Attention Families!

*Important Snack & Lunch options clarification
effective immediately!*

Please be aware that there are children enrolled this year with a severe peanut & strawberry allergy. It will take all of us to make sure that they are safe while at school. We will need everyone to follow the policy for snacks and lunches this year.

DO NOT bring anything with peanuts OR strawberries including PB&J sandwiches, granola bars or peanut cookies, raw strawberries, jam or strawberry yogurt, etc. If such items come to school, they will be returned uneaten and a reminder will be sent home.

We appreciate your help with this and know that it is of the utmost importance for the safety of all of the children!

Thank you,

Shiloh Murillo

Director
