Hello FPC Preschool Families,

We hope your summer has been full of memory-making activities and laughter! We value the families that we serve and we are working very hard to start the new school year on time, August 9th! Please mark your calendar and plan to start on time... The only caveat to this would be if Governor Ducey were to issue another “Stay at Home” order, which has NOT happened...

Additional information regarding our policies and procedures for a safe start of school will be published on our website soon. [www.fpcmesa.org/preschool](http://www.fpcmesa.org/preschool) There are many things that are changing on a weekly, if not daily, basis. We will update you as they become available to us. We look forward to welcoming you and your family back to the First Presbyterian Preschool campus and encourage you to share our information with others who have preschool-aged children. Your recommendation and referral mean so much to us!

Stay healthy and strong.

Sincerely,

Shiloh Murillo  
Director
