

Fallbrook Beautification Alliance (FBA)

Keeping Fallbrook Litter Free Safety Pledge

Thank you for volunteering with FBA Keeping Fallbrook Litter Free! Your safety is important to us. While cleaning up around your neighborhood during our ongoing efforts to contain the spread COVID-19, please use the following personal protective equipment: work gloves, face mask and eye protection (sun glasses). Please maintain social distancing of at least 6 feet. The FBA supplies 5-gallon buckets, work gloves, safety vests, and litter grabbers to all interested volunteers during your ongoing participation.

- If you are driving to an area you are cleaning up, please park your vehicle in a safe and legal parking area. Do not obstruct traffic.
- Schedule your litter cleanup during daytime hours, when traffic is relatively light.
- Wear long pants, long sleeve shirt, socks and sturdy shoes.
- Wear work gloves and wash your hands afterwards.
- Be mindful of poison oak, stinging nettle and sumac, which may cause skin irritation.
- Wear a safety vest and face traffic as you work to optimize your visibility.
- Do not cleanup unsafe litter, such as razor blades, syringes, hazardous household products, dead animals, condoms, and unlabeled jugs/bottles.
Please make a note of the location and report to the FBA Keeping Fallbrook Litter Free Coordinator.

Items checked out:

_____ FBA safety vest _____ work gloves
 _____ litter grabber _____ 5-gallon bucket

I pledge to cleanup at least one (5-gallon) bucket equivalent of litter each month and wear protective personal equipment: face mask, work gloves and eye protection (sunglasses) during our ongoing efforts to contain the spread of COVID-19. Please report the tally of your buckets and volunteer hours every month to the FBA Keeping Fallbrook Litter Free Coordinator.

I agree to return items checked out to the FBA at the end of my volunteer service, so other volunteers may benefit from my supplies.
