

www.ToneSavvy.com

1. Click **Login** in the top right corner of the page. Then click **I am a student**.
2. Your username is **FirstLast** with appropriate capitalization.
3. If you have two first names, use FirstFirstLast. If you have two last names, use FirstLastLast, etc.
4. Your user name is CASE SENSITIVE (meaning you must capitalize the letters exactly as shown is your username information).
5. Your password is your student number.
6. The teacher code is **153**.

This is a SAMPLE. Use YOUR information.

7. From the dashboard, click on assignment sets (you may not need this step).

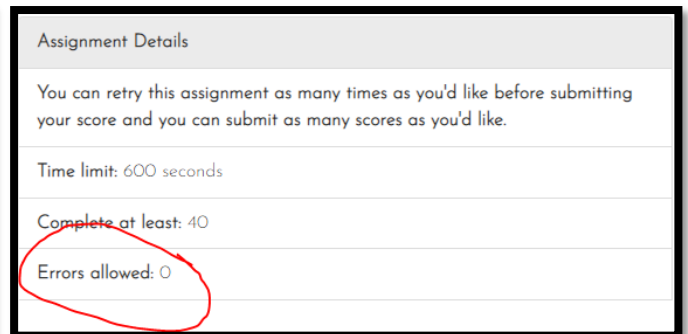

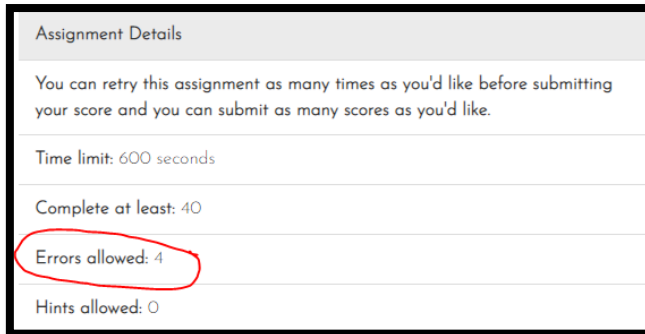

8. Click on the blue View button next to *your* instrument.

View	Violin
View	Viola
View	Cello
View	Bass
View	Advanced Music Theory

9. Click **Do It Now** on the first assignment that needs to be completed. Instrument sets must be completed in order. Advanced assignments may be completed in any order.

10. Always check the assignment details BEFORE you begin, especially for the number of errors allowed. You may also watch the embedded video before you begin if you need help.

11. The regular assignments are in order from easiest to most difficult. You must pass each assignment before you can move on. There are three assignments on each skill. The requirements are
- First assignment: Four Errors allowed
 - Second assignment: Perfect Score (no time limit, NO errors allowed)
 - Third assignment: Time Limit (NO errors allowed, with a set time limit)
12. You may do the advanced assignments in any order.
13. As you are working you must WATCH your number of errors. If there are 4 errors allowed and you make 5 errors, click **Stop Quiz** and then **Try Again** immediately. If there are ZERO errors allowed and you make one mistake, click **Stop Quiz** and then **Try Again** immediately. DO NOT wait for the time to run out as you will not pass. **DO NOT SUBMIT BEST EFFORT SCORES.**

14. Again, please DO NOT submit best effort scores. Be careful NOT to click the blue button.

15. A touchscreen works best.
16. Be sure to zoom in, especially when you must click on the fingerboard.
17. For listening assignments, you MUST use headphones.
