Candy donations needed. Please consider donating a bag of candy for the Halloween parade to be handed out to all of the children. It will really help!

Thank you!

Do you read with your child daily?

Your child's brain is almost 90% developed by their 5th birthday! Reading to them is the best way to increase their vocabulary and helps them to feel nurtured, loved and secure. Pick up a book today and READ TOGETHER! Check out the First Things First website for more on parenting & community resources.
