

Dodgen Middle School Orchestra

Our Fundraiser Starts TODAY!!!

Each year the Dodgen Orchestra receives a moderate budget from the District to cover repairs and music, but there are *many* other expenses associated with a large successful orchestra program. Your fundraising donations are used to pay for sheet music, method books, equipment, supplies, new instruments, school instrument repair and maintenance, tuners, software subscriptions (SmartMusic and ToneSavvy), professional percussionists for concerts, clinicians who come in during the school day, buses for performance field trips, awards, receptions, as well as any many other needs that arise throughout the year. The annual Orchestra budget is **over \$125 per student in expenses** that can only be paid from your fundraising and donations! We ask that you are as generous as you can be with your donation. This year we are striving for 100% participation in all three grade levels and we are offering a candy treat to each class that has 100% participation. ANY donation OR Mrs. Fields sale will help us reach our goal! Thank you for your help and support!
