

WAITING LIST INFORMATION/KITTEN PRICING

If you are looking for a specific kitten like a black smoke male, you can email me with your color/sex preferences and once a kitten has been born matching that description I will contact you to let you know that there will be one available. Email me at slicklse@hotmail.com

This business is strictly run on a first come, first serve basis based on the date/time deposit is made. Once kittens are born I will accept deposits for the number of kittens in the litter. If there are 4 kittens in a litter I will only accept 4 deposits. I don't want people to have to wait a really long time for their kitten once they have made a deposit. Follow us on Facebook at Nebraska Maine Coon Lovers for announcements on the exact time/date that deposits can be made. Deposits are \$500 and non-refundable. Deposit funds pay for vet visits, vaccines, microchipping, etc. Deposits of course go towards the purchase price of your kitten. Maine Coons don't show their true coloring/markings at birth so I will not let anyone pick their kitten until 9 weeks of age. At that time whoever made the first deposit will be given first pick of all available kittens. I reserve the right to keep kittens for future breeding but this is not a normal occurrence. I have no control over the size of the litter, sex, color, size, etc. of the kittens. Since there are likely many people waiting I do ask that you kindly pick your kitten in a timely manner. Once I have reached out to you with available kittens, please make your decision within 24 hours so I can move on to the next person in line.

BEFORE making a deposit you must print out and read the kitten contract. Most questions you may have will be answered in that contract including warranty, pick up information, delivery options, etc. ALL kittens MUST be spayed/neutered. By placing your **non-refundable deposit** you are agreeing to all terms and conditions set forth in the contract. Please ask any questions you may have BEFORE making your deposit. You do not need to sign the contract when you place your deposit. You will sign it when you pick your kitten. You can text me (402)570-1065 or email me at kittens@bigredcoons.com to arrange your deposit and secure your place on my waiting list.

We have 3 queens. Shimmer is a black smoke tortie and can produce many colors of kittens. Sapphire is a blue eyed Black tortie White Harlekin who can also produce many different colors of kittens as well as kittens with permanent blue eyes. Sparkle is a silver classic torbie white and can also produce many colored kittens. We have 2 Sires. Zeus is a blue smoke and will produce large kittens! Louie is a red smoke classic tabby and is Zeus's son so he will only be bred to Sparkle and Sapphire and should also produce large kittens. I try to regularly update this website but the Facebook page is the best place to get up to the minute updates...not to mention tons of photos and videos of the kittens as they grow.

I understand no one wants to have to wait..especially for your new furry best friend. As I mentioned before, I have no control over size of litters, genders, coloring, etc. I promise that if you are patient, we will help you find the kitten that is purrfect for you. Remember, the time to ask questions is BEFORE you place your **non-refundable deposit**.

Females are priced at \$2500 and the **males at \$3000**. Regardless of sex, the blue eyed kittens will be \$3500. A discount of \$500 will be given if you purchase 2 kittens at the same time.
