Models must not have received fillers or Sculptra in the treatment areas within the past 6 months. If selected, a deposit will be required to secure your appointment. Please note that any cancellations, rescheduling, or failure to comply with the agreement will result in forfeiture of your deposit and termination of the model/medspa arrangement. Models are also required to provide both written and verbal consent for photography and videography, which may be used for educational, social media, and marketing purposes.
